2. SETUP

Follow these steps to prepare your new billiard cue balls for use:

1. **Unpacking:** Carefully remove all 22 billiard balls from their packaging. Inspect each ball for any visible damage or

defects that may have occurred during shipping.

2. **Initial Cleaning:** Before first use, it is recommended to wipe each ball with a soft, dry cloth to remove any dust or residue from manufacturing and packaging.
3. **Storage:** When not in use, store the balls in their original box or a dedicated billiard ball case to protect them from dust, scratches, and impacts.

3. OPERATING INSTRUCTIONS

These billiard cue balls are designed for standard billiard and pool games. Their consistent weight, size, and perfect roundness ensure reliable performance during play.

- **Usage:** Use these balls as replacement cue balls or as part of a complete set for any game requiring 5.25cm billiard balls.
- **Handling:** Always handle the balls with clean hands to prevent transferring oils or dirt to their surface, which can affect play and require more frequent cleaning.
- **Playing Surface:** Ensure your billiard table is clean and level for optimal ball roll and game accuracy.

4. MAINTENANCE

Proper maintenance will extend the life and preserve the performance of your billiard balls.

- **Cleaning:** Regularly clean the balls with a soft, damp cloth. For deeper cleaning, use a mild soap solution (e.g., dish soap diluted in water) and wipe gently. Rinse thoroughly with clean water and dry immediately with a soft, lint-free cloth. Avoid abrasive cleaners or harsh chemicals.
- **Polishing:** For an enhanced shine, a specialized billiard ball polish can be used after cleaning, following the product's instructions.
- **Storage:** Store the balls in a cool, dry place, away from direct sunlight and extreme temperature fluctuations. The original packaging or a dedicated billiard ball case is ideal for protection.
- **Inspection:** Periodically inspect the balls for any signs of wear, such as deep scratches or chips, which might affect play.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your billiard balls.

- **Issue: Balls appear dull or dirty.**

- Solution:** Clean the balls thoroughly using the maintenance instructions provided in Section 4. Regular cleaning prevents buildup.
- **Issue: Balls show minor scratches.**
Solution: Minor scratches are normal with use. Ensure proper handling and storage to minimize new scratches. For aesthetic improvement, a billiard ball polish might reduce the appearance of very fine scratches.
 - **Issue: Balls are chipped or cracked.**
Solution: Significant chips or cracks can affect play and are usually a result of hard impacts. Such balls should be replaced to maintain game integrity and prevent damage to the table cloth.
 - **Issue: Inconsistent roll or balance.**
Solution: First, ensure your billiard table is level and clean. If the issue persists with specific balls, they might be damaged internally or have manufacturing defects. Consider replacing them.
