# Kidilo Baby Bed P02 Instruction Manual

Model: P02 (TG-687684010918)

## 1. PRODUCT OVERVIEW

The Kidilo Baby Bed P02 is a versatile infant bed designed for comfort and convenience, functioning as both a standalone baby bed and a co-sleeper. It features a side-folding mechanism, soothing cradle movement, a removable changing bed, and integrated wheels for easy mobility. The bed includes a musical pendant and a mosquito net for enhanced functionality. It offers two separate floor levels, allowing use as a sleeping bed for infants up to two years old and as a playard for children up to three to four years old.

## 2. SAFETY INFORMATION

**WARNING: Failure to follow these safety instructions could result in serious injury or death.**

- Always ensure the bed is securely assembled and all locking mechanisms are engaged before placing a child inside.
- To prevent tip-over risks, never place the bed on an uneven surface.
- Regularly inspect the bed for any loose parts, damaged components, or sharp edges. Discontinue use if any damage is found.
- Avoid using the product when wet to prevent slips and falls, especially when moving the bed.
- Do not use accessories or replacement parts other than those approved by Kidilo.
- Keep small parts, plastic bags, and packaging materials away from children to prevent choking or suffocation hazards.
- Never leave a child unattended in the bed, especially when the side is open for co-sleeping.

## 3. COMPONENTS LIST

The Kidilo Baby Bed P02 package typically includes the following components:

- Main Baby Bed Frame
- Mattress/Base Board

- Removable Changing Bed
- Musical Pendant with Toys
- Mosquito Net with Stand
- Carrying Cover
- Wheels with Brakes (pre-attached or requiring minor assembly)

## 4. SETUP INSTRUCTIONS

---

### 4.1 Unpacking and Initial Setup

1. Carefully remove all components from the packaging. Retain packaging for future storage or transport.
2. Place the folded bed frame on a flat, stable surface.
3. Pull the short sides of the bed upwards until they lock into place. Ensure both sides are fully extended and locked.
4. Push down the center of the bed base firmly until it lies flat and the frame is fully rigid.
5. Insert the mattress/base board into the bed, ensuring it fits snugly.

### 4.2 Attaching Accessories

- **Changing Bed:** Attach the removable changing bed to the designated clips or slots on the top rail of the main bed. Ensure it is securely fastened before use.
- **Musical Pendant:** Mount the musical pendant arm onto the side rail. Hang the toys securely from the pendant.
- **Mosquito Net:** Insert the mosquito net stand into its designated slot. Drape the mosquito net over the stand and the bed, ensuring full coverage.

## 5. OPERATING INSTRUCTIONS

## 5.1 Side-Folding for Co-Sleeping

The Kidilo Baby Bed P02 features a side-folding mechanism to allow it to be placed next to an adult bed for co-sleeping. To engage this feature:

1. Ensure the bed is empty and the brakes on the wheels are engaged.
2. Locate the release buttons or levers on the side rail you wish to lower.
3. Press the buttons/levers and gently lower the side rail.
4. Position the baby bed next to the adult bed, ensuring there is no gap between the two surfaces.
5. Always ensure the baby bed is securely positioned and cannot move away from the adult bed during use.

## 5.2 Cradle Movement

The bed is equipped with a soothing cradle movement feature. To activate or deactivate:

- Locate the fixability mechanism, usually a lever or lock on the base or legs.
- To enable cradle movement, release the lock.
- To fix the bed in a stationary position, engage the lock.

## 5.3 Using the Changing Bed

The removable changing bed provides a convenient surface for diaper changes or drying after bathing. Ensure it is securely attached to the main bed frame before placing a child on it. Always supervise the child while using the changing bed.

## 5.4 Mobility and Brakes

The Kidilo Baby Bed P02 includes two large wheels with brakes for easy movement. To move the bed, disengage the brakes. To secure the bed in place, engage the brakes by pressing down on the brake levers located on the wheels.

### 5.5 Adjusting Bed Levels (Sleep and Play)

The bed offers two separate floor levels. The higher level is typically used for infants for easier access, while the lower level is suitable for older babies and toddlers as a playard. Refer to the specific instructions provided with your product for adjusting the mattress height, as mechanisms may vary.

## 6. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and safety of your Kidilo Baby Bed P02.

- **Cleaning Fabric Parts:** The manufacturer recommends **Dry Clean Only** for fabric components. Do not machine wash or tumble dry, as this may damage the material or affect its safety features.
- **Cleaning Frame:** Wipe the plastic and metal frame parts with a damp cloth and mild soap. Rinse thoroughly and dry completely before use.
- **Regular Inspection:** Periodically check all screws, bolts, and locking mechanisms to ensure they are tight and functioning correctly.
- **Storage:** When not in use, fold the bed and store it in its special carrying cover in a dry, cool place away from direct sunlight.

## 7. TROUBLESHOOTING

If you encounter any issues with your Kidilo Baby Bed P02, refer to the following common problems and solutions:

- **Bed does not lock into place:** Ensure all side rails are pulled up firmly until an audible click is heard. The center base must be pushed down completely. If it still doesn't lock, check for any obstructions.
- **Wheels are not moving smoothly:** Check for debris or hair caught in the wheel mechanisms. Ensure brakes are fully disengaged.
- **Cradle movement is stiff or not working:** Verify that the fixability lock is fully disengaged. Lubricate moving parts if necessary, using a child-safe lubricant.
- **Accessories do not attach securely:** Ensure you are using the correct attachment points and that the accessories are aligned properly. Do not force them.

If the problem persists, contact customer support for further assistance.
