## **SHUWEI T628G MAX**

# **SHUWEI T628G MAX Laptop Cooling Stand User Manual**

Model: T628G MAX

## **INTRODUCTION**

---

Thank you for choosing the SHUWEI T628G MAX Laptop Cooling Stand. This manual provides essential information for the proper setup, operation, and maintenance of your device. Please read it thoroughly before use and retain it for future reference.

Image 1: Overview of the SHUWEI T628G MAX Laptop Cooling Stand. This image displays the stand in its upright position, highlighting its silver finish, the integrated cooling fan, and the non-slip pads on the laptop platform and base.

## SAFETY INSTRUCTIONS

---

- Ensure the stand is placed on a stable, flat surface to prevent tipping.
- Do not obstruct the fan's air intake or exhaust vents.
- Keep the device away from water or other liquids.
- Avoid placing heavy objects on the stand that exceed its maximum load capacity.
- Do not attempt to disassemble or repair the unit yourself. Contact customer support for assistance.

- Keep out of reach of children.

## PACKAGE CONTENTS

---

Verify that all items are present in the package:

- SHUWEI T628G MAX Laptop Cooling Stand (x1)
- USB Power Cable (x1)
- User Manual (x1)

## SETUP

---

1. **Unfold the Stand:** Carefully unfold the stand from its compact position. Ensure all joints are securely locked into place.
2. **Adjust Height and Angle:** The stand features adjustable arms. Press the release buttons (if present) or gently lift/lower the platform to achieve your desired viewing height and angle. The stand offers a wide range of adjustments for ergonomic comfort.

# Height and Angle Adjustable

Provide the perfect ergonomic viewing

Image 2: Illustration of the stand's adjustable height and angle. This image demonstrates the range of motion for the laptop platform, allowing users to set it between 2 and 11.8 inches in height and tilt it up to 120 degrees for optimal ergonomic viewing.

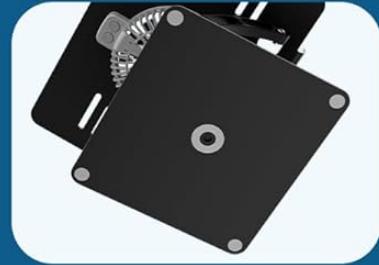

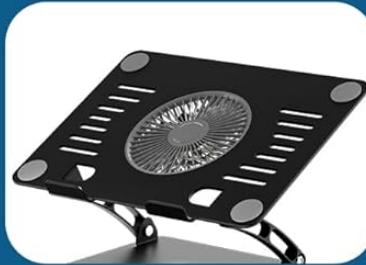

3. **Place Your Laptop:** Position your laptop securely on the stand's platform. The anti-slip pads on the platform will help keep your laptop in place. The stand is compatible with laptops ranging from 14 to 17.3 inches.

# Wide Compatibility

Fit for 14-17.3" Laptop

## Anti-Slip Base Pads

*Image 3: Displaying wide compatibility and anti-slip features. This image shows a laptop resting on the stand, emphasizing its suitability for various laptop sizes (14-17.3 inches) and the presence of anti-slip pads for secure placement.*

4. **Connect Power:** Connect the provided USB power cable to the stand's power input port and then to an available USB port on your laptop or a USB power adapter (not included).
5. **Utilize 360-Degree Rotation:** The base of the stand allows for 360-degree rotation, enabling easy screen sharing or adjustment without moving the entire setup.

# 360 Degree Rotation

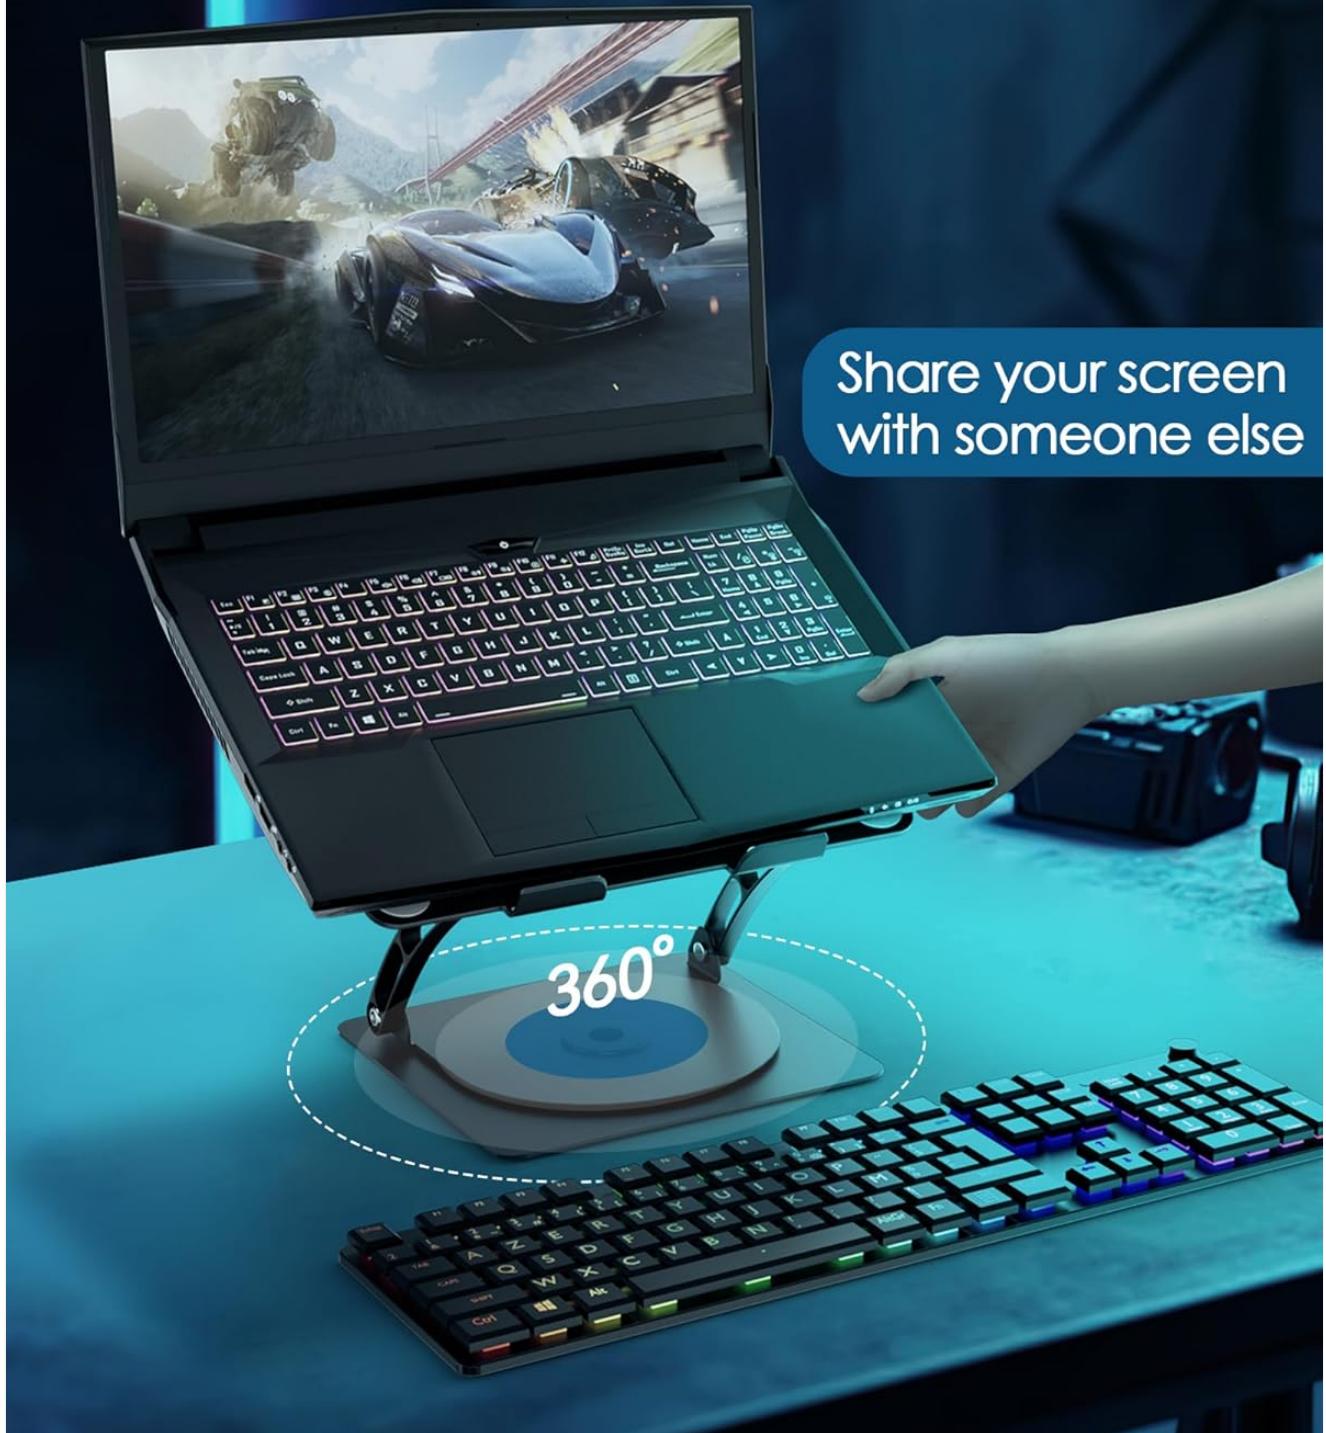

Image 4: Depiction of the 360-degree rotation capability. This image illustrates how the stand's base can rotate, facilitating easy adjustment of the laptop's orientation for collaborative viewing or personal preference.

## OPERATING INSTRUCTIONS

- Fan Activation:** Once connected to power, the cooling fan will activate.
- Adjust Fan Speed:** The stand features a 3-speed fan. Locate the fan speed control (usually a button or dial) on the stand and adjust it to your preferred cooling level.

# Powerful 5.1" Large Fan

3 Speed to choose

*Image 5: Detailed view of the powerful 5.1-inch cooling fan. This image highlights the fan's size and its three-speed functionality, indicating the airflow generated for effective laptop cooling.*

3. **Optimal Cooling:** Position your laptop to ensure the fan's airflow is directed towards the laptop's ventilation areas for maximum cooling efficiency.

## MAINTENANCE

- **Cleaning:** Disconnect the power before cleaning. Use a soft, dry cloth to wipe the surface of the stand. For stubborn dirt, a slightly damp cloth can be used, followed by a dry cloth.
- **Fan Cleaning:** Periodically use compressed air to clear dust from the fan blades and vents to maintain optimal airflow.

- **Storage:** When not in use, fold the stand to its compact form and store it in a dry, cool place.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Fan not spinning	No power connection; Faulty USB cable; Fan malfunction	Ensure USB cable is securely connected to both the stand and a powered USB port. Try a different USB port or cable. If the issue persists, contact customer support.
Stand is unstable	Not placed on a flat surface; Joints not locked; Exceeded weight limit	Place the stand on a flat, stable surface. Ensure all adjustable joints are fully extended and locked. Verify your laptop's weight does not exceed the stand's maximum load capacity.
Insufficient cooling	Fan speed too low; Obstructed airflow; Dust accumulation	Increase the fan speed. Ensure no objects are blocking the fan's intake or exhaust. Clean the fan and vents using compressed air.

## SPECIFICATIONS

---

- **Model:** T628G MAX
- **Brand:** SHUWEI
- **Material:** Anodized Aluminum Stand, Carbon Steel Base
- **Color:** Silver
- **Cooling Method:** Air
- **Fan Count:** 1
- **Fan Size:** 5.1 inches (approximate, inferred from image)
- **Fan Speeds:** 3
- **Item Weight:** 1.65 Kilograms (3.64 lbs)
- **Max Load Capacity:** 22 lbs (inferred from image)
- **Adjustable Height Range:** 2 - 11.8 inches (inferred from image)
- **Adjustable Angle:** Up to 120 degrees (inferred from image)
- **Rotation:** 360 degrees
- **Compatibility:** 14-17.3 inch Laptops
- **Batteries:** Not required
- **Parcel Dimensions:** 31.9 x 24.79 x 6.71 cm

# Weighted Base

Offer exceptional stability and prevents tipping
