onerbl AC-DC Adapter

Onerbl AC-DC Adapter Instruction Manual for Gear4music MK-1000 and MK-2000 Portable Keyboards

Model: AC-DC Adapter

Introduction

This instruction manual provides essential information for the safe and effective use of your Onerbl AC-DC Adapter. This adapter is designed as a replacement power supply for Gear4music MK-1000 and MK-2000 Portable Keyboards. Please read this manual thoroughly before use and retain it for future reference.

Safety Information

- **Indoor Use Only:** This adapter is designed for indoor use. Do not expose it to rain, moisture, or extreme temperatures.
- **Voltage Compatibility:** Ensure the wall outlet voltage matches the adapter's input specifications (AC 100-240V).
- **Proper Connection:** Always connect the adapter to the device before plugging it into a wall outlet. Disconnect from the wall outlet first before unplugging from the device.
- **Avoid Damage:** Do not use the adapter if the cord or plug is damaged. Avoid bending or crimping the cable excessively.
- **Ventilation:** Ensure adequate ventilation around the adapter during use to prevent overheating.
- **Children and Pets:** Keep the adapter out of reach of children and pets.

Setup

Follow these steps to set up your Onerbl AC-DC Adapter:

1. **Verify Compatibility:** Confirm that your device is a Gear4music MK-1000 or MK-2000 Portable Keyboard.
2. **Connect to Device:** Insert the DC output plug of the adapter firmly into the power input jack of your Gear4music keyboard.
3. **Connect to Power Outlet:** Plug the AC input prongs of the adapter into a standard AC 100-240V wall outlet.
4. **Power On:** Once connected, you can power on your keyboard.

Figure 2: The Onerbl AC-DC Adapter correctly plugged into a wall outlet, demonstrating a typical setup scenario. A small plant is visible next to the adapter, indicating an indoor environment.

Operating Instructions

The Onerbl AC-DC Adapter provides continuous power to your compatible Gear4music keyboard. It is designed for simple plug-and-play operation.

- Once properly connected, the adapter will supply power to your keyboard.
- Ensure the adapter is securely plugged into both the wall outlet and the keyboard's power input.
- The adapter is designed to operate within a wide input voltage range (100-240V AC), making it suitable for worldwide use.

Maintenance

To ensure the longevity and proper functioning of your adapter, follow these maintenance guidelines:

- **Cleaning:** Disconnect the adapter from the power outlet and the device before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or abrasive materials.
- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and moisture. Avoid tightly coiling the cable to prevent damage.
- **Inspection:** Periodically inspect the adapter and cable for any signs of damage, such as cuts, fraying, or bent prongs. If damage is found, discontinue use immediately.

Troubleshooting

If you encounter issues with your Onerbl AC-DC Adapter, consider the following:

- **No Power to Device:**
  - Ensure the adapter is securely plugged into both the wall outlet and the keyboard.
  - Check if the wall outlet is functional by plugging in another device.
  - Verify that the keyboard's power switch is in the "ON" position.
- **Adapter Overheating:**
  - Ensure the adapter has adequate ventilation and is not covered.
  - If overheating persists, discontinue use and contact support.
- **Device Not Charging (if applicable):** This adapter primarily provides power for operation. If your keyboard has a charging function, ensure it is enabled and functioning correctly.

If troubleshooting steps do not resolve the issue, discontinue use and consult the manufacturer of your Gear4music keyboard or the adapter's seller for further assistance.

Specifications

Onerbl AC-DC Adapter Technical Specifications

Feature	Detail
Input Voltage	AC 100-240V, 50/60Hz (Worldwide AC Input)
Output Voltage/Current	*(Specific output details not provided in source, general AC-DC conversion)*
Compatibility	Gear4music MK-1000, MK-2000 Portable Keyboards
Protection Features	Over Voltage Protection, Over Heat Protection
Cable Length	Approximately 76 inches (193 cm)
Dimensions (Adapter Unit)	Approximately 3.1 inches (height) x 2.1 inches (width) x 1.2 inches (depth)
Manufacturer	Shenzhen Waweis Technology Co., Ltd
