## GAXABI ABI001

# GAXABI Smart Glasses User Manual

Model: ABI001

## 1. INTRODUCTION

Thank you for choosing GAXABI Smart Glasses. These smart glasses integrate polarized sunglasses with open-ear audio technology, allowing you to listen to music, make calls, and access voice assistants while remaining aware of your surroundings. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance.

### 4. COMPONENT IDENTIFICATION

Familiarize yourself with the various parts of your GAXABI Smart Glasses:

Image 4.1: Diagram illustrating the Multi-function Key, Built-in Mic, Charging Indicator Light, Charging Port, TR90 Frame, Built-in Speaker, and Polarized Sunglass Lenses.

- **Multi-function Key:** Controls power, pairing, music, calls, and voice assistant.
- **Built-in Mic:** For hands-free calls and voice assistant commands.
- **Charging Indicator Light:** Shows charging status.
- **Charging Port:** Connects to the USB charging cable.
- **TR90 Frame:** Lightweight and durable frame material.
- **Built-in Speaker:** Delivers open-ear audio.
- **Polarized Sunglass Lenses:** Provides UV protection and glare reduction.

## 5. SPECIFICATIONS

Feature	Detail
Model Number	ABI001
Connectivity Technology	Bluetooth
Wireless Communication Standard	Bluetooth
Battery Type	Lithium Ion
Battery Capacity	130 mAh (approx.)
Charging Time	Approximately 2 hours
Play Time	Up to 8 hours
Operating System Compatibility	iOS, Android

Feature	Detail
Special Features	Music Player, Phone Call, Voice Assistant
Item Weight	3.84 ounces (0.11 Kilograms)
Lens Type	Polarized, UV400 Protection

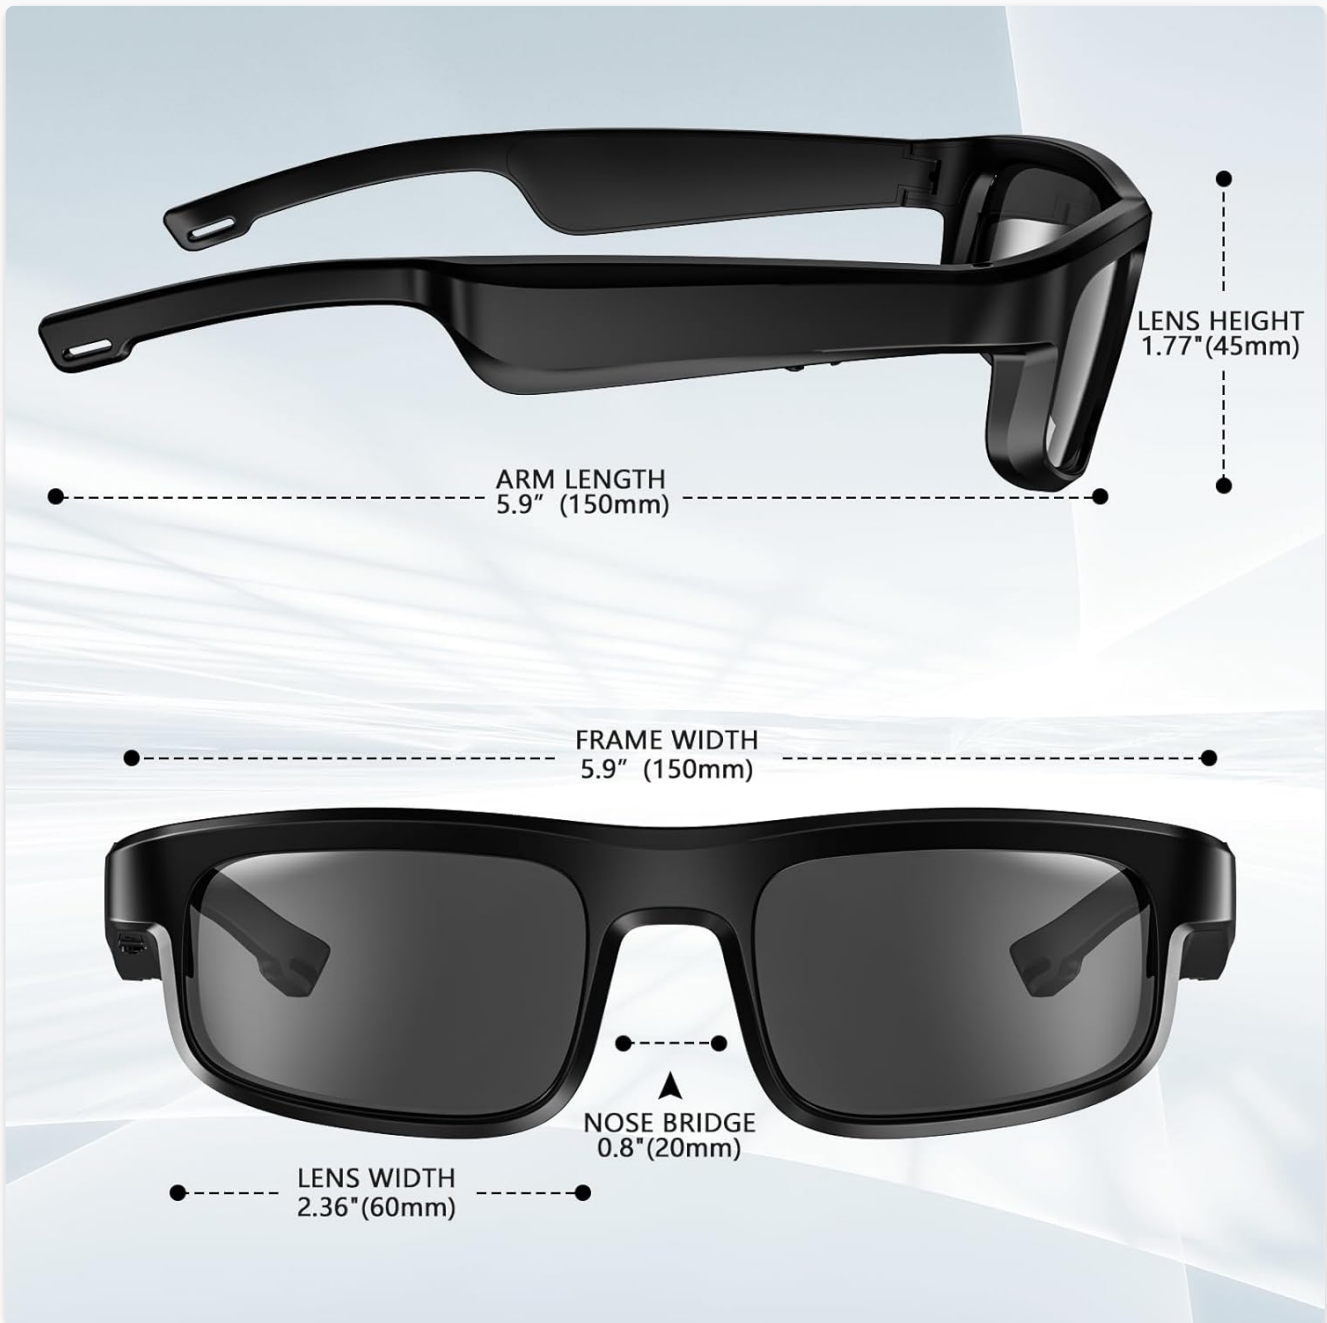

Image 5.1: Diagram showing the dimensions of the smart glasses, including lens height (1.77"/45mm), arm length (5.9"/150mm), frame width (5.9"/150mm), lens width (2.36"/60mm), and nose bridge (0.8"/20mm).

## 6. GETTING STARTED

### 6.1 Charging the Device

Before first use, fully charge your GAXABI Smart Glasses.

1. Connect the provided USB charging cable to the charging port on the glasses.

2. Connect the other end of the USB cable to a standard USB power adapter (not included) or a computer's USB port.
3. The charging indicator light will illuminate during charging.
4. Charging typically takes approximately 2 hours for a full charge. The indicator light will change or turn off once charging is complete.

## 8 Hours Long Play Time

130 mAh

2 hours full  
charging

*Image 6.1: Illustration of the smart glasses on a table, indicating 130 mAh battery and 2 hours for full charging, providing 8 hours of play time.*

### 6.2 Bluetooth Pairing

To connect your smart glasses to a smartphone or other Bluetooth-enabled device:

1. Ensure the smart glasses are charged and powered off.
2. Press and hold the Multi-function Key until the indicator light flashes rapidly (usually blue and red), indicating pairing mode.
3. On your smartphone, navigate to the Bluetooth settings and turn Bluetooth on.
4. Search for available devices. The smart glasses should appear as "GAXABI Smart Glasses" or a similar name.
5. Select the device name to connect. Once paired, the indicator light will typically show a slow blue flash or turn

off.

6. If prompted for a passcode, enter "0000" (four zeros).

## 7. OPERATION

### 7.1 Power On/Off

- **Power On:** Press and hold the Multi-function Key for approximately 3 seconds until you hear a power-on prompt and the indicator light illuminates.
- **Power Off:** Press and hold the Multi-function Key for approximately 5 seconds until you hear a power-off prompt and the indicator light turns off.

### 7.2 Music Playback

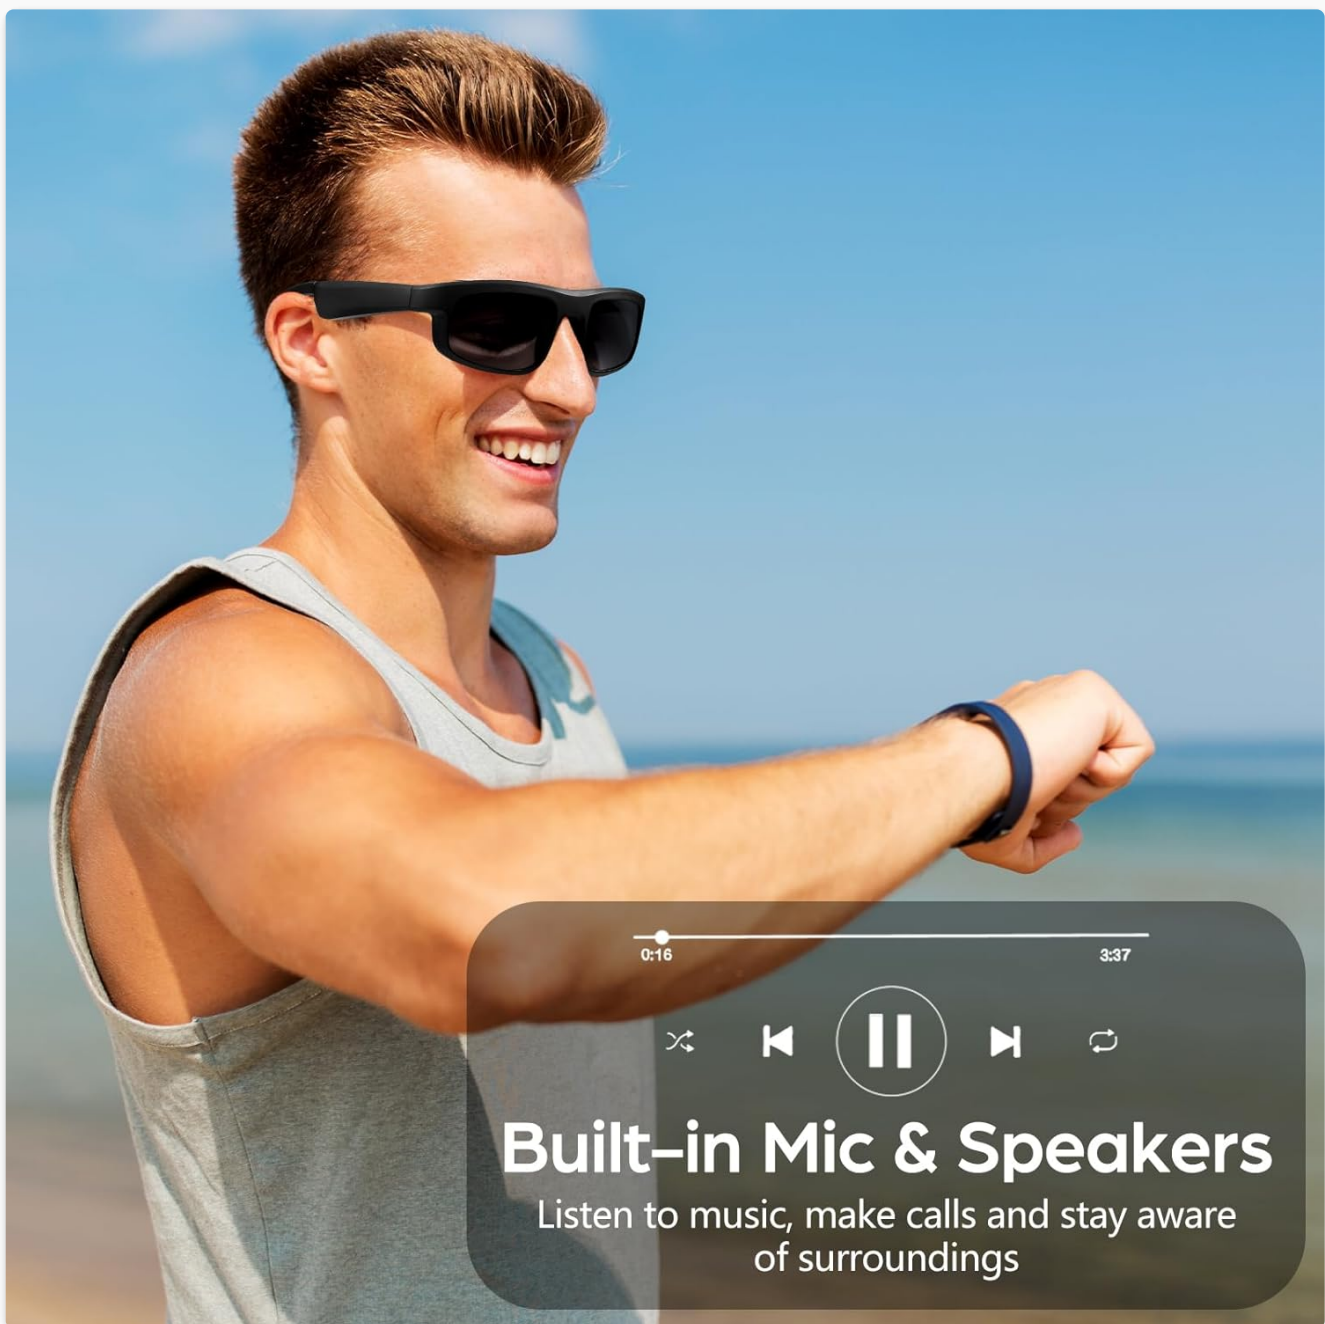

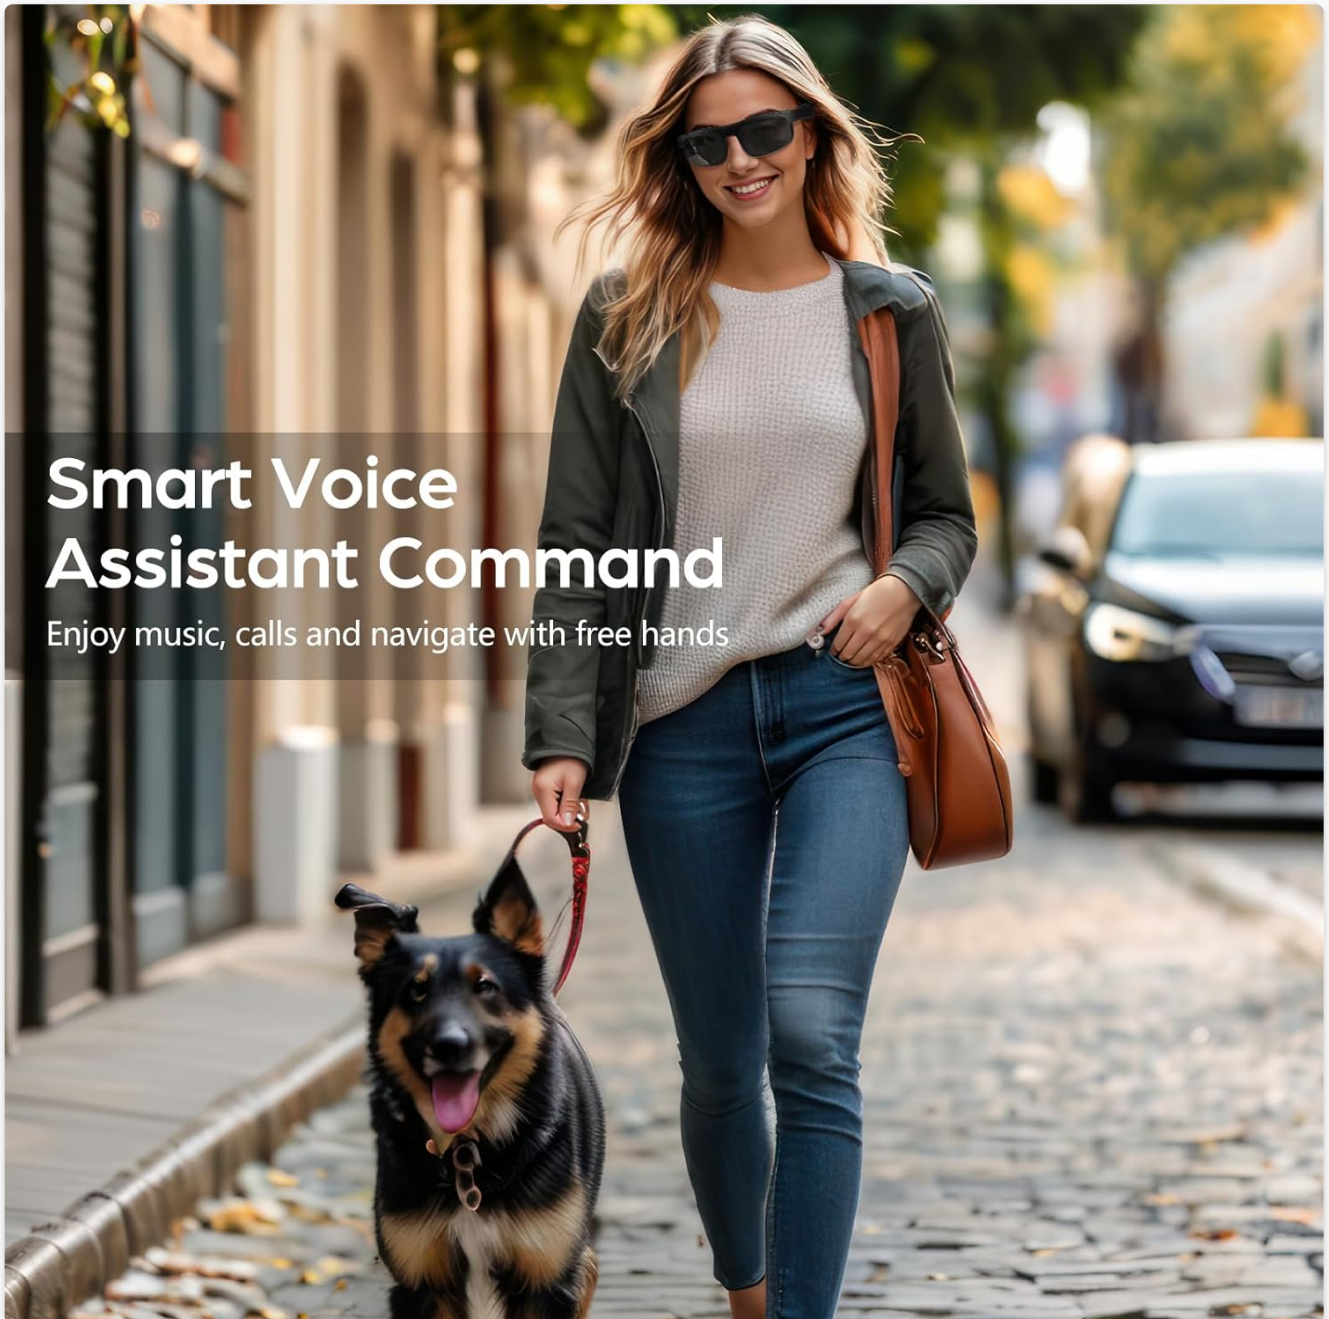

Image 7.1: A man wearing the smart glasses, with an overlay indicating built-in mic and speakers for listening to music and making calls while maintaining situational awareness.

- **Play/Pause:** Short press the Multi-function Key once.
- **Next Track:** Double-press the Multi-function Key.
- **Previous Track:** Triple-press the Multi-function Key.

### 7.3 Call Management

- **Answer/End Call:** Short press the Multi-function Key once during an incoming call or to end an active call.
- **Reject Call:** Press and hold the Multi-function Key for approximately 2 seconds during an incoming call.

### 7.4 Voice Assistant

## Smart Voice Assistant Command

Enjoy music, calls and navigate with free hands

*Image 7.2: A woman walking her dog while wearing the smart glasses, demonstrating hands-free use of the smart voice assistant for music, calls, and navigation.*

- **Activate Voice Assistant:** Press and hold the Multi-function Key for approximately 2 seconds (when not on a call or playing music) to activate your device's voice assistant (Siri, Google Assistant, etc.).

## 8. CARE AND MAINTENANCE

## 8.1 Cleaning

- Use the provided cleaning cloth to gently wipe the lenses and frame.
- For stubborn smudges, use a lens cleaning spray specifically designed for eyewear. Do not use harsh chemicals or abrasive materials.
- Avoid getting water directly into the speaker or charging port areas.

# GAXABI Polarised Lenses 100% UV Protection

**Before**      **After**

Effective Glare Blocking    Comfortable Vision    Clear Vision    Strong Impact Resistance    Easy To Clean and Durable    UV Protection

True Colour    Enhanced Polarisation

Image 8.1: Comparison showing the effect of GAXABI polarized lenses with 100% UV protection, highlighting true color, enhanced polarization, effective glare blocking, comfortable vision, clear vision, strong impact resistance, easy to clean, and UV protection.

## 8.2 Storage

- When not in use, store the smart glasses in their protective case to prevent scratches and damage.
- Avoid exposing the glasses to extreme temperatures (hot or cold) or direct sunlight for extended periods.

## 8.3 Battery Care

- To prolong battery life, avoid fully discharging the battery frequently.
- Charge the glasses regularly, even if not used for a long time.

## 9. TROUBLESHOOTING

Problem	Possible Cause	Solution
Cannot power on	Low battery	Charge the glasses fully.
Cannot pair with device	Glasses not in pairing mode; Bluetooth off on device; too far apart	Ensure glasses are in pairing mode (flashing indicator); turn on Bluetooth on your device; keep devices within 1 meter during pairing.
No sound or low volume	Volume too low on glasses or connected device; glasses not connected	Adjust volume on both glasses and connected device; ensure glasses are properly paired.
Call quality is poor	Weak signal; microphone obstruction	Move to an area with better signal; ensure microphone is not covered.
Glasses not charging	Cable or adapter issue; charging port dirty	Try a different USB cable or power adapter; gently clean the charging port.

## 10. WARRANTY AND SUPPORT

GAXABI provides a warranty for its products. For specific warranty terms and conditions, please refer to the documentation included with your purchase or contact GAXABI customer support.

If you encounter any issues or have questions not covered in this manual, please contact GAXABI customer service. We aim to provide high-quality products and support. We will reply to you within 8 hours.
