PUNICE B0D8XYFW7H

PUNICE Twin Size Bed Frame with Charging Station and LED Light - Instruction Manual

Model: B0D8XYFW7H

Introduction

Thank you for choosing the PUNICE Twin Size Bed Frame. This bed frame is designed for comfort and convenience, featuring an integrated charging station, customizable LED lighting, and ample under-bed storage. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure a safe and enjoyable experience with your new bed frame.

Safety Information

WARNING: Please read all instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Exercise caution around sharp edges during assembly.
- Do not exceed the maximum weight capacity of 1200 pounds.
- Ensure all screws are tightened securely to prevent instability. However, do not overtighten to avoid stripping screws or damaging the metal frame/wood planks.
- If using a power drill or power screwdriver, operate at a slow speed and stop when the screw is tight.
- Assembly is recommended with two people for ease and safety.
- Keep small parts away from children during assembly to prevent choking hazards.

Package Contents

Before beginning assembly, verify that all parts listed in your product's specific instruction booklet are present and undamaged. All components are clearly labeled for easy identification.

Operating Instructions

LED Lighting System

The integrated LED lights on the headboard and footboard create a pleasant ambiance. They can be controlled via a remote control or a smartphone application.

- **Remote Control:** Use the provided remote to turn lights on/off, change between 12 scene modes, adjust 3 speed settings, and select from 3 brightness levels.
- **Smartphone App:** Download the compatible app to control the LED lights, offering over 60,000 colors, music sync, mic mode, and timing mode features.

Charging Station

The bed frame includes a recessed charging station for your electronic devices.

- **Ports:** It features 1 USB port, 1 Type-C port, and 2 AC outlets.
- **Usage:** Simply plug your devices into the appropriate ports for convenient charging directly from your bed.

Maintenance

- Regularly check all screws and bolts to ensure they remain tight. Retighten as necessary.
- Clean the metal frame with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- Wipe the wooden headboard and footboard with a dry or slightly damp cloth.
- Keep the LED strips and charging ports free from dust and debris.

Troubleshooting

Noisy Bed Frame

- Ensure all bolts and screws are securely tightened.
- Check that the slats are properly seated and the EVA sponge is intact to prevent friction.

LED Lights Not Working

- Verify that the LED power cable is securely plugged into the charging station.
- Check the remote control battery.
- Ensure the charging station is plugged into a functional wall outlet.

Charging Station Not Functioning

- Confirm the main power cord from the bed frame is plugged into a working wall outlet.
- Test the wall outlet with another device to ensure it has power.
- Try a different charging cable for your device.
