6. MAINTENANCE AND CARE

- **Cleaning:** To clean the model, gently wipe with a dry, soft cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care to prevent accidental disassembly or damage to delicate parts.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Missing pieces	Manufacturing error or pieces lost during unpacking.	Carefully check all packaging materials. If pieces are genuinely missing, contact Mould King customer support.
Parts do not fit together	Incorrect orientation or wrong piece used.	Double-check the instruction manual for the correct piece and orientation. Ensure pieces are fully pressed together.
Model is unstable	Some connections may not be fully secured.	Review previous steps to ensure all connections are firm and all pieces are correctly placed.
