ZIKIBL ZIKIBL-FX-01

ZIKIBL Stone Bath Mat User Manual

Model: ZIKIBL-FX-01

1. PRODUCT OVERVIEW

The ZIKIBL Stone Bath Mat is an innovative and sustainable solution for your bathroom, designed to provide a clean, dry, and hygienic experience. Made from 100% diatomaceous earth, this mat offers superior absorbency and quick-drying properties, preventing moisture buildup and odors.

Its minimalist design complements various home decors, making it suitable for multiple applications beyond the bathroom, such as kitchens, entryways, and pet areas.

2. KEY FEATURES

- **Sustainable Materials:** Crafted from 100% diatomaceous earth, ensuring a safe, durable, and eco-friendly product.
- **Super Absorbent and Quick Drying:** Rapidly absorbs water and dries within seconds, maintaining a dry and hygienic surface.
- **Non-Slip Design:** Features a textured surface for enhanced friction and includes a rubber anti-slip mat for double protection, ensuring stability on various floor types.
- **Effortless Cleaning:** Easy to maintain with simple rinsing or wiping. For stubborn stains, light sanding can restore its original condition.
- **Modern Elegance & Versatility:** Its minimalist aesthetic seamlessly integrates into any space, making it ideal for bathrooms, kitchens, entryways, and more.

OUR DIATOMITE BATH MAT

3. SETUP AND USAGE

- Initial Rinse:** Upon first use, the mat may have a small amount of powder on its surface. Rinse it with water and allow it to dry completely in a well-ventilated area before placing it for use.
- Place Non-Slip Mat:** Position the included rubber non-slip mat on your desired floor surface.
- Position Stone Mat:** Carefully place the ZIKIBL Stone Bath Mat on top of the non-slip mat. Ensure it is on a flat, even surface to prevent breakage or deformation.
- Daily Use:** Step onto the stone bath mat after showering or bathing. The mat will instantly absorb water, keeping your feet and the surrounding area dry.

Image: A visual representation of the mat's super absorbent and fast-drying capabilities, showing water disappearing from footprints over 60 seconds.

4. MAINTENANCE AND CLEANING

Maintaining your ZIKIBL Stone Bath Mat is simple and requires minimal effort to ensure its longevity and performance.

- **Routine Cleaning:** For daily maintenance, simply rinse the mat with water or wipe it with a damp cloth.
- **Stain Removal:** For tougher stains or if water absorption reduces over prolonged use due to dirt accumulation, gently use the included sandpaper to polish the affected area. This will restore the mat's absorbency and appearance.
- **Drying:** Always allow the mat to air dry completely in a well-ventilated area after cleaning.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
Reduced Water Absorption	Accumulation of dirt or residue on the surface.	Gently polish the surface with the provided sandpaper until absorbency is restored. Rinse and air dry.
Mat Slides on Floor	Non-slip mat not used or improperly placed.	Ensure the rubber anti-slip mat is placed securely underneath the stone bath mat. Verify the floor surface is clean and dry.
Mat Breaks or Deforms	Placed on an uneven or loose surface; excessive force applied.	Always place the mat on a flat, stable, and even surface. Avoid dropping heavy objects on it or applying undue pressure.

6. SPECIFICATIONS
