IKIFLY HU9285-WH

IKIFLY HU9285-WH Twin Metal Loft Bed User Manual

Model: HU9285-WH | Brand: IKIFLY

1. Important Safety Information

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions may result in serious injury.

- **Guardrails:** The loft bed is equipped with 13.4-inch full-length high guardrails to enhance user safety. Ensure these are properly installed and maintained.
- **Mattress Recommendation:** The mattress is recommended to be at least 5 inches below the top edge of the guard rail. Recommended mattress thickness is 4-8 inches.
- **Anti-Tipping Device:** Securely fasten the bed to the wall using the provided anti-tipping nails to prevent accidental tipping.
- **Weight Capacity:** Do not exceed the maximum weight capacity of **400 lbs** for the bed. The desk has a capacity of **120 lbs**, and each shelf has a capacity of **60 lbs**.
- **Ladder Use:** Always use the integrated ladder to access the bed. Do not jump onto or off the bed.
- **Assembly:** Assemble the bed carefully following all instructions to ensure stability and safety.

2. Product Overview and Features

The IKIFLY Twin Metal Loft Bed is designed to maximize space with integrated features for study, storage, and comfort.

Figure 2.1: Overall view of the IKIFLY Twin Metal Loft Bed.

Key Features:

- **Integrated Desk:** A built-in study desk provides a dedicated workspace.
- **Smart RGB LED Lights:** Customizable lighting with various modes and control options.
- **Practical Charging Station:** Convenient power outlets and USB ports for electronic devices.
- **Multifunctional Storage:** Includes shelves, a large fabric basket, and a clothes rail.
- **Sturdy Metal Construction:** Durable frame with 12 strong metal slats for stability.
- **Safety Features:** 13.4-inch guardrails and anti-toppling device.

3. Assembly Instructions

The IKIFLY Twin Metal Loft Bed is designed for easy assembly. A detailed assembly instruction manual and all necessary tools are included with your purchase. Please follow the step-by-step guide provided in the separate assembly manual for proper installation.

Figure 3.1: Illustration of easy assembly features and anti-toppling device.

Ensure all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

4. Operating Instructions

4.1 Smart RGB LED Lights

The integrated RGB LED lights can be controlled via the included remote control or a dedicated mobile application. These lights offer over 60,000 DIY color options, mic mode, music mode, and a timing function.

Figure 4.1: RGB LED lights features and control options.

Refer to the LED light specific instructions for detailed pairing and operation of the remote and app.

4.2 Practical Charging Station

The built-in charging station on the desk provides convenient power access for your devices.

Figure 4.2: Close-up of the charging station.

- **AC Outlets:** 2 x 125V/12A outlets for standard electronics.
- **USB-A Port:** 1 x 5V/2.1A USB port for charging compatible devices.
- **USB-C Port:** 1 x 5V/2.1A Type-C port for charging compatible devices.

Plug the charging station's power cord into a standard wall outlet. Use appropriate charging cables for your devices.

5. Care and Maintenance

- **Cleaning:** For general cleaning, wipe the metal frame and desk surfaces with a soft, damp cloth. Avoid abrasive cleaners.
- **Fabric Basket:** The fabric basket should be dry cleaned only.
- **Hardware:** Periodically check all bolts and screws to ensure they are tight. Retighten as necessary to maintain stability.
- **LED Lights:** If LED lights malfunction, refer to the specific LED light manual or contact customer support.

6. Troubleshooting

This section addresses common issues you might encounter with your IKIFLY Twin Metal Loft Bed.

- **Bed Instability:** Ensure all bolts and screws are securely tightened. Verify that the anti-toppling device is correctly installed and anchored to the wall.
- **LED Lights Not Working:** Check the power connection to the LED strip. Ensure the remote control batteries are functional or the mobile app is correctly paired.
- **Charging Station Not Functioning:** Confirm the charging station's power cord is fully plugged into a live wall outlet. Test with different devices and cables.
- **Noise:** If the bed makes noise, check all connections and tighten any loose hardware. The foot pads are designed to prevent unwanted sliding and noise.

For issues not listed here or if troubleshooting steps do not resolve the problem, please contact customer support.

7. Specifications

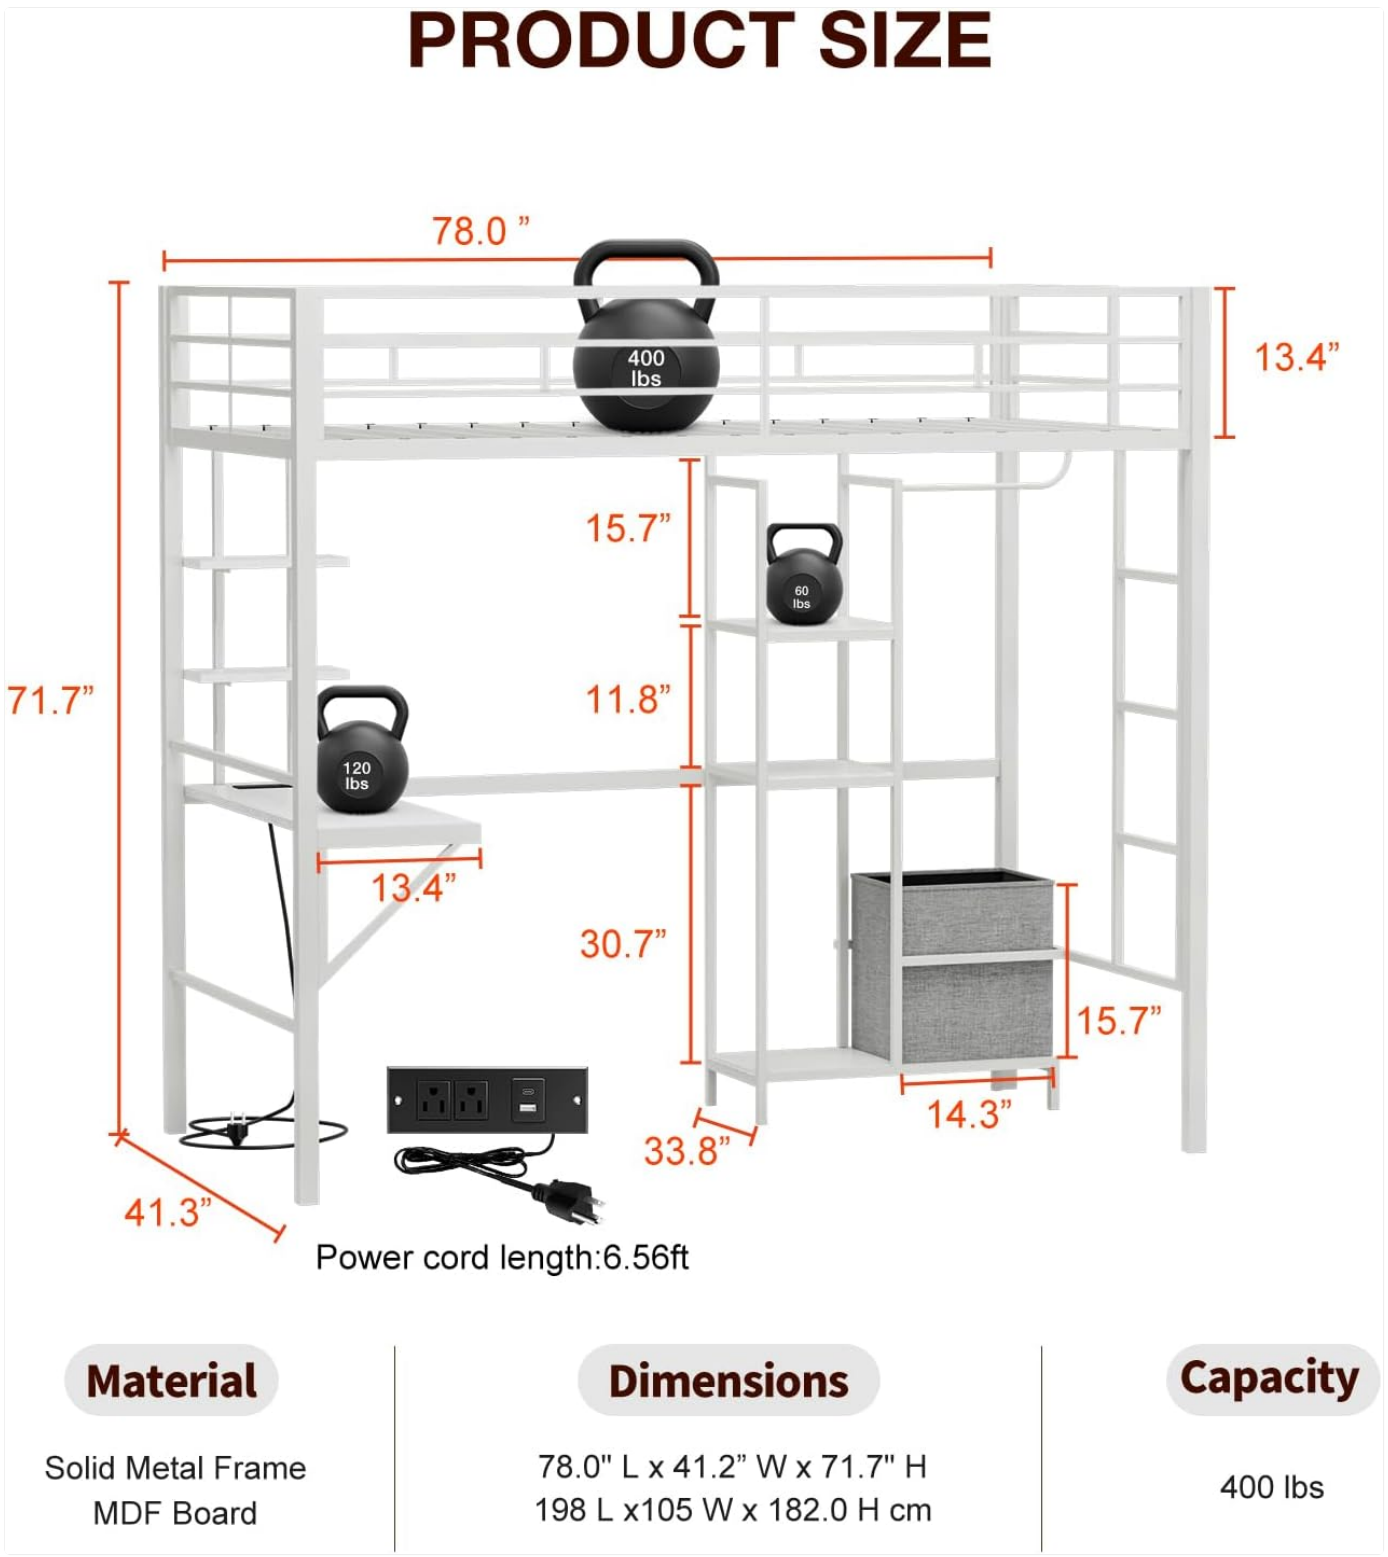

Figure 7.1: Product dimensions and weight capacities.

Attribute	Detail
Model Number	HU9285-WH
Size	Twin
