HOMCOM Industrial Folding Dining Table (Model 83A-150V80RB) Instruction Manual

Model: 83A-150V80RB

1. INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your HOMCOM Industrial Folding Dining Table, Model 83A-150V80RB. Designed for versatility and space-saving, this drop-leaf table can adapt to various needs, from a compact two-person dining surface to an expanded table for four.

2. SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Keep all packaging materials, small parts, and tools away from children during assembly.
- Ensure all screws and fasteners are securely tightened before using the table. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of 132 lbs (60 kg).
- Use the table on a flat, stable surface to prevent tipping.
- Avoid standing or sitting on the table.
- Exercise caution when folding or unfolding the drop leaves to prevent pinching.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. Refer to the included Assembly Guide for a detailed list of parts and hardware.

- Tabletop (main section and drop leaves)
- Metal frame components
- Folding mechanisms
- Assembly hardware (screws, bolts, etc.)

4. ASSEMBLY INSTRUCTIONS

Assembly of the HOMCOM Industrial Folding Dining Table is required. Please follow the step-by-step instructions provided in the dedicated Assembly Guide included in your package. Ensure you have adequate space and the necessary tools (usually a screwdriver or Allen wrench, often provided).

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts and hardware by comparing them with the parts list in the Assembly Guide.
3. Attach the metal frame components to the tabletop as directed.
4. Install the drop-leaf folding mechanisms according to the diagrams.
5. Secure all fasteners firmly, but do not overtighten until all parts are aligned.
6. Once assembled, ensure the table is stable and all moving parts operate smoothly.

Figure 4.1: Dimensional diagram illustrating the table's versatility. It shows the measurements for the table when fully folded, partially expanded (one leaf up), and fully expanded (both leaves up), along with its maximum weight capacity of 132 lbs.

Figure 4.2: A detailed view of the table's sturdy black metal frame, highlighting its durable construction and the adjustable foot pads designed for stability on uneven surfaces.

Figure 4.3: This image focuses on the hinged mechanism that allows the table's side leaves to be easily folded up or down, facilitating quick transitions between different table sizes.

5. OPERATING INSTRUCTIONS

The HOMCOM Industrial Folding Dining Table features a convenient drop-leaf design, allowing you to adjust its size to suit your needs.

5.1. Expanding the Table

1. To expand a drop leaf, gently lift the leaf upwards until it is level with the main tabletop.
2. Locate the support arm or mechanism underneath the leaf. Extend it outwards to support the leaf.
3. Ensure the support arm is fully locked into place to provide stability.
4. Repeat for the other leaf if full expansion is desired.

5.2. Folding the Table

1. To fold a drop leaf, first release the support arm mechanism.
2. Gently push the support arm inwards.
3. Carefully lower the drop leaf downwards until it hangs vertically alongside the main tabletop.
4. Ensure the leaf is fully folded and secured to prevent accidental opening.

Figure 5.1: The HOMCOM Industrial Folding Dining Table in its compact configuration, ideal for smaller spaces. One side leaf is folded down, showcasing its space-saving design.

Figure 5.2: This image displays the HOMCOM dining table fully extended, providing seating for up to four individuals. The rustic brown tabletop and black metal frame complement a modern industrial aesthetic.

Figure 5.3: The table configured for a single user or as a workspace, demonstrating its adaptability for various functions in limited space environments.

Video 5.1: This video provides a visual demonstration of how to easily fold and unfold the leaves of the HOMCOM dining table, showcasing its space-saving capabilities and transition between different configurations.

6. MAINTENANCE

To ensure the longevity and appearance of your HOMCOM dining table, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the table surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the melamine-treated MDF top.
- **Spills:** Promptly clean up any spills to prevent staining, especially on the rustic brown finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Protection:** Use placemats or coasters to protect the tabletop from heat, moisture, and scratches.

7. TROUBLESHOOTING

If you encounter any issues with your HOMCOM Industrial Folding Dining Table, consider the following common solutions:

- **Table Wobbles:** Ensure the table is on a level surface. Check that all assembly screws are securely tightened. The table features adjustable foot pads; adjust them to stabilize the table on uneven floors.
- **Drop Leaf Not Folding/Expanding Smoothly:** Inspect the folding mechanisms for any obstructions or loose connections. Ensure the support arms are properly engaged or disengaged.
- **Missing Parts:** If any parts were missing upon delivery, refer to the Assembly Guide and contact customer support with the specific part numbers.

For issues not resolved by the above steps, please contact HOMCOM customer support.

8. SPECIFICATIONS

Feature	Specification
Brand	HOMCOM
Model Number	83A-150V80RB
Product Dimensions (Fully Expanded)	47.2" W x 31.1" D x 31.1" H
Product Dimensions (Fully Folded)	33.9" W x 31.1" D x 31.1" H
Maximum Weight Recommendation	132 Pounds (60 kg)
Color	Rustic Brown (Top), Black (Base)
Top Material Type	Engineered Wood (Melamine Coated)
Frame Material Type	Metal
Seating Capacity	2 (unextended), 4 (extended)
Item Weight	36.4 Pounds (16.5 kg)
Table Extension Mechanism	Hinged Leaf
Is Foldable	Yes (drop leaves)
