BABELIO BEBAC03

BABELIO 59-inch Wide Swing Down & Adjustable Height Toddler Bed Rail

Model: BEBAC03

Brand: BABELIO

1. INTRODUCTION

The BABELIO Toddler Bed Rail is designed to provide a safe and secure sleeping environment for toddlers, children, and even adults. Featuring a robust metal frame and a wide U-shaped base, it offers excellent stability to prevent tipping. This bed rail is height-adjustable to accommodate various mattress thicknesses and includes a convenient swing-down design for easy access. The high-quality, breathable fabric cover is removable and machine-washable for effortless maintenance. Reinforced straps and fixing screws ensure a secure installation, giving you peace of mind.

2. SAFETY INFORMATION

- Always ensure the bed rail is securely installed according to the instructions before use.
- Do not use the bed rail with infants. It is intended for toddlers and children who can get in and out of bed unassisted.
- Ensure there are no gaps between the bed rail and the mattress or bed frame that could pose an entrapment hazard.
- Regularly check all components for wear and tear. Discontinue use if any parts are damaged.
- Keep small parts away from children during assembly.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Metal Frame Components

- Fabric Mesh Cover
- Reinforcement Straps
- Fixing Screws
- Instruction Manual

4. SETUP AND ASSEMBLY

Follow these steps to assemble and install your BABELIO Bed Rail:

1. Connect the metal frame components by aligning the push-pin style connectors and snapping them into place.
2. Slide the assembled metal frame into the fabric mesh cover, ensuring all edges are properly aligned.
3. Position the bed rail on the side of the bed, ensuring the U-shaped base is underneath the mattress.
4. Adjust the height of the bed rail to match your mattress thickness. The rail offers 16 speed height adjustments (20-25 inches high) suitable for various bed types including box beds, wooden boards, flat beds, and rib beds.
5. Secure the bed rail using the provided reinforcement system:
 - Screw the bed plate in place for added stability.
 - Tie the reinforcement straps to the guardrail base.
 - Attach the baffle to the bed's opposite side to ensure the rail is flush against the mattress, leaving no gaps.

5. OPERATING INSTRUCTIONS

The BABELIO Bed Rail is designed for ease of use:

- **Swing-Down Feature:** To lower the bed rail, locate the release buttons on both sides of the rail. Press these buttons simultaneously and gently push the rail downwards. This allows for easy access to the bed.
- **Height Adjustment:** To adjust the height, locate the adjustment mechanisms on the vertical supports. Press the release buttons and slide the rail up or down to the desired height. Ensure both sides are

adjusted evenly and click securely into place.

6. MAINTENANCE

To keep your bed rail clean and hygienic:

- The fabric cover is removable and machine-washable. Unzip or detach the cover from the metal frame.
- Wash the fabric cover on a gentle cycle with mild detergent. Air dry or tumble dry on low heat.
- Wipe down the metal frame with a damp cloth and mild soap as needed. Ensure it is completely dry before reattaching the fabric cover.

7. TROUBLESHOOTING

- **Rail feels unstable:** Ensure all frame components are fully clicked into place. Double-check that the reinforcement straps are tightly secured and the bed plate is screwed in (if applicable). Verify the baffle is flush against the opposite side of the bed.
- **Difficulty folding down:** Ensure both release buttons are pressed simultaneously and fully. Check for any obstructions preventing the rail from lowering smoothly.
- **Gaps between rail and mattress:** Re-adjust the height of the bed rail to ensure it sits snugly against the mattress. Confirm the reinforcement system is correctly installed to eliminate gaps.
