chartustriable SQL-666

chartustriable 68" Tall Farmhouse Corner Cabinet Instruction Manual

Model: SQL-666

1. PRODUCT OVERVIEW

The chartustriable 68-inch Tall Farmhouse Corner Cabinet is designed to maximize storage in corner spaces. Featuring a rustic white finish, barn door aesthetics, and premium metal hardware, this cabinet offers both functionality and style. It includes four doors and five adjustable shelves, making it suitable for various rooms such as bathrooms, kitchens, living rooms, and dining rooms.

This image displays the fully assembled corner cabinet, showcasing its rustic white finish and barn door design, integrated into a modern kitchen environment.

2. SAFETY INFORMATION

Important: Always follow the assembly instructions carefully. Securely mount the cabinet to the wall using the provided anti-tip device to prevent tipping. Use appropriate safety gear when assembling the cabinet. Ensure all connections are tight before use. Do not overload shelves beyond their recommended weight capacity.

4 Barn Door Corner Cabinets

This composite image illustrates key features: the anti-tip device for safety, the adjustable shelf mechanism, the design of the convenient metal handles, and the decorative metal accents on the barn doors.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present and undamaged. Each accessory and part is marked with a number for easy identification. If any parts are missing or damaged, please contact customer support.

Included Components:

- Cabinet Panels (various sizes)
- Adjustable Shelves (5 total)
- Barn Doors (4 total)
- Metal Handles
- Metal Decorative Corners and Hinges

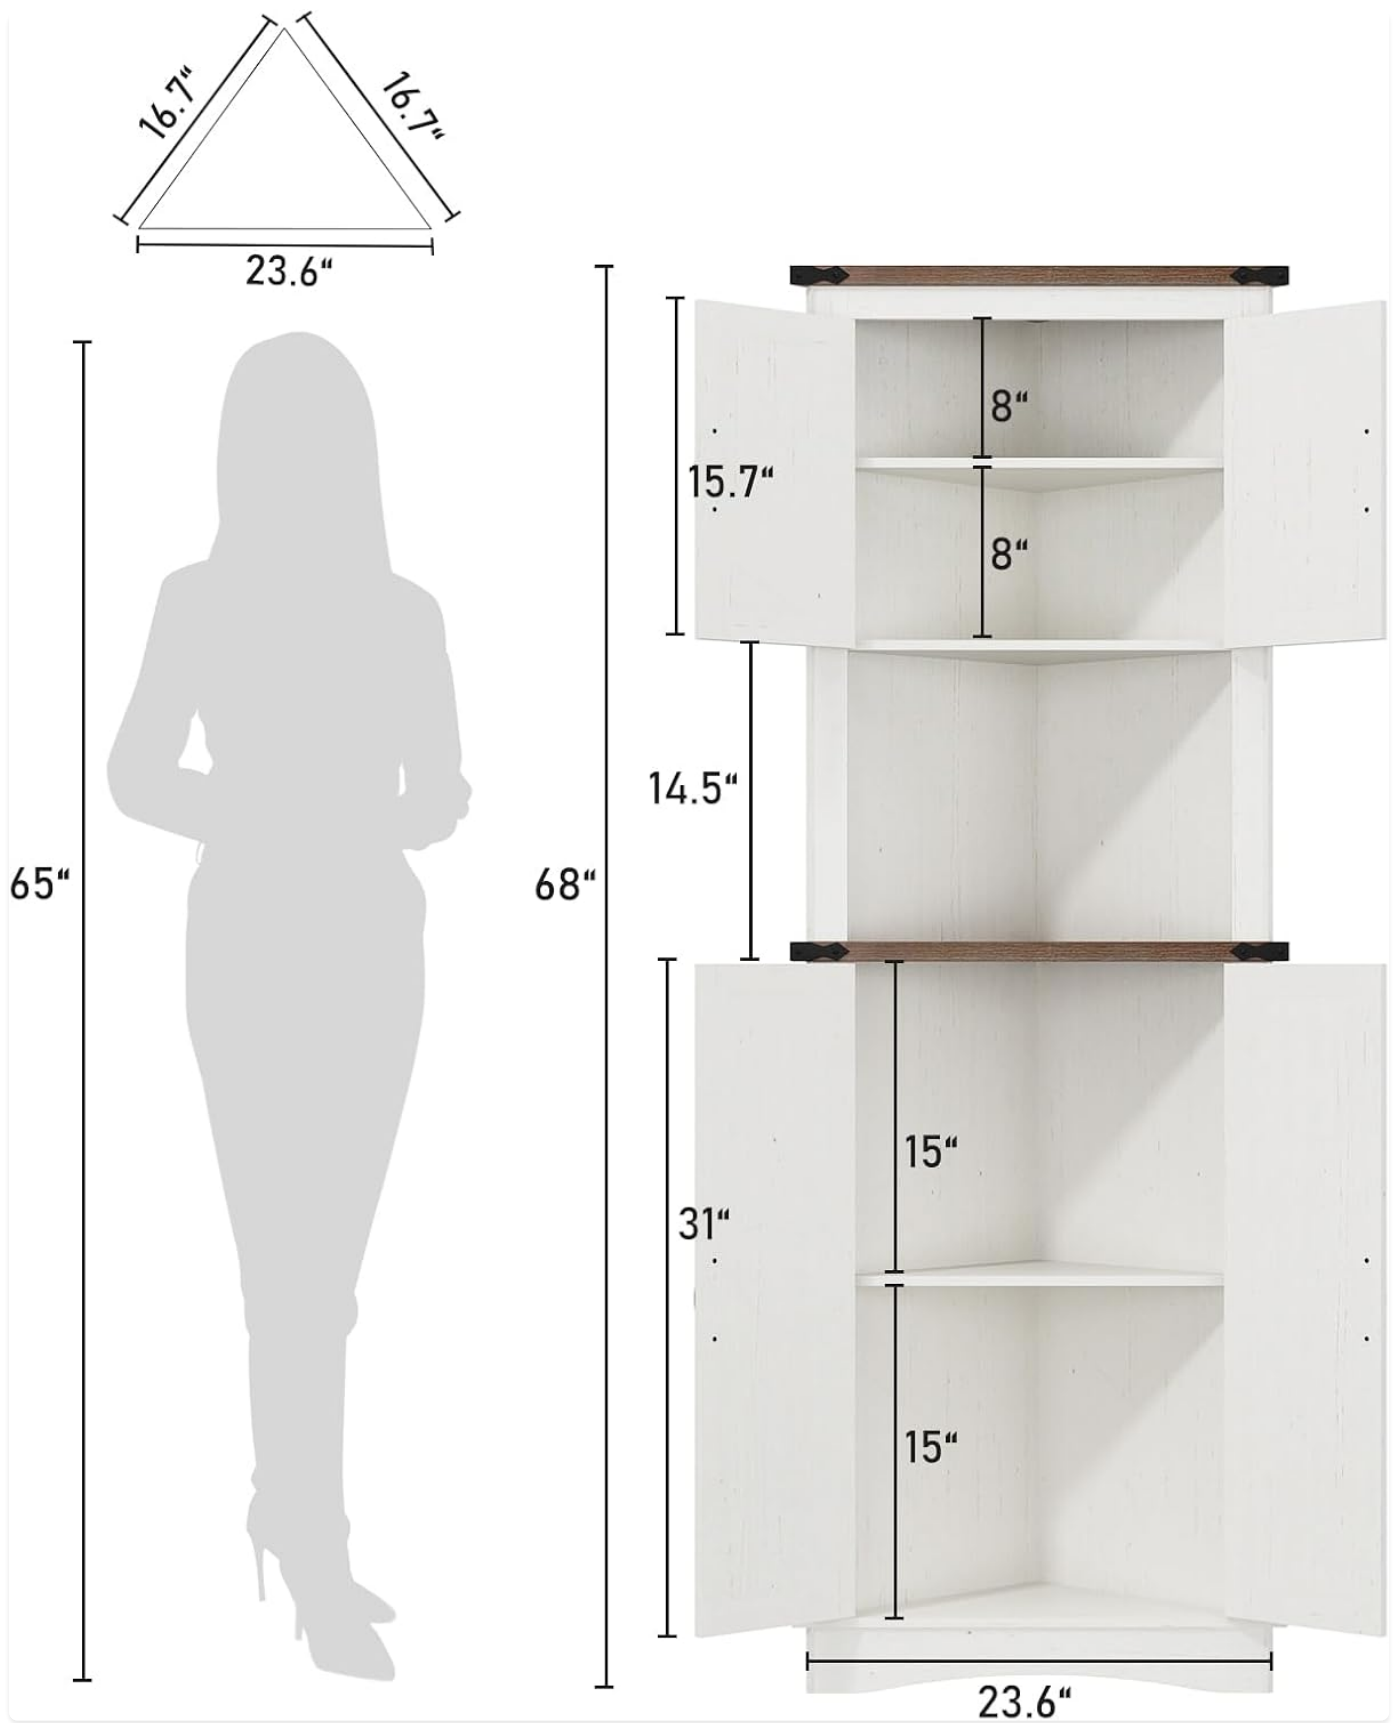

- Assembly Hardware (screws, dowels, cam locks, etc.)
- Anti-Tip Device Kit
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow the included instructions manual carefully. It is recommended to lay out all parts on a soft, clean surface to prevent scratches and to easily identify each component by its number mark.

General Assembly Steps:

1. **Identify Parts:** Match all components with the parts list in the manual.
2. **Assemble Base:** Connect the bottom panels and side supports to form the cabinet's base.
3. **Attach Side Panels:** Secure the main side panels to the base.
4. **Install Fixed Shelves:** Insert any fixed shelves as indicated in the manual.
5. **Install Adjustable Shelf Supports:** Place the pins for the adjustable shelves at your desired height.
6. **Assemble Top Section:** Connect the upper panels and top piece.
7. **Attach Doors:** Mount the barn doors using the provided hinges and attach the metal handles.
8. **Install Anti-Tip Device:** Securely attach the anti-tip device to the cabinet and to a wall stud to prevent accidental tipping.

This diagram provides detailed measurements of the cabinet's height, width, and depth, along with internal shelf dimensions and the triangular footprint, essential for assembly and placement.

5. OPERATING INSTRUCTIONS

The chartustriable corner cabinet is designed for versatile storage. The adjustable shelves allow you to customize the internal space to fit items of various sizes. Simply remove the shelf pins, reposition them to a different height, and reinsert the shelf.

Multi-Shelves Adjustable

This image highlights the adjustable shelf feature, demonstrating how shelves can be repositioned to accommodate items of various heights, enhancing storage flexibility.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Anti-Tip Device:** Regularly inspect the anti-tip device to ensure it is securely fastened to both the cabinet and the wall.

7. TROUBLESHOOTING

Common Issues:

- **Cabinet Wobbles:** Ensure the anti-tip device is properly installed and secured to a wall stud. Check that all assembly screws are tightened. If the floor is uneven, consider using furniture levelers.
- **Doors Do Not Align:** Verify that the hinges are correctly installed and adjusted. Sometimes minor adjustments to hinge screws can correct door alignment.
- **Shelves Do Not Fit:** Double-check that you are using the correct shelf for the designated section and that all internal support pins are fully inserted and aligned. Refer to the assembly manual for specific shelf placement.
- **Missing Parts:** If any parts are missing upon unboxing, do not proceed with assembly. Contact chartustriable customer support immediately for assistance.

8. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	chartustriable
Model Name	SQL-666
Color	Rustic White
Product Dimensions	16.7"D x 23.6"W x 68"H
Item Weight	60 Pounds
Material	Engineered Wood
Number of Shelves	5 (Adjustable)
Mounting Type	Wall Mount (with anti-tip device)
