## Spatial Order K8760-B320-V

# Arch Channel Bench Instruction Manual

Brand: Spatial Order | Model: K8760-B320-V

## PRODUCT OVERVIEW

The Spatial Order Arch Channel Bench is a striking piece designed to add architectural interest and plush texture to any space. Upholstered in luxurious rust orange velvet, it features a gracefully curved arch-shaped seat and channel tufting. This versatile and stylish bench seamlessly fits into various living areas such as the living room, bedroom, or entryway, serving as additional seating or a decorative accent. Please note that fabric and wood colors may appear slightly different due to variations in lighting or screen settings.

## IMPORTANT SAFETY INFORMATION

### Caution:

- This bench has a maximum weight capacity of 250 pounds. Do not exceed this weight limit to prevent damage

or injury.

- The curved arch-shaped seat may pose a tipping hazard if not used properly. Ensure stable placement on a flat surface.
- To maintain the appearance of the bench, wipe with a dry cloth only.
- Avoid exposure to excessive sunlight or heat sources to prevent fading or damage to the fabric.

## INCLUDED COMPONENTS

---

Your Spatial Order Arch Channel Bench package includes the following:

- 1 x Decorative Bench (Main Unit)
- Assembly Hardware (if applicable, as assembly is required)
- Assembly Instructions (this manual)

## SETUP AND ASSEMBLY

---

Assembly is required for your Arch Channel Bench. Please follow these general steps. Refer to the specific assembly diagram included in your packaging for detailed instructions and hardware identification.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches. Verify all components listed in the packaging are present.
2. **Identify Parts:** Familiarize yourself with the different parts of the bench and the assembly hardware.
3. **Assemble Base (if separate):** If the bench comes with separate legs or a base, attach them securely to the main bench body using the provided hardware. Ensure all screws are tightened firmly but do not overtighten.
4. **Final Placement:** Once assembled, carefully lift and place the bench in its desired location. Ensure it is stable and level before use.

## OPERATING AND USAGE

---

The Arch Channel Bench is designed for versatile use in various home settings:

- **Entryway Bench:** Provides a convenient spot for sitting while putting on or taking off shoes.
- **Bedroom Bench:** Ideal for placement at the foot of a bed, offering a luxurious spot to sit and relax.
- **Living Room Accent:** Can be used as additional seating, a decorative accent, or even a comfortable footstool.
- **Lightweight and Portable:** Weighing only 24.2 pounds, this bench is easy to move and reposition as needed.

## CARE AND MAINTENANCE

---

Proper care will ensure the longevity and beauty of your Arch Channel Bench:

- **Cleaning:** Spot clean only. Use a dry cloth to wipe away dust and spills. Do not use liquid cleaners or abrasive materials.
- **Fabric Care:** The velvet fabric has a natural nap. Brushing the fabric in different directions can alter its appearance (darker against the nap, lighter with the natural nap).
- **Sunlight Exposure:** Avoid prolonged direct exposure to sunlight to prevent fading of the rust orange velvet.
- **Heat Sources:** Keep the bench away from direct heat sources like radiators or fireplaces.
- **Stability:** Periodically check and tighten any assembly hardware to ensure continued stability.

# VELVET FABRIC DIRECTION COMPARISON

**DARKER**  
Against The Nap

**LIGHTER**  
The Natural Nap

## TROUBLESHOOTING

---

If you encounter any issues with your Arch Channel Bench, please refer to the following common solutions:

- **Bench feels wobbly:** Ensure all assembly hardware is securely tightened. Check that the bench is placed on a flat, even surface.
- **Fabric appears discolored or faded:** This can be due to prolonged exposure to direct sunlight. Try repositioning the bench away from direct light. Note that velvet's appearance can change with the nap direction.
- **Scratches or marks on fabric:** For minor marks, gently brush the velvet nap in a consistent direction with a soft brush. For deeper scratches, professional cleaning may be required.
- **Missing parts during assembly:** Double-check all packaging materials. If parts are still missing, contact Spatial Order customer support.

## WARRANTY AND SUPPORT

---

For information regarding warranty coverage, product support, or to purchase replacement parts, please visit the official Spatial Order website or contact their customer service department. Keep your purchase receipt as proof of purchase for any warranty claims.
