Savey'Sley 72 Inch Ceiling Fan with Light

Savey'Sley 72 Inch Gold Wood Ceiling Fan with Light and Remote User Manual

Model: 72 Inch Ceiling Fan with Light

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before beginning installation. Failure to follow these instructions may result in electric shock, fire, or personal injury. This manual contains essential information for the safe installation, operation, and maintenance of your ceiling fan.

- Always disconnect power at the main circuit breaker before installation or servicing.
- All electrical connections must be in accordance with local codes, ordinances, or national electrical codes. If you are unfamiliar with electrical wiring, consult a qualified electrician.
- Ensure the installation site can support the fan's weight (approximately 18.51 pounds).
- Do not operate the fan with damaged blades or housing.
- Keep hands, hair, and clothing away from moving fan blades.
- This fan is damp-rated for indoor and covered outdoor use (patios, porches, gazebos). Do not expose to direct water spray.

2. PRODUCT COMPONENTS

Before installation, verify that all components are present and undamaged. The package includes:

- 5x Solid wood fan blades
- 3x Down rods (5", 10", 24")
- 1x DC motor assembly
- 1x Lampshade
- 1x Set of remote control and receiver & wall cradle
- 1x English user manual
- 1x Canopy
- 1x Pack of screws

Image 1: Overview of the Savey'Sley 72 Inch Gold Wood Ceiling Fan, showing the fan installed in a living room, along with the three included downrods and the remote control.

3. SETUP AND INSTALLATION

This ceiling fan is designed for easy installation, typically taking around 40 minutes. For detailed visual guidance, refer to the installation video (if available) and the included English user manual.

3.1 Mounting Options

The fan supports installation on both flat and sloped ceilings (up to 20° angle). Three downrod lengths (5", 10", 24") are provided to accommodate various ceiling heights and preferences.

Image 2: Diagram illustrating the 72-inch fan dimensions and the three available downrod lengths (5, 10, and 24 inches) for flat or angled ceiling installations.

3.2 Wiring and Assembly

Follow the step-by-step instructions in the included manual for wiring the DC motor and assembling the fan blades and lampshade. Ensure all connections are secure before restoring power.

Image 3: Visual representation highlighting the ease of installation, suggesting a 40-minute setup time and reduced electrician fees.

4. OPERATING INSTRUCTIONS

Your Savey'Sley ceiling fan is controlled by the included multi-function remote control, offering a range of features for optimal comfort.

4.1 Remote Control Functions

The remote allows you to adjust the following settings:

- **Fan Speed:** Select from 6 fan speeds to customize airflow.
- **Light Control:** Turn the LED light on/off, adjust brightness (10%-100%), and change color temperature (3000K Warm White, 4000K Natural White, 5000K Cool White).
- **Reversible Function:** Switch between summer mode (downward airflow for cooling) and winter mode (upward airflow for circulating warm air).
- **Timer:** Set the fan to automatically turn off after 1, 4, or 8 hours.
- **Breeze Mode:** Activates a natural breeze simulation.
- **Memory Function:** The fan recalls the last used settings after a power interruption.

Image 5: Visual explanation of the reversible function, showing downward airflow for summer cooling and upward airflow for winter heat circulation.

4.2 LED Light Operation

The integrated 24W LED light kit provides 2200 lumens of illumination. Use the remote to cycle through the three color temperatures (3000K, 4000K, 5000K) and adjust brightness from 10% to 100% to create your desired ambiance. The fan and light can be operated independently.

5. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is disconnected before cleaning.
- **Blade Inspection:** Periodically check the fan blades for any signs of damage or warping. Replace damaged blades immediately.
- **Tighten Screws:** Over time, some screws may loosen. Check and tighten all screws on the motor housing and blade attachments annually.
- **Dust Removal:** Dust accumulation on blades can reduce efficiency. Clean blades regularly.

6. TROUBLESHOOTING

If you experience issues with your ceiling fan, refer to the following common troubleshooting steps:

- **Fan Does Not Start:**
 - Check if the circuit breaker is on.
 - Ensure all wiring connections are secure.
 - Verify the remote control batteries are functional and correctly inserted.
- **Light Does Not Work:**
 - Check the light switch on the remote.
 - Ensure the LED light kit connections are secure.
- **Fan Wobbles:**
 - Ensure all blade screws are tightened.
 - Check that the downrod and mounting bracket are securely installed.
 - Verify blades are balanced.
- **Noisy Operation:**
 - Ensure all screws are tight.
 - Check for any obstructions near the blades.
 - The DC motor is designed for quiet operation (max 30dB). If noise persists, contact support.

If these steps do not resolve the issue, please contact customer support.

7. SPECIFICATIONS

Feature	Specification
Brand	Savey'Sley
Model Name	72 Inch Gold Ceiling Fan with Light and Remote
Size	72 Inch Ceiling Fan
Color	Walnut (Blades), Gold (Housing)
Material	Natural solid wood (blades), Metal (downrod), Pure copper DC motor, Acrylic (lampshade)
Indoor/Outdoor Usage	Indoor, Outdoor (Damp Rated)
Power Source	DC
Voltage	120 Volts
Control Method	Remote Control
Number of Blades	5
Light Source Type	LED
Brightness	2200 Lumens

Feature	Specification
Color Temperature	3000K, 4000K, 5000K (Dimmable 10%-100%)
Air Flow Capacity	Up to 8000 CFM (as per feature bullets, 6000 CFM in specs)
Sound Level	30 dB (max)
Special Features	1/4/8 H timer, 6 Speed, Reversible, Dimmable 3 Color Temperature, Damp Rated, Memory Function
Mounting Type	Flat/Sloped ceilings (<20°), 3 Downrods (5", 10", 24")
Item Weight	18.51 pounds (8.41 Kilograms)
Product Dimensions	72"L x 72"W x 28.8"H
Certifications	CE, ETL, FCC, RoHS, cETL

The image shows a modern living room with a large window and a ceiling fan. The fan has five dark wood blades and a gold-colored motor housing. The room is bright and airy, with a beige sofa and a glass display case in the background.
