

## HELETUL C-Shaped Earpiece

# HELETUL C-Shaped Earpiece for Motorola Mototbro Radios User Manual

Model: C-Shaped Earpiece

## 1. INTRODUCTION

---

This manual provides instructions for the proper use and maintenance of your HELETUL C-Shaped Earpiece. This accessory is designed to enhance communication clarity and comfort for users of compatible Motorola Mototbro two-way radios.

## 2. PRODUCT FEATURES

---

- **2.5mm Single L-Plug:** Designed for specific Motorola radio models.
- **High Audio Quality:** Ensures clear reception and transmission.
- **Durable Construction:** Sturdy pins with reinforced base for longevity.
- **C-Shape Earhook:** Provides a secure and comfortable fit for extended wear.
- **Integrated Microphone:** Allows for hands-free communication.

## 3. COMPATIBILITY

---

This earpiece is compatible with the following Motorola Mototbro radio models:

- Motorola Radios: SL1K, SL1M, SL7550, SL7580, SL300, SL500, SL3500E, SL8550, SL8050
- MOTOTBRO Radios: SL4000, SL4010
- TLK Series: TLK 100

Ensure your radio has a 2.5mm audio jack for proper connection.

## 4. PACKAGE CONTENTS

---

The package includes:

- 1 x HELETUL C-Shaped Walkie Talkie Headset

## 5. SETUP AND INSTALLATION

---

### 1. Connect the Earpiece:

Locate the 2.5mm audio jack on your compatible Motorola Mototbro radio. Insert the L-shaped plug of the earpiece firmly into the radio's audio jack until it clicks into place.

Image: The 2.5mm L-shaped audio plug for connecting to the radio.

### 2. Position the Earpiece:

Gently place the C-shaped earhook over your ear, ensuring the speaker rests comfortably against your

ear canal. Adjust for a snug fit.

### 3. **Secure the Microphone:**

The earpiece features an inline microphone with a clip. Attach the clip to your collar or clothing at a comfortable distance from your mouth for optimal voice pickup.

## 6. OPERATING INSTRUCTIONS

---

### 1. Receiving Audio:

Once connected, audio from your radio will be directed through the earpiece. Adjust the volume on your radio for a comfortable listening level.

### 2. Transmitting Audio:

To transmit, press and hold the Push-To-Talk (PTT) button on your radio (or the inline PTT button if your radio supports it and the earpiece has one, though this model primarily uses the radio's PTT). Speak clearly into the microphone. Release the PTT button to stop transmitting.

For detailed operation of your specific radio model, please refer to your radio's user manual.

## 7. MAINTENANCE

---

- **Cleaning:** Wipe the earpiece and cable with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the earpiece in a clean, dry place away from direct sunlight and extreme temperatures when not in use. Avoid tangling the cable.

- **Handling:** Do not pull on the cable to disconnect the earpiece from the radio. Always grasp the plug directly.

## 8. TROUBLESHOOTING

---

- **No Sound from Earpiece:**
  - Ensure the 2.5mm plug is fully inserted into the radio's audio jack.
  - Check the radio's volume level.
  - Test the earpiece with another compatible radio if available.
- **Distorted or Low Sound:**
  - Adjust the radio's volume.
  - Ensure the earpiece speaker is positioned correctly against your ear.
  - Check for any damage to the cable or plug.
- **Microphone Not Transmitting:**
  - Ensure the microphone is positioned correctly and not obstructed.
  - Confirm you are pressing the PTT button on your radio when speaking.
  - Check the radio's settings for external microphone usage.
