2. PRODUCT FEATURES

- **RFID Blocking Technology:** Equipped with advanced RFID blocking material to safeguard your credit cards and personal information from unauthorized scans and digital theft.
- **Slim and Minimalist Design:** Engineered for a compact profile, reducing bulk in your pocket while maintaining functionality.
- **Integrated Money Clip:** A secure, removable money clip is included to hold cash and receipts efficiently.
- **Durable Aluminum Construction:** Crafted from high-quality aluminum for long-lasting durability and resistance to wear and tear.
- **High Capacity:** Capable of holding up to 15-20 credit cards and multiple bills, despite its slim form factor.

THE TOUGHEST SLIM AND SAFE

3. WHAT'S IN THE BOX

Your Mantra Slim Metal Minimalist Wallet package includes:

- 1 x Mantra RFID Blocking Wallet
- 1 x Integrated Money Clip Holder

4. SETUP AND USAGE

4.1 Inserting Cards

To insert your credit cards, identification cards, or other similar-sized cards:

1. Locate the card slot opening on the side of the wallet.
2. Gently slide your cards into the slot. The wallet is designed to securely hold multiple cards.

3. To access cards, push the cards out from the opposite side using your thumb or finger.

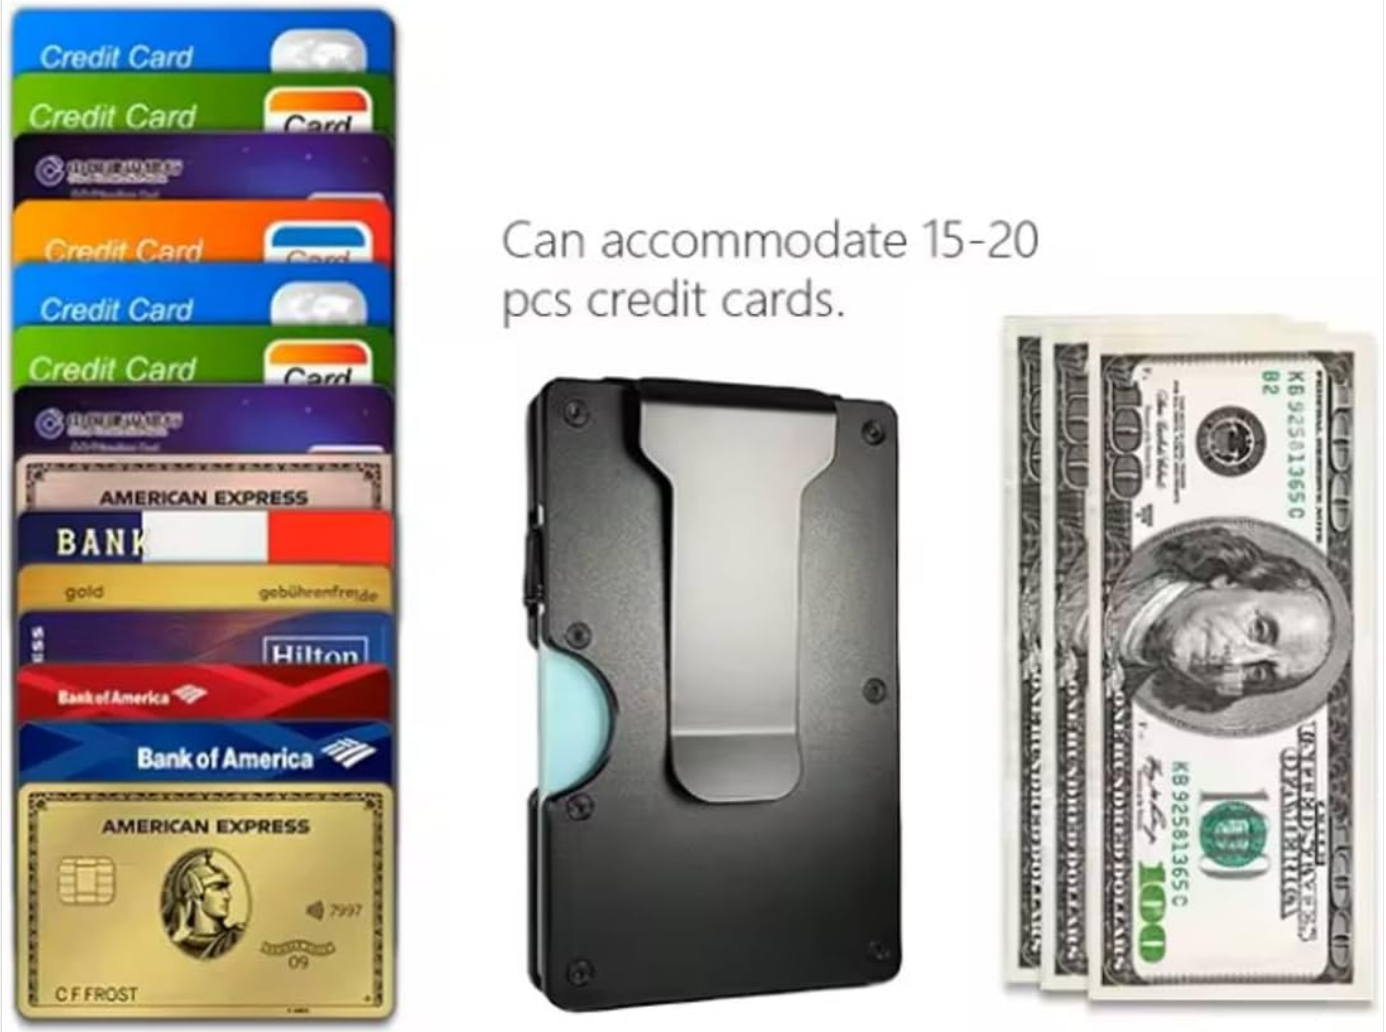

Image 4.1: Illustration of the easy card access mechanism, showing how to push cards out for retrieval.

4.2 Using the Money Clip

The integrated money clip allows for secure storage of cash and receipts:

1. Fold your bills neatly.
2. Slide the folded bills under the metal clip on the back of the wallet.
3. Ensure the bills are securely held by the clip to prevent them from falling out.

Small Size Large Capacity

Can accommodate 15-20 pcs credit cards.

5. CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your Mantra wallet:

- **Cleaning:** Wipe the aluminum surface with a soft, dry cloth to remove dust or fingerprints. Avoid abrasive cleaners or harsh chemicals.
- **Storage:** Store the wallet in a dry place away from extreme temperatures or direct sunlight when not in use.
- **Avoid Overstuffing:** While the wallet has a generous capacity, avoid forcing too many cards or bills into it, as this may strain the material or mechanism over time.
- **Protect from Scratches:** Although durable, aluminum can scratch. Avoid placing the wallet with sharp objects that could mar its surface.

READY FOR THE GREAT OUTDOORS

Durable, Scratch-resistant, Long-lasting

Image 5.1: The Mantra wallet shown in an outdoor setting, emphasizing its durable and scratch-resistant qualities.

6. TROUBLESHOOTING

If you encounter any issues with your Mantra wallet, consider the following common solutions:

Problem	Possible Cause	Solution
Cards are difficult to insert or remove.	Wallet is overstuffed, or newness of material.	Remove some cards to reduce bulk. With regular use, the card mechanism will become smoother.
Money clip does not hold bills securely.	Bills are not folded properly or too few bills.	Ensure bills are folded tightly and placed firmly under the clip. The clip is designed for a certain thickness of bills.

Problem	Possible Cause	Solution
Concerns about RFID blocking effectiveness.	Misunderstanding of RFID technology or specific card types.	The wallet's aluminum construction inherently provides RFID blocking for standard 13.56 MHz RFID signals (used by most credit cards). Ensure cards are fully enclosed within the wallet.

7. SPECIFICATIONS

Attribute	Detail
Product Dimensions	3.4 x 0.25 x 2.15 inches (8.64 x 0.64 x 5.46 cm)
Item Weight	2.47 ounces (70 grams)
Material	Aluminum
Color	Black
Model Number	MW24127779
RFID Blocking	Yes
Money Clip	Integrated, Removable
