4. ASSEMBLY INSTRUCTIONS

Assembly of the WLIVE LED Nightstand is designed to be straightforward. All necessary components and tools are included, and each part is clearly labeled. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them with the parts list to ensure everything is present.
2. **Assemble the Frame:** Attach the steel frame components according to the diagrams provided in the included assembly guide. Ensure all screws are finger-tightened initially.
3. **Install Shelves:** Secure the top, middle (with charging station), and bottom shelves to the assembled frame. Pay close attention to the orientation of the middle shelf to ensure the charging station faces the desired direction.
4. **Insert Fabric Drawer:** Assemble the fabric drawer and slide it into its designated slot. The drawer can be placed in the middle or bottom section based on your preference.
5. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the frame.
6. **Final Tightening:** Once all parts are in place, systematically tighten all screws using the provided tools. Do not overtighten.

5. SETUP

5.1 LED Light Setup

The LED light strip enhances the ambiance of your room. To control the LED lights, you need to download the **iStrip+** APP.

1. **Download App:** Open the App Store (iOS) or Google Play (Android) on your smartphone.
2. **Search:** Search for "iStrip+".
3. **Install:** Download and install the application.
4. **Connect:** Follow the in-app instructions to connect your phone to the LED light strip via Bluetooth.

5.2 Charging Station Setup

The integrated charging station provides convenient power access for your devices.

1. **Power Connection:** Plug the nightstand's power cord into a standard 120V AC wall outlet.
2. **Cable Management:** Utilize the design of the nightstand to manage cables neatly, preventing spills and ensuring safety.

Image 5.2: The charging station includes 2 AC outlets (125V/12A) and 3 USB ports (5V/2.1A) for convenient device charging.

6. OPERATING INSTRUCTIONS

6.1 LED Light Operation

Once the "iStrip+" app is installed and connected, you can control the LED lights:

- **Color Selection:** Choose from over 6000 color levels to match your mood or room decor.
- **Brightness Adjustment:** Adjust the brightness to create a soothing or vibrant atmosphere.
- **Music Sync:** Utilize the built-in microphone feature for music synchronization, allowing the lights to change with audio.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.
- **Key Control:** Use the physical switch on the nightstand to turn the lights on or off.

6.2 Charging Station Operation

The charging station is ready for use once plugged into a power outlet.

- **AC Outlets:** Plug in devices requiring standard AC power (e.g., lamps, laptops).
- **USB Ports:** Connect USB charging cables for smartphones, tablets, smartwatches, and other USB-powered devices.

6.3 Storage Utilization

The nightstand offers versatile storage options:

- **Spacious Tabletop:** Ideal for lamps, alarm clocks, and other frequently used items.
- **Fabric Drawer:** Provides concealed storage for personal items, maintaining privacy and reducing clutter.
- **Open Shelves:** Perfect for displaying books, decorative items, or storing items that need to be easily accessible.
- **Adjustable Shelves:** Customize the height of the open shelves to accommodate items of various sizes.

7. MAINTENANCE

To ensure the longevity and appearance of your WLIVE LED Nightstand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** The tabletop is waterproof. In case of spills, wipe them immediately with a dry cloth to prevent water damage to the wood.
- **Stability:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Adjustable Feet:** Ensure the adjustable feet are properly set to maintain stability and protect your floors from scratches.

8. TROUBLESHOOTING

If you encounter any issues with your WLIVE LED Nightstand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights not turning on or responding.	App not connected; power issue; light strip malfunction.	Ensure the "iStrip+" app is correctly connected via Bluetooth. Check if the nightstand is plugged into a working outlet. Verify the physical switch is in the ON position. If issues persist, contact customer support.
Charging station not providing power.	Nightstand not plugged in; outlet issue; device cable issue.	Confirm the nightstand's power cord is securely plugged into a live wall outlet. Test the outlet with another device. Try a different charging cable for your device.
Nightstand feels wobbly or unstable.	Uneven floor; loose screws.	Adjust the leveling feet at the bottom of the nightstand to compensate for uneven surfaces. Check and tighten all assembly screws.
Fabric drawer not sliding smoothly.	Obstruction; incorrect placement.	Ensure there are no items obstructing the drawer's path. Verify the drawer is inserted correctly into its slot.
