Key Features:

- **LED Lighting:** Customizable colorful LED light strip controllable via a phone app and key control, with adjustable brightness for a soothing ambiance.
- **Integrated Charging Station:** Equipped with 3 USB ports and 2 AC outlets for convenient charging of multiple devices.
- **Spacious Storage:** Features one fabric drawer for private storage and open shelves for displaying items.
- **Adjustable Shelves:** Two open shelves can be customized to fit various items.
- **Durable Construction:** Built with a strong steel frame and a waterproof top, supporting up to 55 lbs.
- **Floor Protection:** Adjustable feet ensure stability on uneven floors and protect surfaces.

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Do not exceed the maximum weight capacity of 55 lbs (25 kg).
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Keep electrical components (charging station, LED lights) away from water and excessive moisture.
- Do not attempt to modify the electrical components or wiring.
- Place the nightstand on a flat, stable surface to prevent tipping.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Use only a dry cloth for cleaning the electrical components.

SETUP AND ASSEMBLY

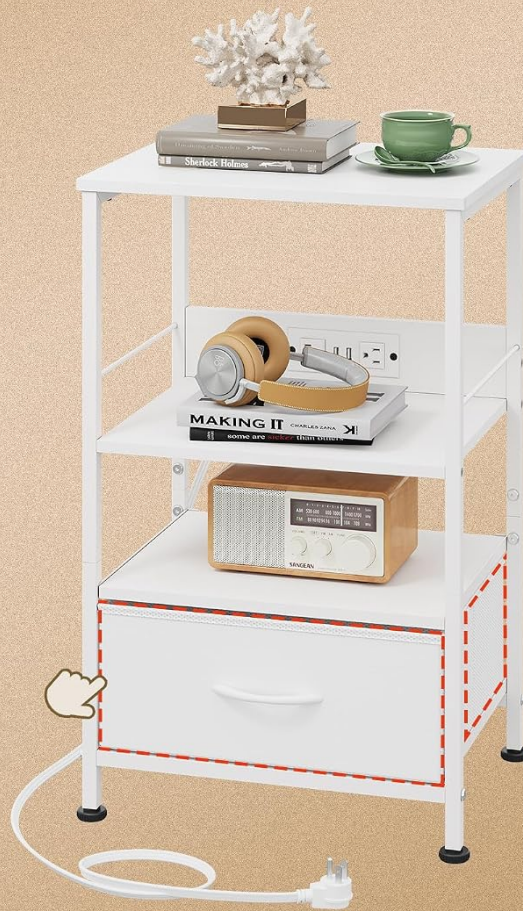

Assembly is designed to be straightforward. All necessary components and tools are included, and each part is clearly labeled. Please follow these steps carefully for a hassle-free setup.

- Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the "Package Contents" list to ensure all parts are present.
- Assemble the Frame:** Connect the steel frame components according to the provided diagrams in the included assembly instructions. Ensure all connections are firm but do not overtighten screws initially.
- Install Shelves:** Insert the adjustable shelves into the desired positions within the frame. The design allows for flexibility in shelf placement.
- Integrate Charging Station and LED:**Secure the charging station unit into its designated slot. Connect the LED light strip if it's not pre-installed, ensuring it adheres properly to the underside of the top panel or shelf.
- Assemble Fabric Drawer:** Unfold the fabric drawer and insert the bottom panel to give it shape. Place the assembled drawer into its designated slot.
- Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the nightstand legs. These can be adjusted later to level the table on uneven surfaces.
- Final Tightening:** Once all components are in place, carefully tighten all screws and fasteners to ensure the nightstand is stable and secure.

OPERATING INSTRUCTIONS

Using the Charging Station:

The integrated charging station provides convenient power access for your electronic devices.

- Plug the nightstand's main power cord into a standard wall outlet.
- Use the **2 AC outlets (125V/12A)** for larger electronics like lamps or laptops.
- Use the **3 USB ports (5V/2.1A)** to charge smartphones, tablets, smartwatches, and other USB-powered devices.
- The built-in design helps keep your tabletop clear and organized.

Controlling the LED Lights:

1. **Download the App:** To control the LED lights, download the "iStrip+" APP from the App Store (iOS) or Google Play (Android).
2. **Connect via Bluetooth:** Once installed, open the "iStrip+" app and follow the on-screen instructions to connect to your nightstand's LED lights via Bluetooth.
3. **App Control Features:**

- **Color Levels:** Choose from 238 color levels to set the perfect ambiance.
- **Music Sync:** Sync the lights to your music using the built-in microphone.
- **Timing Function:** Set schedules for the lights to turn on/off automatically.
- **Brightness Adjustment:** Easily adjust the brightness to your preference.

4. **Key Control:** A physical switch is also available on the nightstand for basic on/off control of the LED lights.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your WLIVE Nightstand.

- **Cleaning the Surface:** Wipe the engineered wood surfaces with a dry cloth. For spills, immediately wipe with a slightly damp cloth and then dry thoroughly. The top surface is waterproof, making cleaning easy.
- **Fabric Drawer Care:** The fabric drawer can be spot cleaned with a mild detergent and damp cloth. Allow to air dry completely before reinserting. Do not machine wash.

- **Electrical Components:** Always unplug the nightstand before cleaning the charging station or LED lights. Use a dry, soft cloth to wipe these components. Do not use liquid cleaners directly on electrical parts.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Adjustable Feet:** Ensure the adjustable feet are properly set to keep the nightstand level and prevent wobbling.

TROUBLESHOOTING

If you encounter any issues with your WLIVE Nightstand, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Nightstand is wobbly/unstable.	Uneven floor or loose connections.	Adjust the leveling feet at the bottom of the legs until stable. Check and tighten all assembly screws.
Charging station not working.	Not plugged in, power outlet issue, or overloaded.	Ensure the nightstand's power cord is securely plugged into a working wall outlet. Test the outlet with another device. Avoid overloading the outlets.
LED lights not turning on or responding to app.	Not powered, app not connected, or app not downloaded.	Ensure the nightstand is plugged in. Verify the "iStrip+" app is downloaded and connected via Bluetooth. Try restarting the app and your phone's Bluetooth. Check the physical key control switch.
Fabric drawer is not sliding smoothly.	Drawer not properly assembled or obstruction.	Ensure the fabric drawer is fully unfolded and the bottom panel is correctly inserted. Check for any items obstructing the drawer's path.
