4. Assembly Instructions

The nanoblock Alto Saxophone kit has a difficulty level of 2, considered an entry-level kit. Follow the detailed step-by-step instructions provided in the box to assemble your model. Each piece is designed for precise fit, allowing for the creation of intricate and authentic designs.

4.1 General Assembly Tips

- Organize your pieces by color and shape before starting to simplify the building process.
- Refer to the instruction manual for each step, paying close attention to the orientation of the blocks.
- Apply gentle, even pressure when connecting blocks to ensure a secure fit without damaging the pieces.
- If a piece does not fit easily, double-check the instructions to ensure you are using the correct block and orientation.

5. Usage & Display

Once assembled, your nanoblock Alto Saxophone model is designed for display and collection. Its compact size makes it suitable for desks, shelves, or display cases. The model stands approximately 5.03 inches tall.

- Place the model on a stable, flat surface to prevent accidental falls.
- Avoid direct sunlight or extreme temperatures to preserve the color and integrity of the blocks.
- This model is not intended for active play due to its small, delicate pieces.

6. Maintenance

To keep your nanoblock model in optimal condition:

- Gently dust the model regularly with a soft brush or compressed air to remove accumulated dust.
- For deeper cleaning, use a slightly damp cloth to wipe the blocks, avoiding excessive moisture.
- Do not use harsh chemicals or abrasive cleaners, as these can damage the plastic.

7. Troubleshooting

7.1 Missing Pieces

If you find any missing pieces during assembly, please contact Bandai Namco for product support assistance within the United States. Ensure you have the product box with the Bandai Namco warning label as proof of purchase.

7.2 Difficulty Assembling

- Re-examine the instruction manual carefully for the specific step you are on.
- Ensure all pieces are correctly oriented and aligned before pressing them together.
- Sometimes, a small amount of force is needed, but avoid excessive force that could break the blocks.
