

PETLIBRO PETLIBRO AIR Automatic Cat Feeder, PETLIBRO Essential Automatic Cat Food Dispenser

PETLIBRO Automatic Cat Feeder User Manual

Model: PETLIBRO AIR Automatic Cat Feeder, PETLIBRO Essential Automatic Cat Food Dispenser

INTRODUCTION

Thank you for choosing the PETLIBRO Automatic Cat Feeder. This device is designed to provide scheduled and portion-controlled meals for your cat, ensuring a healthy and consistent feeding routine even when you are away. Please read this manual thoroughly before operating the feeder to ensure proper use and maintenance.

SAFETY INFORMATION

- This appliance is intended for indoor use only.
- Do not immerse the main unit in water or any other liquid.
- Keep out of reach of children and pets when not in use or during cleaning.
- Use only dry pet food with a diameter suitable for the dispenser mechanism.
- Always unplug the feeder before cleaning or performing maintenance.
- Ensure the power cord is not damaged or chewed by pets.

COMPONENTS OVERVIEW

The PETLIBRO Automatic Cat Feeder typically includes the following components:

- Main Feeder Unit (with food hopper and control panel)
- Food Bowl (stainless steel or plastic)
- Power Adapter
- Instruction Manual (this document)

SETUP

1. **Unpack the Feeder:** Carefully remove all components from the packaging. Retain packaging for future storage or transport.

2. **Assemble the Bowl:** Place the food bowl securely into its designated slot at the base of the feeder. Ensure it clicks into place if applicable.
3. **Connect Power:** Plug the power adapter into the feeder's power port, then plug the adapter into a standard wall outlet. For battery backup (if applicable, check your specific model), insert D-cell batteries into the battery compartment.
4. **Fill the Food Hopper:** Open the lid of the food hopper and pour dry pet food into the reservoir. Ensure the lid is securely closed to maintain food freshness and prevent spills.
5. **Initial Power On and Time Setting:** Upon first power-on, the LCD screen will illuminate. Use the control panel buttons to set the current time and date. Refer to the "Operating Instructions" section for detailed button functions.

OPERATING INSTRUCTIONS

Setting Feeding Schedule

The feeder allows you to schedule multiple meals per day with customizable portion sizes. The built-in LCD screen facilitates easy programming.

1. **Access Schedule Mode:** Press the "SET" button on the control panel to enter the feeding schedule programming mode.
2. **Set Meal Times:** Use the arrow buttons (Up/Down) to adjust the hour and minute for each meal. Press "SET" to confirm and move to the next setting.
3. **Set Portion Sizes:** For each meal time, use the arrow buttons to select the number of portions (e.g., 1-16 portions per meal). Each portion dispenses a specific amount of food.
4. **Save Settings:** Once all desired meals are programmed, exit the programming mode. The feeder will automatically save your settings and begin dispensing food at the scheduled times.

Timely Meals, Scheduled Portions

Stay away from irregular eating for a healthy body

Manual Feeding

To dispense food instantly outside of the scheduled times, press the manual feed button (often labeled "FEED" or a paw icon). Each press typically dispenses one portion. Hold the button for continuous dispensing if available on your model.

Voice Recording

Some models allow you to record a personalized voice message (up to 10 seconds) that plays at each feeding time to call your pet. This feature helps to comfort your pet and encourage them to eat.

1. **Enter Recording Mode:** Locate the "REC" button (or similar) on the control panel. Press and hold it until you hear a beep.
2. **Record Message:** Speak clearly into the microphone. Release the button when finished.
3. **Play Back:** Press the "PLAY" button (or similar) to listen to your recorded message.

MAINTENANCE

Cleaning Instructions

Regular cleaning ensures hygiene and extends the life of your feeder. Always unplug the feeder before cleaning.

- **Food Bowl:** The food bowl is typically removable and can be hand washed with mild soap and water. Rinse thoroughly and dry completely before reattaching.
- **Food Hopper:** Wipe the inside of the food hopper with a damp cloth. For stubborn residue, use a mild, pet-safe detergent and wipe clean. Ensure it is completely dry before refilling with food.
- **Main Unit:** Wipe the exterior of the main unit with a soft, dry cloth. Do not use abrasive cleaners or immerse the main unit in water.
- **Sealing Strip:** Periodically check the sealing strip on the lid for any food debris and clean it to ensure a tight seal for food freshness.

Refilling Food

Monitor the food level in the hopper regularly. When the food level is low, open the lid and refill with dry kibble. Ensure the

lid is securely closed after refilling to maintain food quality.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Feeder not dispensing food.	No power. Food hopper empty. Food jammed in dispenser. Incorrect schedule settings.	Check power adapter connection and wall outlet. Refill food hopper. Clear any obstructions in the food outlet. Verify feeding schedule times and portions.
LCD screen is blank.	No power. Power adapter faulty.	Ensure power adapter is securely plugged in. Try a different power outlet. Contact customer support if problem persists.
Food bowl overflows.	Portion size too large. Multiple manual feeds.	Reduce portion size in schedule settings. Avoid excessive manual feeding.
