SETUP

1. Initial Charge

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C charging cable to the charging case and a compatible USB power source. The LED display on the case will indicate the charging status and battery percentage. The portable charging case provides up to 30 hours of playtime, charging the earbuds up to 5 times, with each earbud offering about 6 hours on a single charge.

2 DAYS PLAYTIME

A longer battery life makes your journey more enjoyable.

2. Pairing with Your Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
4. Select "VNMN S19 Earbuds" from the list of available devices.
5. Once connected, you will hear a confirmation tone. The earbuds will automatically reconnect to your device after the first pairing when taken out of the case.

Upgrade Bluetooth 5.3, Auto-connect

Featuring the latest Bluetooth 5.3 technology, these earbuds deliver uninterrupted music and a seamless listening experience. With low latency, you can enjoy smooth device switching. Plus, once paired, the earbuds automatically connect to your device when taken out of the case.

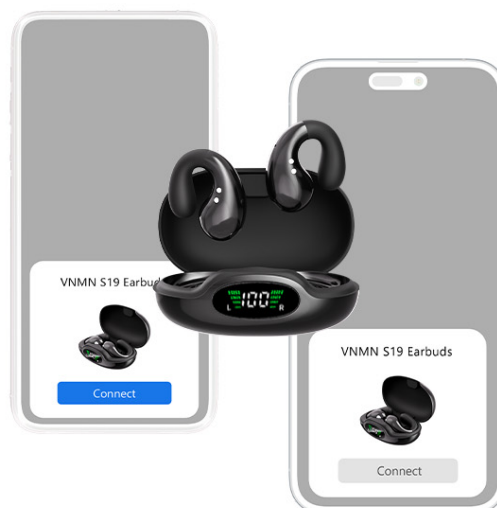

Figure 4: Automatic Bluetooth pairing process.

3. Wearing the Earbuds

The VNMN S19 earbuds feature an open-ear clip-on design for comfort and awareness. Gently clip the U-shaped arm onto your ear, adjusting for a secure and comfortable fit. The soft silicone material allows for flexibility, ensuring a snug fit without interfering with glasses or hats.

How to wear earbuds more comfortably.

The rear end of the earbuds is made of soft silicone, which can be bent to alleviate discomfort during wear.

Adjust your earbuds up and down until you find the most comfortable fit.

MAINTENANCE

Cleaning

Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals. Ensure charging contacts are free of dust and debris.

Storage

Store the earbuds in their charging case when not in use to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures and direct sunlight.

Water Resistance (IPX7)

The earbuds are IPX7 waterproof, meaning they can withstand submersion in up to 1 meter of water for 30 minutes. However, they are not designed for swimming or prolonged water exposure. Ensure they are dry before placing them back in the charging case.

Feel Nothing

Experience unparalleled comfort with a featherweight design. Weighing in at only 5 grams, these earbuds effortlessly clip onto your ears, making you forget you're even wearing them.

TROUBLESHOOTING

- **Earbuds not pairing:** Ensure earbuds are charged and within range. Turn off and on your device's Bluetooth. Try resetting the earbuds (refer to manual for specific reset instructions).
- **No sound:** Check volume levels on both earbuds and connected device. Ensure earbuds are properly connected.
- **Charging issues:** Clean charging contacts on earbuds and case. Try a different USB-C cable or power adapter.
- **Intermittent connection:** Move closer to your device. Avoid environments with strong electromagnetic interference.
