1. INTRODUCTION

Thank you for choosing the LOVELEDI P58D 40000mAh Portable Charger. This high-capacity power bank is designed to provide fast and efficient charging for your mobile devices on the go. Featuring PD 30W fast charging, built-in Type-C and iOS compatible cables, and a clear digital display, it ensures your devices stay powered throughout the day. Please read this manual carefully to ensure proper use and optimal performance of your portable charger.

2. SAFETY INFORMATION

To prevent injury or damage to your device, please observe the following safety precautions:

- Do not expose the power bank to extreme temperatures (above 60°C/140°F or below 0°C/32°F), direct sunlight, or fire.
- Do not immerse the power bank in water or other liquids.
- Avoid dropping, hitting, or disassembling the device.
- Keep out of reach of children.
- Use only original or certified cables for charging the power bank and your devices.
- If the power bank swells, emits an odor, or becomes hot during use or charging, discontinue use immediately.
- Dispose of the power bank responsibly according to local regulations. Do not dispose of it with household waste.

3. PRODUCT OVERVIEW

The LOVELEDI P58D Portable Charger is equipped with multiple features for convenient and fast charging:

- **40000mAh High Capacity:** Provides extended power for multiple charges.
- **PD 30W Super Fast Charging:** Charges compatible devices rapidly, such as an iPhone 13 from 20% to 80% in 30 minutes.
- **Built-in Type-C and iOS 2-in-1 Output Cable:** Offers versatile charging without needing extra cables. Supports QC18W when attached and 22.5W when detached for other devices.
- **Additional Ports:** Includes built-in Type-C and USB-A ports for charging multiple devices simultaneously.
- **LED Digital Display:** Accurately shows the remaining battery percentage.
- **Integrated Flashlight:** Features 4 modes (Super bright, Soft light, SOS, Strobe) for emergency use.
- **Advanced Safety Protections:** Incorporates 10 safety designs against overcharging, over-discharging, short circuits, and overheating.

4. SETUP

4.1 Initial Charging of the Power Bank

Before first use, fully charge your LOVELEDI P58D Portable Charger. This ensures optimal battery performance and longevity.

1. Connect a compatible USB-C charging cable to the power bank's input port.
2. Connect the other end of the cable to a USB wall adapter (not included) or a powered USB port.
3. The LED digital display will show the charging progress, indicating the battery percentage.
4. The power bank is fully charged when the display shows "100%".

4.2 Connecting Devices for Charging

The power bank offers multiple ways to connect your devices:

- **Using Built-in Cables:**

- Locate the built-in Type-C or iOS compatible cable.
- Plug the appropriate connector into your device's charging port.

- **Using USB-A or USB-C Ports:**

- Connect your device's charging cable to one of the available USB-A or USB-C output ports on the power bank.
- Plug the other end into your device.

5. OPERATING INSTRUCTIONS

5.1 Charging Your Devices

Once your device is connected, the power bank will automatically begin charging. The digital display will show the remaining power.

- The power bank supports fast charging protocols like QC4.0+ and PD30W for compatible devices.
- You can charge multiple devices simultaneously using the built-in cables and additional ports.
- The power bank features an auto shut-off function to conserve power when devices are fully charged or disconnected.

5.2 Using the Flashlight

The integrated flashlight provides illumination with four distinct modes:

1. **To Turn On:** Press and hold the power button for 4 seconds to activate the LED light in Super Bright mode.
2. **To Change Modes:** Briefly press the power button again to cycle through the modes: Super Bright → Soft Light → SOS → Strobe.
3. **To Turn Off:** Press and hold the power button for 4 seconds in any mode to turn off the flashlight.

5.3 Understanding the Digital Display

The LED digital display shows the current battery percentage of the power bank, allowing you to monitor its charge level accurately.

6. MAINTENANCE

Proper maintenance ensures the longevity and performance of your power bank:

- **Cleaning:** Wipe the exterior with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the power bank in a cool, dry place away from direct sunlight and extreme temperatures. If storing for extended periods, charge it to about 50-75% every three months to maintain battery health.
- **Avoid Physical Damage:** Protect the device from drops, impacts, and scratches.

7. TROUBLESHOOTING

If you encounter issues with your LOVELEDI P58D Portable Charger, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Power bank not charging	Cable issue, faulty adapter, power bank depleted.	Check charging cable and adapter. Ensure power source is active. Try a different cable/adapter.
Device not charging from power bank	Power bank low on charge, incorrect cable, device incompatibility.	Ensure power bank is charged. Use the correct cable for your device. Check device's charging port.
Slow charging	Non-fast charging cable/adapter, multiple devices charging, device not supporting fast charge.	Use fast charging compatible cables and adapters. Disconnect other devices. Ensure your device supports fast charging.
Flashlight not working	Incorrect activation, power bank low on charge.	Press and hold the power button for 4 seconds. Ensure power bank has sufficient charge.

If the problem persists, please contact customer support.

8. SPECIFICATIONS

Model Number	P58FC
Brand	LOVELEDI
Battery Capacity	40000 mAh
Fast Charging Protocols	QC4.0+, PD30W
Output (Detached Cable)	22.5W
Output (Attached Cable)	QC18W
Connector Types	USB Type A, USB Type C, Built-in Type-C, Built-in iOS compatible
Special Features	Auto Shut-Off, Built-in Cable, Digital Display, Fast Charging, LED Indicator Lights, Short Circuit Protection, Flashlight
Dimensions	17.4 x 11 x 3.9 cm
Item Weight	510 g
Battery Type	High-density polymer battery (1 A batteries included)

9. WARRANTY AND SUPPORT

The LOVELEDI P58D Portable Charger comes with a standard manufacturer's warranty. Please refer to the product packaging or the seller's website for specific warranty terms and conditions.

For technical support, troubleshooting assistance, or warranty claims, please contact the seller or LOVELEDI customer service through the platform where you purchased the product.
