BLACK+DECKER BPACT08NM

BLACK+DECKER Smart Portable Air Conditioner User Manual

MODEL: BPACT08NM

Brand: BLACK+DECKER

PRODUCT OVERVIEW

The BLACK+DECKER Smart Portable Air Conditioner, 12,000 BTU, is designed for efficient cooling in rooms up to 550 sq. ft. This versatile unit combines an air conditioner, dehumidifier, and fan into one machine, offering comprehensive climate control. It features an inverter compressor for consistent cooling and energy saving, along with smart Wi-Fi connectivity for convenient control via a smartphone app or voice assistants like Amazon Alexa and Google Assistant.

COOLS UP TO
550 SQ FT

8,000 BTU (SACC/CEC)

OPERATING INSTRUCTIONS

The unit offers multiple operating modes including air conditioning, dehumidification, and fan-only operation. Its inverter compressor technology adjusts rotational speed to maintain a consistent temperature while optimizing energy consumption. The unit can be controlled via its top-mounted digital display, the included full-function LCD remote control, or through smart Wi-Fi connectivity using a smartphone app compatible with Amazon Alexa and Google Assistant.

LCD Full function **Remote Control**
