# XJD 10-in-1 Toddler Slide Jungle Double Slide Playset Instruction Manual

Model: FE-ST-SWW0364

## 1. INTRODUCTION

---

Thank you for choosing the XJD 10-in-1 Toddler Slide Jungle Double Slide Playset. This versatile playset is designed to provide a safe and engaging play environment for toddlers aged 1 and up, both indoors and outdoors. It features multiple activity zones to enhance physical coordination and motor skills. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

An overview of the XJD 10-in-1 Toddler Slide Playset, featuring two slides, a central platform, stairs, and various play elements, suitable for indoor use.

## 2. SAFETY GUIDELINES

---

Your child's safety is paramount. Adhere to the following guidelines:

- **Adult Supervision:** Always ensure children are supervised by an adult while using the playset.
- **Assembly Check:** During assembly, ensure all plastic screws are tightened securely. Regularly check for loose screws and connections during use and tighten as necessary.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 180 pounds.
- **Placement:** Place the playset on a level, soft surface (e.g., grass, play mats) to minimize injury risk from falls. Ensure adequate clear space around the playset.
- **Material Safety:** The playset is constructed from odorless, BPA-free High-Density Polyethylene (HDPE) material.
- **Weather Conditions:** If used outdoors, ensure the playset is not exposed to extreme weather conditions that could compromise its integrity or cause injury (e.g., excessive heat making surfaces hot, strong winds).

## 3. ASSEMBLY INSTRUCTIONS

---

Assembly is required for this playset. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the parts list (not provided in this manual, refer to your product packaging) are present and undamaged.
2. **Identify Main Structures:** Lay out the main platform pieces, slide sections, and staircase components.

3. **Attach Slides:** Securely attach the two slide sections to the main platform using the provided fasteners. Ensure they are firmly connected.
4. **Assemble Staircase:** Construct the enclosed staircase, ensuring all treads and handrails are properly aligned and secured.
5. **Connect Platforms and Aisle:** Join the central platform sections and the roomy aisle, ensuring all connections are tight.
6. **Install Accessories:** Attach the basketball hoop, telescope, and any other decorative elements like the grassroof and rainbow top.
7. **Final Tightening:** Use the provided tool to tighten all plastic screws and fasteners. Double-check every connection point for security and stability.
8. **Stability Check:** Before allowing children to play, gently shake the assembled playset to ensure it is stable and does not wobble.

## PRODUCT SIZE:

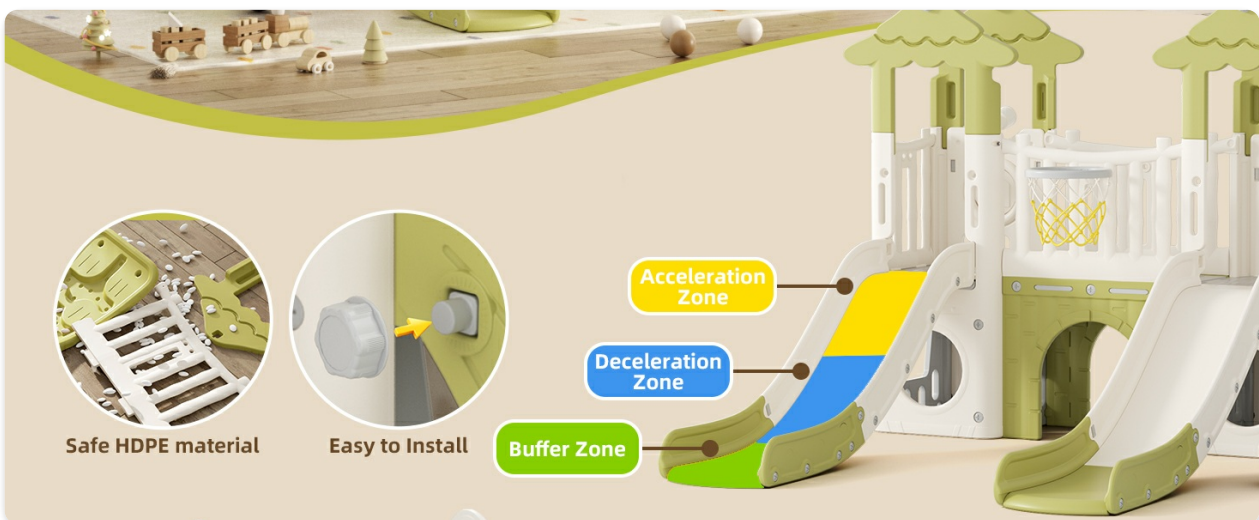

This image provides detailed measurements of the playset, including its overall length (80.7 inches), width (73.2 inches), height (64.6 inches), and individual slide length (63 inches), along with aisle dimensions, which are helpful during assembly and placement.

# ENCLOSED STAIRCASE DESIGN

Illustrates the playset's staircase design, featuring safe enclosed treads and heightened handrails for enhanced child safety during climbing, a key assembly component.

Detailed view of the slide's design, indicating distinct acceleration, deceleration, and buffer zones for a safe and controlled sliding experience, important for correct slide assembly.

## 4. OPERATING INSTRUCTIONS

The XJD 10-in-1 Toddler Playset offers a variety of activities for children to enjoy:

- **Stairs:** Provides access to the main platform.
- **Extra Long Slide:** Two slides for extended sliding fun.
- **Storage Spaces:** Two designated areas for toys or other items.
- **Ring Toss Game:** An interactive game for developing hand-eye coordination.
- **Basketball Area:** Includes a hoop for basketball play.
- **Aisle:** A connecting passage between play structures.
- **Game Board:** An integrated board for various games.
- **Game Telescope:** Encourages imaginative play and exploration.
- **Climbing Area:** Located at the bottom for additional physical activity.

The playset is suitable for both indoor and outdoor use, offering flexibility for different environments.

This diagram highlights key features including the telescope, basketball hoop, roomy aisle, enclosed climber, storage space, tunnel, slide, grassroof, and rainbow top, demonstrating the multi-functional design for play.

# SLIDE FOR INDOOR AND OUTDOOR

Demonstrates the versatility of the playset, suitable for placement in indoor environments like a playroom and outdoor spaces such as a backyard, allowing for flexible usage.

## 5. CARE AND MAINTENANCE

---

Regular maintenance ensures the longevity and safety of your playset:

- **Cleaning:** Wipe down all surfaces with a damp cloth and mild soap. Rinse thoroughly and dry. Avoid abrasive cleaners or solvents.
- **Inspection:** Periodically inspect all parts for wear, damage, or loose connections. Pay close attention to slides, stairs, and structural joints.
- **Tighten Fasteners:** Re-tighten all plastic screws and fasteners regularly to maintain structural integrity.
- **Storage:** If used outdoors, consider covering the playset during harsh weather or storing it indoors during off-seasons to protect the material.

## 6. TROUBLESHOOTING

---

If you encounter any issues, refer to these common solutions:

- **Playset Wobbles:** Ensure all screws and fasteners are securely tightened. Verify the playset is on a flat, level surface.
- **Parts Don't Fit:** Double-check the assembly instructions and diagrams. Ensure you are using the correct parts for each step. Do not force parts together.
- **Missing Parts:** If any parts are missing upon unboxing, contact XJD customer support immediately.
