Mould King 10113 Sports Car Building Set Instruction Manual

Model: 10113 | Brand: Mould King

1. INTRODUCTION

Thank you for choosing the Mould King 10113 Sports Car Building Set. This kit allows you to construct a detailed 1:12 scale model of a sports vehicle, comprising 1471 precision-engineered building blocks. Designed for enthusiasts aged 14 and above, this set offers an engaging and rewarding building experience, culminating in a display-worthy model.

This manual provides essential information regarding the assembly, features, maintenance, and troubleshooting of your building set. Please read it thoroughly before beginning assembly.

2. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all components away from infants and young children.
- **Age Recommendation:** Recommended for individuals aged 14 years and older. Adult supervision is advised for younger builders.
- **Handling:** Handle all building blocks with care to prevent damage or loss.

3. PACKAGE CONTENTS

Verify that all components are present upon opening the package. The set includes:

- 1471 x Building Blocks (organized in numbered bags)
- 1 x Instruction Manual

If any parts are missing or damaged, please refer to the 'Warranty and Support' section for assistance.

4. SETUP (ASSEMBLY INSTRUCTIONS)

The assembly process is designed to be straightforward with clear, step-by-step instructions provided in the included manual. Follow these general guidelines:

1. **Unpack Components:** Open the numbered bags sequentially as indicated in the instruction manual. This helps manage the large number of pieces.
2. **Follow Manual:** Refer to the detailed, colorful instruction manual for precise placement of each building block. Each step is illustrated to guide you through the construction.
3. **Verify Connections:** Ensure all blocks are firmly connected to maintain the structural integrity of the model.

6. MAINTENANCE

To ensure the longevity and appearance of your Mould King 10113 model, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the model with a soft, dry cloth to remove dust. Avoid using abrasive cleaners or solvents, as these may damage the plastic.
- **Storage:** Store the model in a dry, dust-free environment, away from direct sunlight or extreme temperatures, which can cause discoloration or warping.
- **Handling:** When moving or displaying the model, handle it carefully to prevent accidental detachment of parts.

7. TROUBLESHOOTING

If you encounter any issues during or after assembly, consider the following:

- **Missing Pieces:** If you find any pieces missing from your set, please contact customer support as detailed in the 'Warranty and Support' section.
- **Difficulty Assembling:** Carefully re-examine the instruction manual for the specific step. Ensure that you are using the correct pieces and that they are oriented as shown in the diagrams.
- **Loose Connections:** If parts do not fit snugly, check if they are fully pressed together. Sometimes, re-attaching a section can resolve looseness.
