5. Setup Instructions

Your GarveeTech LED Lighted Liquor Bottle Display Shelf requires no assembly and is ready for immediate use. Follow these steps to set up your display:

1. **Unpack:** Carefully remove the display shelf and all accessories from the packaging.
2. **Placement:** Place the display shelf on a stable, flat countertop surface. Ensure there is adequate space around the unit for proper ventilation and access.
3. **Power Connection:** Connect the provided USB cable to the display shelf. You have two options for powering the unit:
    - **Using the Power Adapter:** Plug the USB cable into the power adapter, then plug the adapter into a standard electrical outlet.
    - **Using a Power Bank:** Connect the USB cable directly to a compatible power bank (not included).
4. **Initial Power-On:** Once connected to a power source, the LED lights should illuminate. If not, refer to the Troubleshooting section.

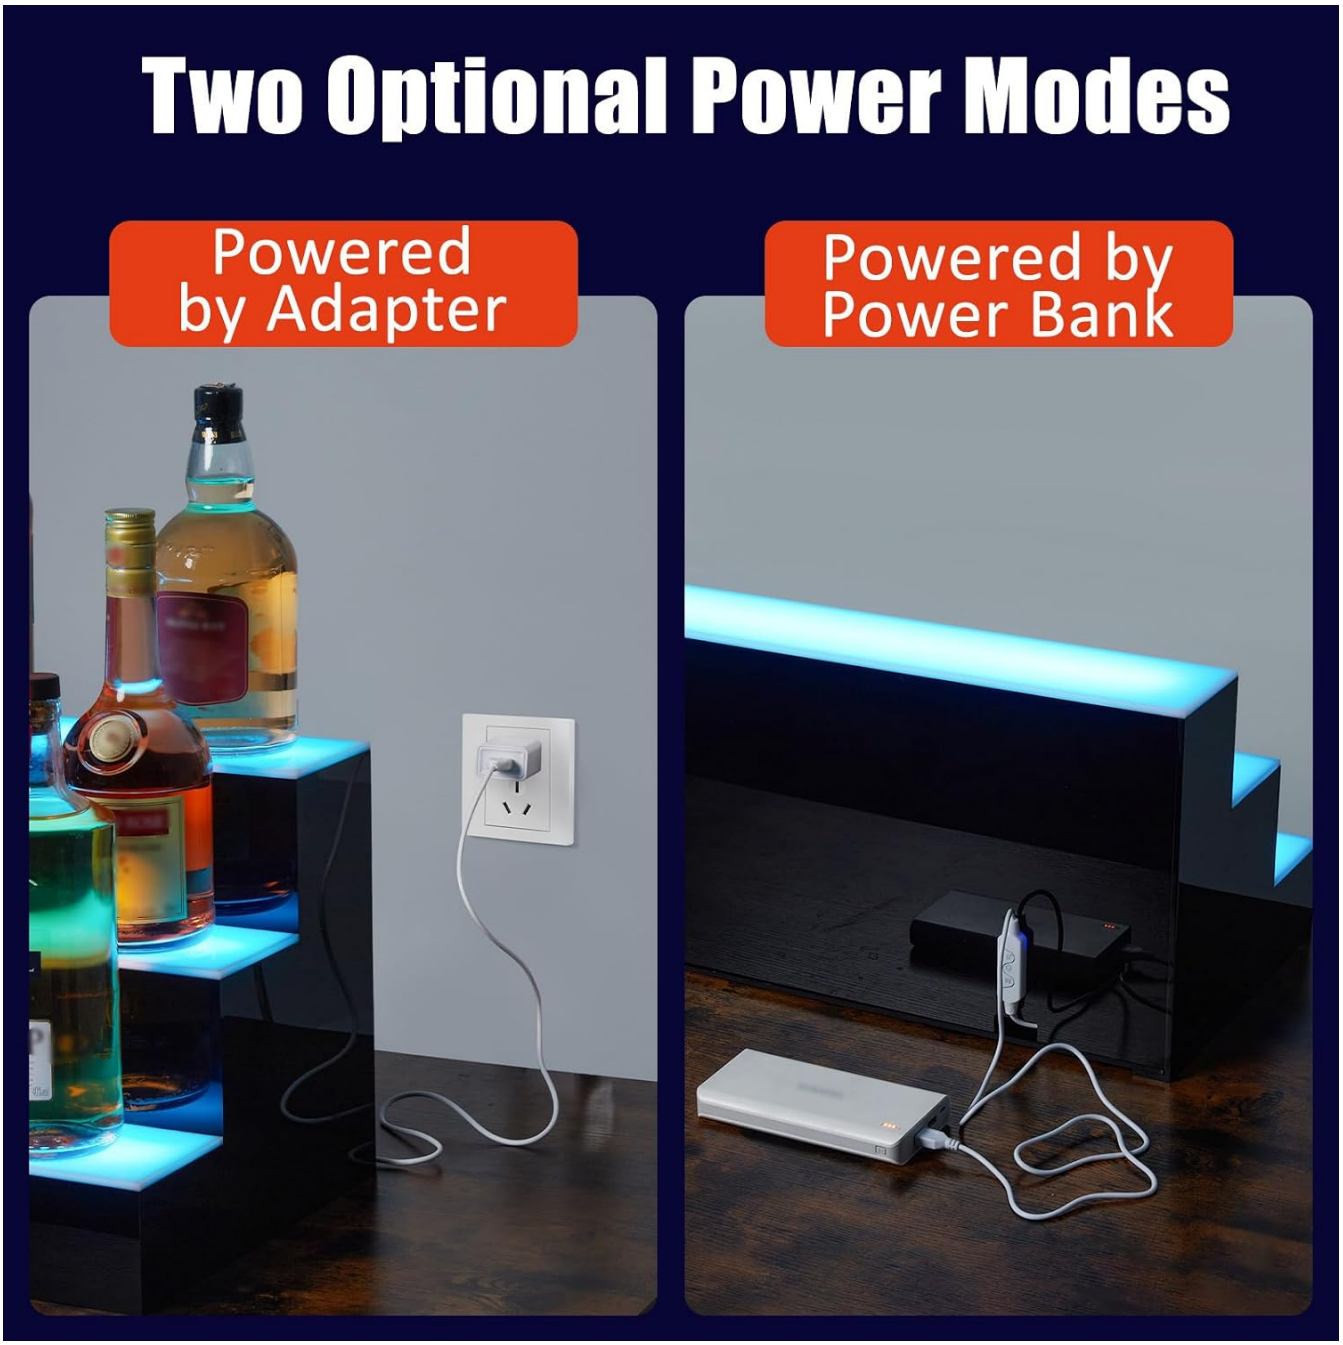

Image 5.1: Illustration of the two power options: using the included adapter or a power bank.

6. Operating Instructions

Control your LED display shelf using either the included RF remote control or the dedicated smart app.

6.1. Remote Control Operation

The 24-key RF remote control allows for convenient adjustment of lighting settings within a 25 ft range.

- **Power On/Off:** Use the dedicated power button to turn the unit on or off.
- **Static Colors:** Select from 16 static color options.
- **Dynamic Modes:** Choose from 255 dynamic lighting modes, including jumping, fading, and flashing effects.
- **Brightness Adjustment:** Increase or decrease the light intensity.
- **Speed Adjustment:** Control the speed of dynamic lighting effects.
- **Music Modes:** Activate one of 4 music modes for lights to react to sound.

- **Timer Function:** Set the timer for 1 to 8 hours for automatic light activation/deactivation.

6.2. Smart App Control

For advanced control and customization, download and use the smart app. Scan the QR code provided in the product packaging or search for the app in your device's app store.

- **Color Shift:** Access a wider spectrum of colors and fine-tune hues.
- **Speed Control:** Precisely adjust the speed of dynamic effects.
- **Music Mode:** Utilize your device's microphone or music library for synchronized lighting.
- **Timing:** Set detailed schedules for lighting operation.
- **Group Control:** If you have multiple GarveeTech display shelves, control them simultaneously with a single app.

7. Care and Maintenance

Proper care ensures the longevity and appearance of your display shelf.

- **Cleaning:** To clean the acrylic surface, gently wipe with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals, as these can scratch or damage the acrylic.
- **Dust Removal:** Regularly dust the unit to prevent buildup that could affect light output.
- **Liquid Spills:** In case of liquid spills, immediately disconnect power and wipe dry with a soft cloth. Ensure the unit is completely dry before reconnecting power.

8. Troubleshooting Guide

If you encounter any issues with your display shelf, refer to the following table for common problems and solutions.

Problem	Possible Cause	Solution
Lights do not turn on.	No power, loose connection, faulty adapter.	Ensure the power adapter is securely plugged into both the unit and the electrical outlet. Try a different outlet or power source (e.g., power bank). Check the USB cable for damage.
Remote control not working.	Remote battery low/dead, remote out of range, obstruction.	Replace the remote control battery. Ensure you are within the 25 ft operating range. Remove any obstructions between the remote and the display shelf.
App control not connecting.	Bluetooth/Wi-Fi issue, app not updated, incorrect pairing.	Ensure your device's Bluetooth or Wi-Fi is enabled and the app has necessary permissions. Update the app to the latest version. Follow the app's instructions for re-pairing the device.
Lights are dim or flickering.	Insufficient power, faulty LED strip.	Ensure the power source provides stable power. If using a power bank, ensure it is sufficiently charged. If the problem persists, contact customer support.

9. Important Safety Information

- Do not expose the unit to water or excessive moisture.
- Avoid placing the unit near heat sources or in direct sunlight for prolonged periods.
- Do not attempt to disassemble or modify the unit. This will void the warranty and may cause damage or injury.

- Keep out of reach of children and pets.
- Use only the provided power adapter or a compatible power source.

10. Warranty and Customer Support

GarveeTech products are designed for quality and reliability. For warranty information or if you require assistance with your product, please refer to the contact information provided with your purchase or visit the official GarveeTech website. Please have your model number (LED Lighted Liquor Bottle Display) and UPC (198723044422) ready when contacting support.
