VGR V-362

VGR V-362 Professional Foil Shaver User Manual

Model: V-362

1. INTRODUCTION

This manual provides detailed instructions for the safe and effective use of your VGR V-362 Professional Foil Shaver. Please read this manual thoroughly before operating the device and retain it for future reference.

2. SAFETY INFORMATION

Warning:

The VGR V-362 Super Trim Foil Shaver must be used according to these instructions to avoid injury. Keep it out of reach of children and do not use if damaged. Always check the device before use.

- Do not immerse the charging cable or adapter in water.
- Ensure the shaver is completely dry before charging.
- Do not disassemble or attempt to repair the shaver yourself. Contact customer support for assistance.
- Avoid using the shaver on irritated or broken skin.

3. PACKAGE CONTENTS

The VGR V-362 Professional Foil Shaver package includes the following items:

- 1x Foil Shaver
- 1x Extra Foils for Beard
- 1x Protection Cap
- 1x Travel Pouch
- 1x USB Type C Cable
- 1x Cleaning Brush
- 1x User Manual

4. PRODUCT OVERVIEW

The VGR V-362 is a professional foil shaver designed for men, featuring advanced technology for a close and comfortable shave.

Key Features:

- **Titanium Dual Foils:** Equipped with independent flexing titanium foil heads that adjust to facial contours for a close, irritation-free shave.
- **Two-Speed Operation:** Features dual-speed settings (7000/7500 RPM) for customizable shaving intensity.
- **Pop-Up Trimmer:** Integrated trimmer for precise shaping of sideburns, mustache, and beard edges.
- **Smart LED Display:** Shows battery percentage, current RPM, and travel lock status.
- **Long Battery Life:** 1400mAh lithium battery provides up to 120 minutes of runtime on a 2-hour charge.
- **USB Type-C Charging:** Convenient charging via USB-C.
- **Wet & Dry Use:** IPX6 waterproof design allows for use in both dry and wet conditions.

- **Extra Foil Head:** Includes an additional foil head for beard grooming.

5. SETUP AND CHARGING

Initial Charge:

Before first use, fully charge the shaver for approximately 2 hours. The LED display will indicate the battery percentage.

Charging Procedure:

1. Ensure the shaver is turned off.
2. Connect the provided USB Type-C cable to the charging port on the shaver.
3. Connect the other end of the USB cable to a compatible USB power source (e.g., wall adapter, computer, power bank).
4. The LED display will show charging status. A full charge provides up to 120 minutes of operating time.

6. OPERATING INSTRUCTIONS

Basic Shaving:

1. Turn on the shaver by pressing the ON/OFF button.
2. Select your desired speed setting (7000 RPM for Normal Mode, 7500 RPM for Turbo Mode) by pressing the power button again. The LED display will show the current RPM.
3. Hold the shaver at a 90-degree angle to your skin.
4. Use short, gentle strokes against the direction of hair growth.
5. For best results, stretch your skin taut with your free hand.

Using the Pop-Up Trimmer:

The integrated pop-up trimmer is ideal for detailing and shaping.

1. Locate the pop-up trimmer switch on the back of the shaver.
2. Slide the switch upwards to activate the trimmer.
3. Use the trimmer to shape sideburns, mustaches, or beard lines.
4. Slide the switch back down to retract the trimmer when finished.

Wet & Dry Shaving:

The VGR V-362 is IPX6 waterproof, allowing for both wet and dry shaving. You can use it with shaving gel or foam in the shower for a refreshing shave, or dry for quick touch-ups.

Travel Lock Function:

To prevent accidental activation during travel:

- **Activate:** Press and hold the ON/OFF button for 3 seconds. The travel lock icon will appear on the LED display.
- **Deactivate:** Press and hold the ON/OFF button for 3 seconds again. The travel lock icon will disappear.

7. MAINTENANCE AND CLEANING

Regular cleaning ensures optimal performance and extends the life of your shaver.

Cleaning After Each Use:

1. Turn off the shaver.
2. Remove the foil head by gently pulling it upwards.
3. Rinse the foil head and the shaver body under running water. The IPX6 waterproof rating allows for easy cleaning.
4. Use the provided cleaning brush to remove any stubborn hair particles from the foils and cutter block.
5. Allow all parts to air dry completely before reattaching the foil head and storing the shaver.

Foil Replacement:

The shaver comes with an extra foil head. Replace the foils when they show signs of wear or if shaving performance decreases. Refer to the included "Extra Foils for Beard" for replacement.

8. TROUBLESHOOTING

If you encounter issues with your VGR V-362 shaver, refer to the following common solutions:

- **Shaver not turning on:** Ensure the battery is charged. Check if the travel lock is activated.
- **Poor shaving performance:** Clean the foil head and cutter block thoroughly. Ensure the foils are not damaged. Consider replacing the foils if they are old or worn.
- **Irritation after shaving:** Ensure your skin is clean before shaving. Use proper shaving technique (90-degree angle, gentle strokes). Consider using a wet shave with foam or gel.
- **Shaver not charging:** Verify the USB-C cable is properly connected to both the shaver and the power source. Try a different USB power source.

If the problem persists, contact customer support.
