1 - EIGHT POWERFUL PLEASURE SETTINGS

Choose from eight vibration patterns, ranging from gentle murmurs to intense pulses

2 - APP-CONNECTED

Unlock two extra modes through the app for a customized pleasure experience

3 - MADE FOR DEEPLY PROFOUND PLEASURE

Smooth and slightly curved, designed for perfect Gspot stimulation

4 - TWO WAYS OF REACHING PLEASURE

GIGI 3 is not only the best Gspot vibrator available, but also an outer pleasure spot massager - just flip it over

4. SETUP

4.1 Initial Charging

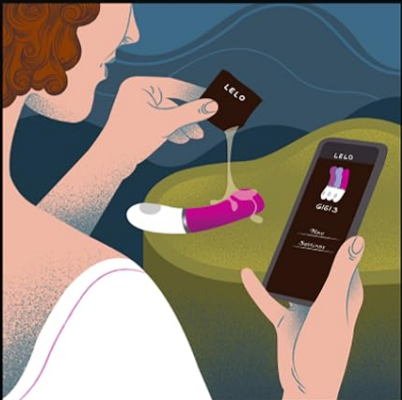

Before first use, fully charge your LELO Gigi 3. Connect the provided USB charging cable to the device's charging port and plug the other end into a USB power source. The indicator light will show charging status. A full charge takes approximately 2 hours.

4.2 Cleaning Before First Use

Clean the device thoroughly before its initial use. Refer to the "Cleaning and Maintenance" section for detailed instructions.

4.3 App Download and Activation

To unlock all features and additional modes, download the LELO app from your smartphone's app store. Follow the in-app instructions to connect your Gigi 3 via Bluetooth.

how to use?

STEP 1

Prep

First, download the LELO app to activate the exclusive modes. Then, apply LELO Personal Moisturizer to both your body and the toy for enhanced pleasure.

Image: An illustration depicting the first step of using the LELO Gigi 3, which involves downloading the LELO app to activate exclusive modes and applying LELO Personal Moisturizer to both the body and the device.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

To turn the device on, press and hold the power button for 3 seconds. To turn it off, press and hold the power button for 3 seconds again.

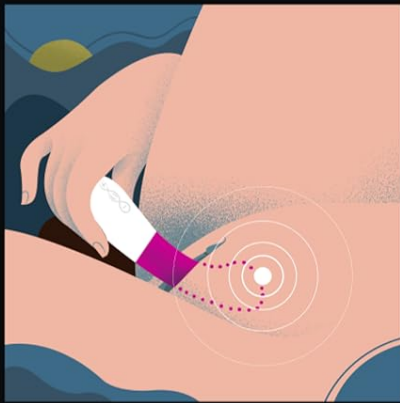

5.2 Changing Vibration Settings

The Gigi 3 offers 8 built-in vibration settings. Press the '+' and '-' buttons on the device to cycle through the different patterns and intensities. For additional settings and customized control, use the LELO app.

5.3 Usage

Apply a water-based lubricant to the device and the desired area of the body. Turn on the device and gently explore the

various vibration settings to find what is most pleasurable. The flattened tip is designed for focused G-spot or clitoral stimulation. The device can also be flipped for external massage.

STEP 2

Engage

Turn it on, and listen to your body as you slowly approach your erogenous zone.

Image: An illustration demonstrating the second step of using the LELO Gigi 3, which involves turning on the device and slowly approaching an erogenous zone to engage with its sensations.

STEP 3

Indulge

Build anticipation by exploring different vibration modes, and tease yourself to a powerful climax.

Image: An illustration depicting the third step of using the LELO Gigi 3, encouraging users to explore different vibration modes and build anticipation, shown with the device being used in a shower.

6. APP CONNECTION

The LELO Gigi 3 can be connected to the LELO app via Bluetooth for enhanced control and additional features. Ensure your device is charged and turned on. Open the LELO app on your smartphone and follow the on-screen instructions to pair your Gigi 3. The app allows access to two additional modes: "Finish Me Off" and "Out Of Control," as well as customizable settings.

7. CHARGING AND BATTERY

The LELO Gigi 3 is equipped with a rechargeable Lithium Polymer battery. A full charge takes approximately 2 hours and provides up to 2 hours of continuous use. The device has a standby time of up to 90 days.

8. CLEANING AND MAINTENANCE

The LELO Gigi 3 is 100% waterproof (IPX7 certified), making it easy to clean. Wash the device thoroughly with warm water and a mild, antibacterial soap after each use. Rinse well and pat dry with a lint-free cloth. Avoid using cleaners containing alcohol, petroleum, or acetone, as these may damage the silicone. Store the device in its satin pouch in a clean, dry place.

9. TRAVEL LOCK

To prevent accidental activation during travel or storage, the LELO Gigi 3 features a travel lock. To activate the travel lock, press and hold the '+' and '-' buttons simultaneously for 3 seconds until the indicator light flashes. To deactivate, repeat the same action.

10. TROUBLESHOOTING

- **Device not turning on:** Ensure the device is fully charged. If the issue persists, try resetting by connecting it to the charger for a few minutes.
- **Not charging:** Check the USB cable and power source. Ensure the charging port is clean and free of debris.
- **App connectivity issues:** Ensure Bluetooth is enabled on your smartphone and the device is within range. Try

restarting both the device and the app.

- **Weak vibrations:** Ensure the device is fully charged. If vibrations remain weak, contact LELO customer support.
