Motorola XT2441-1

Motorola Moto Buds+ User Manual

Model: XT2441-1

INTRODUCTION

This manual provides essential information for the safe and effective use of your Motorola Moto Buds+ wireless earbuds. Please read these instructions carefully before using the product and retain them for future reference. The Motorola Moto Buds+ are designed to deliver high-quality audio with features such as Hi-Res Audio, Dynamic Active Noise Cancellation (ANC), and Dolby Head Tracking. They offer extended playtime and a water-repellent design for durability.

WHAT'S IN THE BOX

Your Motorola Moto Buds+ package includes the following items:

- Wireless Charging Case
- USB-C Charging Cable
- Ear Cushions (multiple sizes)
- User Manual (this document)

PRODUCT OVERVIEW

Image: Motorola Moto Buds+ earbuds shown with their charging case.

Image: Back view of the Motorola Moto Buds+ charging case, displaying the Motorola logo.

SETUP

1. Initial Charge

Before first use, fully charge your Moto Buds+ and their charging case. Connect the provided USB-C cable to the charging case and a power source. The indicator light on the case will show charging status. A full charge for the earbuds in the case takes approximately 2 hours.

2. Pairing with Your Device

1. Ensure your earbuds are in the charging case and the case is open.
2. On your smartphone or other Bluetooth-enabled device, go to the Bluetooth settings.
3. Select "Moto Buds+" from the list of available devices.
4. Confirm pairing if prompted. The earbuds will indicate successful connection.

3. Choosing the Right Ear Cushions

The Moto Buds+ come with multiple sizes of ear cushions. Select the size that provides a secure and comfortable fit for optimal sound quality and noise cancellation performance. Gently twist the earbud into your ear canal until it feels snug.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Open the charging case. The earbuds will automatically power on and attempt to connect to the last paired device.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

Active Noise Cancellation (ANC) and Transparency Mode

The Moto Buds+ feature Dynamic ANC to reduce ambient noise and a Transparency Mode to allow you to hear your surroundings.

- Refer to the Moto Buds app for customization options and controls for switching between ANC, Transparency, and Standard modes.

Touch Controls

The earbuds feature touch controls for managing media playback, calls, and other functions. Specific actions can often be customized via the Moto Buds app.

Common Touch Control Functions

Action	Function
Single Tap	Play/Pause music, Answer/End call
Double Tap	Next track, Reject call
Triple Tap	Previous track
Long Press	Activate voice assistant, Toggle ANC/Transparency Mode (customizable)

Note: Specific touch control functions may vary and can often be customized through the dedicated Moto Buds application.

CHARGING

Charging the Earbuds

Place the earbuds into the charging case. They will automatically begin to charge. The case provides up to 30 additional hours of playtime, extending the total playtime to 38 hours (8 hours from earbuds + 30 from case).

Charging the Case

- **Wired Charging:** Connect the USB-C charging cable to the port on the back of the case and to a compatible USB power adapter.
- **Wireless Charging:** Place the charging case on a Qi-compatible wireless charging pad. Ensure the case is properly aligned for charging to begin.

The charging indicator light on the case will show the charging status.

MAINTENANCE AND CARE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The Moto Buds+ have a water-repellent design. This means they are resistant to splashes and light rain, but they are not waterproof. Do not submerge them in water.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Temperature:** Avoid exposing the earbuds to extreme temperatures (hot or cold) or direct sunlight for extended periods.

TROUBLESHOOTING

Earbuds Not Pairing

- Ensure both earbuds are fully charged.

- Place the earbuds back in the case, close the lid, wait a few seconds, then open the lid again to re-enter pairing mode.
- Turn off and on your device's Bluetooth, then try pairing again.
- If issues persist, try resetting the earbuds (refer to the Moto Buds app or Motorola support for specific reset instructions).

No Sound or Low Volume

- Check the volume levels on both your connected device and the earbuds.
- Ensure the earbuds are properly seated in your ears and that the correct size ear cushions are used.
- Clean any debris from the earbud speakers.

Charging Issues

- Verify the charging cable is securely connected to both the case and the power source.
- If using wireless charging, ensure the case is correctly positioned on the charging pad.
- Try a different charging cable or power adapter/pad.

SPECIFICATIONS

Feature	Detail
Model Name	Moto Buds +
