ENJBRICK 1050

ENJBRICK Botanical Collection Rose Building Set

Model 1050 Instruction Manual

1. Introduction

This instruction manual provides detailed guidance for assembling and caring for your ENJBRICK Botanical Collection Rose Building Set, Model 1050. This set allows you to construct nine beautiful pink roses with adjustable stems, creating a lasting botanical display.

2. Safety Information

WARNING: CHOKING HAZARD – Small parts. Not for children under 3 years.
Please keep all small components away from young children to prevent accidental ingestion. Adult supervision is recommended during assembly for younger builders (recommended age 8+).

3. Package Contents

Before beginning assembly, please verify that all components are present in your package:

- Building bricks for 9 pink roses
- Adjustable stem components
- Detailed instruction manual
- Giftable box

4. Assembly Instructions

Follow the step-by-step instructions provided in the included manual to construct each rose. The assembly process is designed to be straightforward and enjoyable.

1. **Unpack Components:** Carefully open the package and lay out all the building bricks. It may be helpful to sort them by color and type.
2. **Consult Manual:** Refer to the detailed, easy-to-read instruction manual for specific building steps for each

rose and its stem.

3. **Assemble Rose Head:** Begin by connecting the smaller pieces to form the intricate layers of the rose petals. Pay attention to the orientation of each piece as shown in the diagrams.
4. **Attach Stem:** Once the rose head is complete, attach it to the adjustable stem components. Ensure a secure connection.
5. **Adjust Stem Length:** The stems are designed to be adjustable. You can connect multiple stem segments to achieve your desired height for each rose.
6. **Repeat:** Follow these steps for all nine roses until your botanical bouquet is complete.

Image: A close-up view of hands carefully assembling the pink rose petals and stem components, with the instruction manual visible in the foreground, illustrating the step-by-step building process.

Image: An assembled rose, held by hands, with white lines and text indicating its approximate dimensions: 11.81 inches (30 cm) in height and 2.36 inches (6 cm) in width.

5. Displaying Your Botanical Collection

Once assembled, your ENJBRICK rose bouquet is ready for display. Arrange the nine roses in a vase or as individual decorative pieces to enhance your home or office decor.

Image: A hand gently holding a fully assembled bouquet of nine pink roses, showcasing their intricate design and vibrant color against a blurred dark background.

Image: A composite image displaying the assembled rose bouquet in a clear glass vase. The top left shows a hand placing a rose into the vase, the top right shows the bouquet from a slightly elevated angle, and the bottom image shows the bouquet as a centerpiece on a table with books and a lamp.

6. Care and Maintenance

To maintain the appearance of your ENJBRICK Botanical Collection Rose Building Set:

- **Cleaning:** Dust gently with a soft, dry cloth. For more thorough cleaning, wipe with a slightly damp cloth and then dry immediately. Avoid harsh chemicals.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss.
- **Handling:** Handle with care to avoid accidental detachment of pieces.

7. Specifications

Feature	Detail
