Piegricdiat M79

Piegricdiat Clip-on Earbuds User Manual

Model: M79

INTRODUCTION

This manual provides comprehensive instructions for the use and maintenance of your Piegricdiat Clip-on Earbuds, Model M79. These wireless earbuds are designed for seamless audio streaming, delivering clear sound and comfortable fit for extended wear. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

WHAT'S IN THE BOX

- Wireless Charging Case
- Charging Cable
- Instruction Manual

PRODUCT FEATURES

- **LED Power Display and 60H Playback:** Dual digital LED power display on the charging case indicates battery levels for both the case and individual earbuds. The charging case provides approximately 4 additional full charges for the earbuds, with each earbud offering 6 hours of playback, totaling up to 60 hours of music time.
- **Long Distance Connection:** Features an extended effective range and waterproof design, allowing for stable connectivity

even across distances within a home environment.

- **One-Step Pairing & Easy Touch Control:** Earbuds automatically connect to your device upon opening the charging case after initial pairing. Touch controls on the earbuds allow for managing music playback (switches, volume), calls, and voice assistants without needing to access your phone.
- **Ergonomic, Lightweight Design:** Engineered for comfortable, non-inductive wear, reducing ear pressure. The compact size of the earbuds and charging case enhances portability.
- **Bluetooth 5.4:** Utilizes advanced Bluetooth 5.4 technology for stable and efficient wireless communication.
- **Waterproof:** Designed with a waterproof rating for enhanced durability.

SETUP GUIDE

1. Initial Charging

Before first use, fully charge the charging case and earbuds. Connect the provided USB-C cable to the charging port on the case and a compatible USB power source. The LED display on the case will show the charging progress, flashing from 1 to 100. Place the earbuds into the case to charge them simultaneously.

Extra Long Range Music continuous line

Built in new energy battery
Full battery life for a whole day

2. Pairing with Your Device

1. Ensure the earbuds are charged and inside the charging case.
2. Open the lid of the charging case. The earbuds will automatically enter pairing mode.
3. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.
4. Search for new devices and select "M79" (or similar product name) from the list of available devices.
5. Once connected, a confirmation sound will play, and the earbuds will be ready for use.

For subsequent uses, the earbuds will automatically connect to the last paired device when the case lid is opened, provided Bluetooth is enabled on your device.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners, alcohol, or chemical solvents.
- **Water Exposure:** While the earbuds are waterproof, avoid prolonged submersion in water. Dry them thoroughly before placing them back in the charging case to prevent damage to the charging contacts.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and physical damage. Store in a cool, dry place away from extreme temperatures.
- **Charging:** Use only the provided charging cable or a certified USB-C cable. Avoid overcharging the device.

TROUBLESHOOTING

- **Earbuds not pairing/connecting:**
 - Ensure Bluetooth is enabled on your device.
 - Make sure the earbuds are charged.

- Place earbuds back in the case, close the lid, wait a few seconds, then open the lid to re-initiate pairing mode.
- Forget the device ("M79") in your phone's Bluetooth settings and try pairing again.
- Restart your device.

- **No sound or low volume:**

- Check the volume level on both your device and the earbuds (using touch controls).
- Ensure earbuds are properly seated in your ears.
- Confirm the earbuds are connected to the correct audio output on your device.

- **Charging case LED display not working correctly:**

- Ensure the charging cable is securely connected to both the case and the power source.
- Try a different charging cable or power adapter.
- Clean the charging port on the case.

- **Microphone issues during calls:**

- Ensure the microphone on the earbuds is not obstructed.
- Check your device's settings to ensure the earbud microphone is selected as the input source.
- Test in a quieter environment to rule out background noise interference.
