Lazzanto NST-CL12-BK

Lazzanto Night Stand with Charging Station & LED Light Strip User Manual

MODEL: NST-CL12-BK

Introduction

Thank you for choosing the Lazzanto Night Stand. This modern bedside table is designed to enhance your space with convenient features, including a smart LED light strip, integrated charging station, and ample storage. This manual provides detailed instructions for assembly, operation, and maintenance to ensure optimal use and longevity of your product.

Important Safety Information

Please read all safety warnings carefully before assembly and use.

- Refer to product packaging for specific safety warnings including proper assembly, weight limits, stable placement, and safe use.

- Do not use for purposes other than intended.
- Keep away from high traffic areas or edges of surfaces to prevent accidental tipping.
- Ensure all connections for the charging station are secure and properly grounded.

Package Contents

Before beginning assembly, please verify that all parts listed below are present and undamaged:

- Assembly Guide
- Installation Tool (Hex Key/Screwdriver)
- All necessary hardware (screws, bolts, etc.)
- Night Stand Frame Components
- Wooden Shelves
- Fabric Drawers (2 units)
- Charging Station Unit (with USB ports and AC outlets)
- LED Light Strip

Assembly Instructions

Assembly is designed to be straightforward and can typically be completed by most adults in 30-60 minutes. Follow the included Assembly Guide for detailed, step-by-step visual instructions.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Assemble the metal frame using the provided screws and installation tool. Ensure all connections are tightened securely.
3. Attach the wooden shelves to the designated positions on the frame.
4. Install the charging station unit onto the top shelf, ensuring the power cord is routed correctly.
5. Adhere the LED light strip to the underside of the middle shelf as indicated in the guide.
6. Insert the fabric drawers into their respective slots. The drawers are designed for easy insertion and removal.
7. Adjust the footpads at the base of the nightstand to ensure precise leveling and protect your floors from scratches.

Adjustable Footpads

Ensures Precise Leveling & Protects Floors from Scratches

Large Fabric Drawers

Provides Spacious Storage for Easy Access to Your Essentials

Maintenance & Care

To maintain the appearance and functionality of your Lazzanto Night Stand, follow these simple care instructions:

- Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Ensure the charging station and LED light strip are kept dry.
- Periodically check all screws and connections to ensure they remain tight.

- Avoid placing excessively hot or cold items directly on the tabletop without protective coasters.

Troubleshooting

Problem	Possible Cause	Solution
LED lights not turning on.	Power cord unplugged, loose connection, or light strip malfunction.	Check if the nightstand is plugged into a working outlet. Ensure the LED light strip is securely connected. If issues persist, contact customer support.
Charging station not working.	Power cord unplugged, device not compatible, or charging station malfunction.	Verify the nightstand is plugged in. Test with a different device or cable. Contact customer support if the issue continues.
Nightstand feels wobbly.	Loose screws or uneven floor.	Tighten all assembly screws. Adjust the footpads at the base to stabilize the unit on uneven surfaces.
