## SETUP AND ASSEMBLY

---

Assembly is designed to be straightforward and can typically be completed by most adults in 30-60 minutes. It is recommended that two people assemble the nightstand for ease and safety.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all components listed in the "Package Contents" section are present.
2. **Assemble the Frame:** Using the provided installation tool and screws, connect the metal frame components according to the assembly guide. Ensure all connections are secure.
3. **Attach Shelves:** Secure the engineered wood shelves to the metal frame using the designated screws. The top shelf includes the pre-installed charging station.
4. **Install LED Light Strip:** Affix the LED light strip to the underside of the top shelf as indicated in the guide. Connect its power cord to the charging station unit.
5. **Insert Fabric Drawers:** The fabric drawers come pre-assembled. Simply attach the handles using the provided screws and slide them into their designated slots in the frame.
6. **Adjust Footpads:** Once assembled, adjust the footpads at the bottom of the nightstand to ensure precise leveling and to protect your floors from scratches.

## MAINTENANCE

To ensure the longevity and appearance of your Lazzanto Night Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the nightstand with a soft, dry cloth.
- **Spills:** Promptly clean up any spills to prevent staining, especially on the water-resistant tabletop.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.

## TROUBLESHOOTING

If you encounter any issues with your Lazzanto Night Stand, please refer to the following common solutions:

- **Instability/Wobbling:** Ensure all screws are tightened. Adjust the footpads on the bottom of the legs to level the nightstand on uneven surfaces.
- **LED Lights Not Working:** Check if the power cord is securely plugged into both the charging station and a wall outlet. Verify the cord switch is in the "on" position. If using the app, ensure Bluetooth connection is active and the app is updated.
- **Charging Station Not Functioning:** Confirm the nightstand's power cord is fully plugged into a working wall outlet. Test with different devices and cables to rule out device-specific issues.
- **Drawers Sticking:** Ensure the fabric drawers are correctly inserted and not overloaded. Check for any obstructions within the drawer slots.

For issues not covered here, please contact Lazzanto customer support for further assistance.
