**HASAKEI 53G**

# HASAKEI Smartwatch User Manual

## MODEL: 53G

Your comprehensive guide to operating and maintaining your HASAKEI Smartwatch.

### 1. Setup

Follow these steps to set up your new HASAKEI Smartwatch:

- Initial Charging:** Before first use, fully charge your smartwatch. Connect the included magnetic charging cable to the charging points on the back of the watch and plug the USB end into a compatible power adapter (not included). A full charge typically takes approximately 2 hours.
- App Installation:** Download the companion application on your smartphone. The smartwatch is compatible with most Android 5.0+ and iOS 9.0+ devices. Search for the official HASAKEI app in your device's app store.
- Bluetooth Pairing:** Open the app and follow the on-screen instructions to pair your smartwatch via Bluetooth. Ensure Bluetooth is enabled on your phone.
- Strap Attachment:** Your smartwatch comes with two soft and breathable silicone straps. Attach the desired strap by aligning the pins with the holes on the watch body and sliding them into place until they click securely.

The HASAKEI Smartwatch, shown with its two interchangeable straps and magnetic charging cable. The watch features a sleek, round design and a vibrant display.

## Long-Lasting Battery Life

Long battery life and waterproof performance give you a different outdoor play experience.

Detailed view of the HASAKEI Smartwatch, illustrating its dimensions and the magnetic charging cable. The watch is designed to be lightweight and comfortable for daily wear.

## 2. Operating Instructions

Learn how to use the various features of your HASAKEI Smartwatch:

- Basic Navigation:** The smartwatch features a 1.27-inch HD TFT touchscreen. Swipe left, right, up, or down to navigate through menus and access different functions. Press the side button to return to the home screen or access the app list.
- Customizing Watch Faces:** Choose from over 400 watch face designs to match your style or mood. This can typically be done through the companion app or directly on the watch by long-

pressing the home screen.

- **Bluetooth Calls:** With a built-in microphone and HD speaker, you can make and receive calls directly from your smartwatch. Ensure your watch is connected to your phone via Bluetooth.
- **Notifications:** Receive instant notifications from various social apps, including SMS, WhatsApp, Facebook, and Instagram, directly on your wrist.
- **Voice Assistant:** Utilize the integrated AI voice assistant for hands-free control, such as checking messages or taking photos.
- **Health Monitoring:** The smartwatch provides 24/7 health monitoring, including sleep tracking, heart rate, blood oxygen levels, and emotional stress. It also offers comprehensive protection for women by predicting menstruation and reminding about the start of menstruation and ovulation.
- **Sports Modes:** Access over 70 different sports modes, such as running, cycling, and yoga, to track your activities. The watch automatically generates reports on steps, calories burned, and distance.

The HASAKEI Smartwatch offers 24/7 health monitoring, including menstrual tracking, heart rate, blood oxygen, and sleep monitoring, providing meticulous care and protection.

## 70+ Sports Mode

Multiple sports modes for you to choose from to help you create beautiful body.

Calorie

Step

Mileage

With over 70 sports modes, the HASAKEI Smartwatch helps users track various activities, including calorie burn, steps, and mileage, to support their fitness goals.

The HASAKEI Smartwatch allows users to make Bluetooth calls, receive messages, and use a voice assistant, providing hands-free communication and convenience.

### 3. Maintenance

Proper care ensures the longevity and performance of your smartwatch:

- **Charging:** Recharge the smartwatch when the battery is low. Use only the provided charging cable. Avoid using damaged cables or chargers.
- **Cleaning:** Regularly clean the watch body and straps with a soft, dry cloth. If necessary, use a slightly damp cloth for stubborn dirt, then dry thoroughly. Avoid harsh chemicals or abrasive materials.

- **Water Resistance:** The smartwatch is IP68 waterproof, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. It is suitable for daily use and water sports, but avoid hot water, saunas, or diving.
- **Battery Life:** The 250 mAh battery provides 5-7 days of normal daily use on a single charge. Battery life may vary based on usage patterns and features enabled.

The HASAKEI Smartwatch is IP68 waterproof, making it suitable for various activities. It features a 250 mAh battery, offering 5-7 days of normal use on a 2-hour charge.

#### 4. Troubleshooting

If you encounter issues with your HASAKEI Smartwatch, consider the following common solutions:

- **Connectivity Issues:** Ensure Bluetooth is enabled on both your phone and smartwatch. Restart both devices and try pairing again. Check if the companion app is running in the background.
- **Display Not Responding:** If the touchscreen is unresponsive, try restarting the watch. If the issue persists, ensure the watch is charged.
- **Inaccurate Readings:** For health and sports tracking, ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors on the back of the watch.
- **Battery Draining Quickly:** Reduce screen brightness, disable unnecessary notifications, and limit continuous heart rate monitoring to extend battery life. Ensure no background apps are excessively consuming power.
- **Watch Not Turning On:** Connect the watch to its charger and ensure it is receiving power. Allow it to charge for at least 30 minutes before attempting to turn it on.

For persistent issues, refer to the in-app help section or contact HASAKEI customer support.

## 5. Specifications

Feature	Detail
Brand	HASAKEI
Model	53G
Display Size	1.27 inches
Display Type	TFT LCD
Resolution	360 x 360 HD
