Edifier x2

Edifier X2 True Wireless Earbuds User Manual

Model: X2

1. INTRODUCTION

The Edifier X2 True Wireless Earbuds offer a superior audio experience with advanced Bluetooth 5.1 connectivity, ensuring stable and fast connections. Designed for comfort and durability, these earbuds feature an IP54 water resistance rating, making them suitable for various activities. Enjoy crystal-clear calls with dual microphones and extended listening sessions thanks to their impressive 28-hour battery life with the charging case.

2. WHAT'S IN THE BOX

Your Edifier X2 True Wireless Earbuds package includes the following items:

- Edifier X2 True Wireless Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable
- User Manual

3. SETUP AND PAIRING

Follow these steps to set up and pair your Edifier X2 earbuds with your device:

1. **Initial Pairing:** Take both earbuds out of the charging case. The red and blue LEDs on the earbuds will blink rapidly, indicating they are in pairing mode.
2. **Connect to Device:** On your smartphone, tablet, or computer, go to the Bluetooth settings. Search for and select "EDIFIER X2" from the list of available devices to connect.
3. **Automatic Reconnection:** For subsequent use, the earbuds will automatically connect to the last paired device when taken out of the case.

Easy to Pair

1. Taken out of the case. Red and Blue LEDs will blink rapidly.

2. Select "EDIFIER X2" in your device setting to connect.

For subsequent use, the earbuds will auto-connect to the device used last time.

4. OPERATING INSTRUCTIONS

The Edifier X2 earbuds feature intuitive touch controls for easy management of your audio and calls:

- **Pause/Play:** Double-click the left or right earbud.
- **Accept/End a Call:** Double-click the left or right earbud.
- **Game Mode:** Triple-click the left earbud.
- **Next Track:** Triple-click the right earbud.
- **Reject a Call:** Press and hold the left or right earbud for 3 seconds.
- **Voice Assistant:** Triple-click the left or right earbud.

The earbuds support seamless switching between one-ear and two-ear modes, allowing for flexible usage.

5. BATTERY LIFE AND CHARGING

The Edifier X2 earbuds provide extended listening time:

- Up to 7 hours of playback on a single charge.
- An additional 21 hours of battery life with the charging case, totaling 28 hours.
- The charging case can be fully charged in approximately 2 hours via USB-C.

7. CALL QUALITY AND NOISE REDUCTION

Equipped with two built-in microphones (one on each earbud) and a sensitivity of $-37\pm2\text{dB}$, the Edifier X2 earbuds ensure clear and crisp call quality. They feature real-time ambient noise reduction to minimize background distractions during phone calls, providing a better communication experience.

9. MAINTENANCE

To ensure the longevity and optimal performance of your Edifier X2 earbuds, follow these maintenance tips:

- Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- Charging:** Use the provided USB-C cable for charging. Avoid exposing the charging port to moisture.
- Avoid Extreme Conditions:** Do not expose the earbuds to extreme temperatures, high humidity, or direct sunlight for prolonged periods.

10. TROUBLESHOOTING

If you encounter issues with your Edifier X2 earbuds, refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are fully charged. Place them back in the case, then take them out to re-enter pairing mode. Check your device's Bluetooth settings and forget previous connections if necessary.

Problem	Possible Solution
No sound from one earbud	Ensure both earbuds are charged. Try placing both back in the case and taking them out again. Re-pair with your device.
Low volume or poor sound quality	Clean any debris from the earbud grilles. Adjust volume on both your device and the earbuds. Ensure a secure fit in your ears.
Charging issues	Check the USB-C cable and charging adapter. Ensure the charging contacts on the earbuds and case are clean and free of obstruction.
