SETUP AND ASSEMBLY

The CARPETNAL 6-Drawer Dresser is designed for straightforward assembly. Please ensure all parts are present and undamaged before beginning. It is recommended to assemble the dresser on a soft, clean surface to prevent scratches.

Required Tools (Not Included):

- Phillips head screwdriver
- Hammer (optional, for dowels)

Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and hardware. Refer to the included parts list to identify each piece.
2. **Assemble the Frame:** Follow the diagram in your separate assembly guide to connect the side panels, back panel, and top/bottom panels using the provided hardware.
3. **Install Drawer Glides:** Attach the drawer glides to the interior of the dresser frame according to the instructions. Ensure they are level and securely fastened.
4. **Assemble Drawers:** Construct each of the six drawers. Attach the gold metal handles to the front of each drawer.
5. **Insert Drawers:** Carefully slide the assembled drawers into their respective glides within the dresser frame.
6. **Attach Support Legs:** Secure the gold support legs to the bottom of the dresser.
7. **Install Anti-Tip Kit:** For safety, attach the included anti-tip kit to the back of the dresser and secure it to a wall stud. This is a critical step to prevent accidental tipping.

OPERATING INSTRUCTIONS

Your CARPETNAL 6-Drawer Dresser is designed for convenient storage and easy access to your belongings.

Using the Drawers:

- **Opening:** Gently pull the gold metal handles to open the drawers. The smooth-gliding mechanism ensures effortless operation.
- **Closing:** Push the drawers firmly until they are fully closed and flush with the dresser frame.
- **Weight Capacity:** Each drawer is designed to hold a reasonable amount of clothing or household items. Avoid overloading drawers to ensure smooth operation and prevent damage to the glides or drawer structure. The dresser top has a maximum recommended load of 150 lbs.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your dresser.

Cleaning:

- **Surface:** Wipe the dresser surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Immediately wipe any spills with a dry cloth to prevent staining or damage to the engineered wood.

General Care:

- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Heat:** Do not place hot items directly on the dresser surface. Use coasters or protective pads.
- **Stability:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions:

- **Drawers not gliding smoothly:**
 - Ensure the drawer glides are properly aligned and free of obstructions.
 - Check that all screws securing the glides to both the drawer and the dresser frame are tight.
 - Verify that the drawer is not overloaded, which can impede smooth movement.
- **Drawers not lining up evenly:**
 - This can often be resolved by adjusting the screws on the drawer glides or by ensuring the dresser frame is level on the floor.
 - Re-check the assembly steps for the drawer and frame to ensure all parts are correctly installed.
- **Wobbling or instability:**
 - Ensure the dresser is placed on a flat, level surface.
 - Check and tighten all assembly screws.
 - Confirm the anti-tip kit is securely installed and anchored to the wall.

WARRANTY AND SUPPORT

CARPETNAL is committed to providing high-quality products. If you have any questions, concerns, or require assistance with your dresser, please contact our dedicated customer support team. Refer to your purchase documentation for specific warranty details.
