ROBOTIME Five-Storeied Pagoda & Eiffel Tower

ROBOTIME 3D Wooden Puzzle Craft Kit Instruction Manual

Models: Five-Storeied Pagoda & Eiffel Tower

INTRODUCTION

This manual provides detailed instructions for assembling your ROBOTIME 3D Wooden Puzzle Craft Kits, featuring the Five-Storeied Pagoda and Eiffel Tower models. These kits are designed for easy assembly without the need for glue or additional tools. Please read all instructions carefully before beginning assembly.

SAFETY INFORMATION

- Keep small parts away from young children to prevent choking hazards.
- Handle wooden pieces carefully to avoid splinters.
- Do not force pieces together; if a piece does not fit, re-check the instructions and ensure correct orientation.
- Assemble in a well-lit area with a clean, flat surface.

PACKAGE CONTENTS

Your ROBOTIME 3D Wooden Puzzle Craft Kit includes:

- Pre-cut wooden sheets with puzzle pieces.
- Illustrated instruction booklet.
- Sandpaper (optional, for smoothing rough edges if needed).

ASSEMBLY INSTRUCTIONS

The ROBOTIME 3D Wooden Puzzles are designed for slot-and-tab assembly. No glue or tools are required. Follow the numbered steps in the included instruction booklet for your specific model.

General Assembly Tips:

- Carefully punch out each piece from the wooden sheets. Do not force them.
- Identify all pieces before starting assembly. Refer to the part diagrams in your booklet.
- Use the provided sandpaper lightly on any tabs or slots that are too tight, but avoid sanding too much.
- Assemble components in the order specified to ensure structural integrity.

Five-Storeied Pagoda Assembly

This model features intricate details and multiple levels. Pay close attention to the orientation of each piece.

MAINTENANCE

- Keep the assembled model in a dry environment to prevent warping or damage to the wood.
- Avoid direct sunlight exposure for prolonged periods to prevent fading.
- To clean, gently wipe with a dry, soft cloth. Do not use water or chemical cleaners.

TROUBLESHOOTING

Pieces do not fit:

- Ensure you are using the correct pieces for the current step. Refer to the part numbers in the instruction booklet.
- Check the orientation of the pieces. Some pieces may only fit in one direction.
- If a tab is slightly too large for a slot, gently sand the tab with the provided sandpaper until it fits. Do not force it.

Model is unstable:

- Review previous steps to ensure all connections are secure and pieces are fully inserted into their slots.
- Ensure the base is assembled correctly and is on a flat, stable surface.
