## OttLite CS8WA51GH

# OttLite LED Desk Lamp with Wireless Charger Instruction Manual

Model: CS8WA51GH | Brand: OttLite

## INTRODUCTION

This manual provides instructions for the safe and efficient operation of your OttLite LED Desk Lamp with Wireless Charger. This lamp features OttLite's exclusive ClearSun LED technology, designed to reduce eyestrain and provide accurate color rendering. It also includes a convenient wireless charging pad for compatible devices.

Please read all instructions carefully before use and retain this manual for future reference.

## PACKAGE CONTENTS

- OttLite LED Desk Lamp
- Power Cable

## SETUP

1. **Unpack the Lamp:** Carefully remove all components from the packaging.
2. **Position the Lamp:** Place the lamp on a stable, flat surface. Ensure the base has sufficient space for wireless charging.
3. **Connect Power:** Insert the power cable into the lamp's power port, then plug the adapter into a standard electrical outlet.

## OPERATING INSTRUCTIONS

### 1. Power and Brightness Control

The lamp features touch controls for power and brightness adjustments. The control button is located on the lamp head.

- **Turn On/Off:** Lightly touch the control button once to turn the lamp on or off.
- **Adjust Brightness:** With the lamp on, repeatedly touch the control button to cycle through the three available brightness levels.

Perfect for **office work, reading, and studying**

## 3. Wireless Charging

The lamp base includes a built-in wireless charging pad for compatible devices.

- Placement:** Place your compatible device (e.g., smartphone) directly onto the charging pad located on the lamp base.
- Charging Indicator:** The charging indicator light on the base will illuminate to confirm that your device is charging.
- Optimal Charging:** Ensure the device is centered on the charging pad for optimal charging efficiency. Remove any thick cases that may interfere with charging.

Perfect for **office work, reading, and studying**

## MAINTENANCE

- Cleaning:** Disconnect the lamp from the power source before cleaning. Use a soft, dry cloth to wipe the lamp. Do not use abrasive cleaners or solvents.
- Bulb Replacement:** The LED light source is integrated and not user-replaceable.
- Storage:** If storing the lamp, ensure it is clean and dry. Store in a cool, dry place away from direct sunlight.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Lamp does not turn on.	Power cable not properly connected or no power from outlet.	Ensure the power cable is securely plugged into the lamp and the electrical outlet. Test the outlet with another device.
Wireless charging is not working.	Device not compatible, not properly aligned, or thick case interfering.	Verify your device supports wireless charging. Reposition the device on the charging pad. Remove any thick protective cases.
Light is too dim or too bright.	Brightness setting needs adjustment.	Tap the touch control button on the lamp head to cycle through the three brightness levels.

## SPECIFICATIONS

Feature	Detail
Model Number	CS8WA51GH
