4. Maintenance and Care

To ensure the longevity and appearance of your PurrJoys sofa, follow these maintenance guidelines:

- **Regular Cleaning:** Vacuum the sofa regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for linen upholstery. Test the cleaner on an inconspicuous area first.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, as this can cause fading of the fabric.
- **Heat Sources:** Keep the sofa away from direct heat sources such as radiators or fireplaces to prevent material

degradation.

- **Sharp Objects:** Protect the sofa from sharp objects that could snag or tear the fabric. While the linen is cat-scratch resistant, excessive scratching may still cause damage.
- **Ventilation:** Ensure the sofa is in a well-ventilated area to prevent moisture buildup and odors.
- **Removable Seat Cushion Covers:** The seat cushion covers are removable for easier cleaning. Refer to the care tag for specific washing instructions.

5. Troubleshooting

If you encounter any issues with your PurrJoys sofa, please refer to the common concerns and solutions below:

Problem	Possible Cause	Solution
Sofa not fully expanding	Insufficient time for decompression; low room temperature.	Allow up to 48 hours for full expansion. Ensure room temperature is comfortable (around 68-72°F or 20-22°C). Gently fluff cushions and pat down the sofa to encourage air circulation.
Sofa feels too firm	New foam requires breaking in.	The sofa's firmness is designed for support. It may soften slightly with regular use over time.
Fabric snagging or showing wear	Contact with sharp objects; excessive pet activity.	While cat-scratch resistant, no fabric is entirely impervious. Trim pet nails regularly. Avoid sharp objects. For minor snags, carefully trim loose threads with scissors.
Sofa appears smaller than expected	Misinterpretation of dimensions; comparison to larger furniture.	Refer to the detailed specifications in Section 6 for exact product dimensions. The sofa is designed to be compact and versatile for various spaces.

If the issue persists after attempting these solutions, please contact PurrJoys Customer Support.
