VECELO Upholstered Bed Frame

VECELO Twin Size Bed Frame with Storage Drawers Instruction Manual

Model: Upholstered Bed Frame | Brand: VECELO

PRODUCT OVERVIEW

The VECELO Twin Size Bed Frame is designed for comfort and functionality, featuring a stylish upholstered headboard with diamond tufting and integrated storage drawers. It provides solid wood slat support, eliminating the need for a box spring.

- **Stylish Design:** Features a faux leather upholstered headboard with diamond tufted detailing and crystal accents.
- **Generous Storage:** Includes a large under-bed drawer (30" x 17.1" x 4") on smooth wheels for convenient storage.
- **Adjustable Headboard:** Headboard height is adjustable from 35.7" to 43.7" to accommodate various mattress thicknesses (4" to 12").
- **Durable Construction:** Built with a sturdy steel structure and solid wood slats for long-lasting support and comfort.
- **No Box Spring Required:** The robust slat system supports your mattress directly.

SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use.

- Exercise caution around sharp edges during assembly and handling.
- Do not exceed the maximum weight capacity of **550 pounds**.
- Ensure all bolts and screws are securely tightened before use.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. All parts are typically packed in one box and labeled.

- Upholstered Bed Frame components (Headboard, Side Rails, Footboard with drawer)

- Solid Wood Slats
- Assembly Kit (Hardware, Tools)
- Installation Manual (this document)

If any parts are damaged or missing, please contact VECELO customer service for assistance.

SETUP AND ASSEMBLY

Assembly is designed to be straightforward. It is recommended to have two people for easier assembly. Follow the steps below and refer to the included video for visual guidance.

Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. Install the center support bar(s) and legs, if applicable, to the bed frame.
4. Place the wooden slats onto the bed frame. Many slats feature Velcro strips for easy positioning and to prevent movement.
5. Insert the storage drawer into the designated space at the foot of the bed.
6. Adjust the headboard height to your preference by aligning it with the desired holes before tightening.
7. Double-check all connections to ensure they are tight and stable before placing a mattress on the frame.

OPERATING INSTRUCTIONS

Using the Storage Drawer:

The bed frame includes one large storage drawer located at the foot of the bed. This drawer is designed for easy access and organization.

- To open, gently pull the drawer outwards from the foot of the bed. The wheels allow for smooth movement.
- To close, push the drawer back into the frame until it is flush with the footboard.
- Avoid overloading the drawer to ensure smooth operation and prevent damage to the wheels or frame.

Large Storage Drawers with 5 Smooth Wheels.

Adjusting Headboard Height:

The headboard height can be adjusted to suit your mattress thickness. This adjustment is typically done during assembly.

- Before fully tightening the headboard bolts, align the headboard to one of the available height settings.
- Ensure both sides of the headboard are set to the same height for stability.
- Once the desired height is selected, securely tighten all bolts.

MAINTENANCE

Proper maintenance will extend the life and appearance of your bed frame.

- **Cleaning:** Wipe the faux leather surfaces with a dry cloth. For tougher spots, a slightly damp cloth with mild soap can be used, followed by drying thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.

- **Drawer Care:** Keep the drawer tracks free of debris to ensure smooth operation.

TROUBLESHOOTING

If you encounter any issues with your VECELO bed frame, refer to the common solutions below.

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose hardware.	Check and tighten all bolts and screws. Ensure all legs are evenly touching the floor.
Squeaking noises.	Loose connections or slats rubbing.	Re-tighten all hardware. Ensure slats are properly seated and not rubbing against the frame. The Velcro on slats helps prevent this.
Storage drawer not sliding smoothly.	Obstruction in the track or overloaded drawer.	Check for any objects blocking the drawer wheels or track. Reduce the weight in the drawer if it is overloaded.
Headboard appears uneven.	Incorrect height adjustment during assembly.	Loosen headboard bolts, re-align to the desired height, and re-tighten evenly on both sides.

If the issue persists, please contact customer support.

SPECIFICATIONS

Brand	VECELO
Model Number	Upholstered Bed Frame
Size	Twin
Product Dimensions (L x W x H)	76.8" x 41.7" x 45.6"
Material	Faux Leather, Metal, Wood
