Compatibility

- Compatible with IDW13, IDW16, IDW17, IDW19, IDW20, IDW21, IDW23, IDW25, IDW26, IDW28 Smartwatches.
- Designed for 22mm size bands.

2. SETUP AND INSTALLATION

Follow these steps to attach the band to your smartwatch and adjust its length for a proper fit.

Attaching the Band

1. Ensure your smartwatch is powered off.
2. Locate the quick-release pins on each end of the smartwatch band.
3. Insert one end of the pin into the lug hole on your smartwatch.
4. Slide the quick-release lever to retract the pin, then align the other end of the pin with the opposite lug hole.
5. Release the lever to secure the pin. Gently tug on the band to ensure it is firmly attached.
6. Repeat for the other side of the band.

Adjusting the Band Length

The band comes with an upgraded resizing tool and clear instructions to help you remove or add links. This allows for a perfect fit for wrists between 5.5 and 8.1 inches (approximately 130mm-235mm).

1. Place the band in the resizing tool with the arrow on the link pointing downwards.
2. Use the tool to push out the pin from the link you wish to remove.

3. Remove the desired number of links.
4. Reassemble the band by inserting the pins back into the links, ensuring they are securely fastened.

3. OPERATING AND WEARING

Once the band is attached and adjusted, wear your smartwatch as you would any other watch. The secure clasp ensures the watch remains comfortably on your wrist.

4. MAINTENANCE AND CARE

To maintain the appearance and longevity of your Lamshaw smartwatch band, follow these care instructions:

- **Cleaning:** Gently wipe the band with a soft, dry, lint-free cloth. For stubborn dirt, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Avoid Moisture:** The band is not water-resistant. Avoid prolonged exposure to water, sweat, or high humidity to prevent damage to the metal and crystals.
- **Storage:** Store the band in a clean, dry place when not in use, away from direct sunlight and extreme temperatures.
- **Chemicals:** Avoid contact with perfumes, lotions, hairsprays, and other chemicals, as these can dull the finish or damage the crystals.

5. TROUBLESHOOTING

If you encounter any issues with your smartwatch band, consider the following:

- **Band not attaching securely:** Ensure the quick-release pins are fully engaged in the lug holes. Check for any obstructions.
- **Band is too loose or too tight:** Refer to the "Adjusting the Band Length" section to add or remove links as needed. Ensure the resizing tool is used correctly.
- **Crystals appear dull:** Clean the band gently with a soft, dry cloth. Avoid abrasive materials.
- **Discoloration:** Avoid exposure to harsh chemicals, perfumes, or excessive moisture, which can cause discoloration over time.
