## Arafuna 2745b388-9e0c-4801-87b5-2fdf627805b5

# Arafuna DAB Radio User Manual

Model: 2745b388-9e0c-4801-87b5-2fdf627805b5

## INTRODUCTION

---

Thank you for choosing the Arafuna DAB Radio. This portable digital radio offers a comprehensive listening experience with DAB/DAB+ and FM radio capabilities, Bluetooth connectivity, dual alarms, and a sleep timer. Its compact design and rechargeable battery make it an ideal companion for various settings. This manual provides detailed instructions to help you set up, operate, and maintain your radio.

## SAFETY INFORMATION

---

- Do not expose the device to extreme temperatures, direct sunlight, or high humidity.
- Avoid dropping or subjecting the radio to strong impacts.
- Do not disassemble or attempt to repair the device yourself. Refer all servicing to qualified personnel.
- Keep the device away from water and other liquids.
- Use only the provided Type-C cable for charging.
- Ensure proper ventilation when operating the radio.

## PACKAGE CONTENTS

---

Please check the box for the following items:

- Arafuna DAB Radio
- Type-C USB Charging Cable
- Owner's Manual

## PRODUCT OVERVIEW

---

Front view of the Arafuna DAB Radio, showing the display, control buttons, and extended antenna. A Type-C charging cable is also visible.

# SIMPLE SWITCHING MODE

DAB/FM/Bluetooth

A person is holding a black portable radio. The radio has a small LCD screen displaying '88.65Mhz' and a signal strength indicator. Below the screen are several buttons: a power button, a mode button, a minus button, an OK button, a plus button, a menu/information button, and a favorite button. A long antenna is extended from the top. Musical notes are floating around the radio, suggesting it is playing music. The background is a blurred indoor setting with warm lights.

Multiple selection modes, clear signal reception,  
bring you a wonderful listening experience

The radio in use, illustrating its simple switching mode between DAB, FM, and Bluetooth for a versatile listening experience.

## Controls and Ports

- **Power Button ( ):** Turns the radio on/off.
- **Mode Button:** Switches between DAB, FM, and Bluetooth modes.
- **OK Button:** Confirms selections.
- **Navigation Buttons (▲ ▼ ◀ ▶):** Navigate menus and adjust settings.
- **FAV Button:** Accesses and saves favorite stations.
- **/M Button:** Menu/Information button.
- **LCD Display:** Shows frequency, station name, time, battery level, and other information.
- **Type-C Charging Port:** For charging the internal battery.
- **3.5mm Headphone Jack:** For private listening.

The radio's LCD display, highlighting its multi-language display capability for user convenience.

## SETUP

### Charging the Battery

The Arafuna DAB Radio has a built-in rechargeable lithium battery. Before first use, it is recommended to fully charge the radio.

- Connect the provided Type-C USB charging cable to the radio's Type-C port.
- Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
- The charging indicator on the display will show charging status. A full charge takes approximately 2.5 hours.
- A full charge provides up to 5 hours of playback time.

Illustration of the radio's compact size and its portable features, including the built-in rechargeable battery and Type-C charging.

### Initial Power On

Press and hold the Power button to turn on the radio. The display will light up, and the radio will typically start in the last used mode.

## OPERATING INSTRUCTIONS

---

### DAB/DAB+ and FM Radio Operation

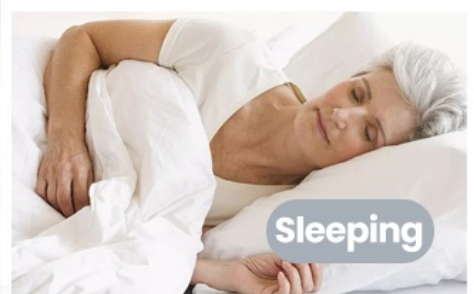

The radio supports both DAB/DAB+ (174-240 MHz) and FM (87.5-108 MHz) bands.

- **Switching Modes:** Press the **MODE** button to cycle between DAB and FM modes.
- **Automatic Station Search:** In DAB or FM mode, press and hold the **OK** button to initiate an automatic scan for available stations. The radio will scan and store stations.
- **Manual Tuning:** Use the **▲** or **▼** buttons to manually tune to frequencies.
- **Preset Stations:** The radio can store up to 40 stations (20 DAB and 20 FM).

The radio's auto-scan feature and ability to store 40 preset stations (20 DAB, 20 FM) for easy access to your favorite music, news, and talk shows.

### Storing and Recalling Stations

Detailed steps on how to store your favorite radio stations as presets using the FAV and OK buttons.

Detailed steps on how to recall your stored radio stations using the FAV and navigation buttons.

**To Store a Station:** Press and hold the **FAV** button for 2 seconds. If the screen shows "Empty", use **▲/▼** to choose a preset number, then press **OK** to confirm.

**To Recall a Station:** Briefly press the **FAV** button. Use **▲/▼** to navigate through presets, then press **OK** to select.

### Bluetooth Connectivity

The radio can function as a Bluetooth speaker, allowing you to stream audio from your smartphone, tablet, or other Bluetooth-enabled devices.

- Press the **MODE** button until "Bluetooth" is displayed. The radio will enter pairing mode.
- On your device, enable Bluetooth and search for "Arafuna DAB Radio" (or similar).
- Select the radio from the list to connect. Once connected, you can play audio through the radio.
- **Note:** This radio supports Bluetooth input for audio playback but does not support connecting to Bluetooth headphones.

The radio's Bluetooth function, demonstrating connectivity with various devices like smartphones, tablets, and PCs for audio streaming.

## Sleep Timer and Dual Alarms

The radio features a sleep timer and dual alarm functions for your convenience.

- **Sleep Timer:** You can set a sleep timer from 15 to 90 minutes. The radio will automatically turn off after the set duration, allowing you to fall asleep to your favorite station. Consult the on-screen menu for setting options.
- **Dual Alarms:** Set two independent alarms, which can be configured for weekdays, weekends, or daily.
- **Important Note:** The alarm function works only when the radio is connected to a power supply. Ensure the time is set and synchronized to the actual time for accurate alarm operation.

Visual representation of the radio's dual alarm and sleep timer features, including snooze time, sleep time duration, and multiple alarm modes.

### Headphone Use

For private listening, connect standard 3.5mm headphones to the headphone jack on the side of the radio.

A user enjoying personal music playback through wired headphones connected to the radio's 3.5mm jack.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the radio's surface. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use for extended periods, store the radio in a cool, dry place away from direct sunlight.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge it regularly, even if not in constant use.

TROUBLESHOOTING

| Problem                         | Possible Cause                                         | Solution                                                                                                    |
|---------------------------------|--------------------------------------------------------|-------------------------------------------------------------------------------------------------------------|
| No power/Radio won't turn on.   | Battery is depleted.                                   | Connect the radio to a power source using the Type-C cable and allow it to charge.                          |
| Poor radio reception (DAB/FM).  | Weak signal; antenna not extended.                     | Fully extend the telescopic antenna. Try repositioning the radio or performing an auto-scan again.          |
| Bluetooth device won't connect. | Radio not in pairing mode; device too far.             | Ensure the radio is in Bluetooth mode and visible. Move your device closer to the radio (within 10 meters). |
| Alarm does not sound.           | Radio not connected to power; alarm not set correctly. | Ensure the radio is plugged in. Verify alarm settings and time synchronization.                             |
