SETUP

1. Battery Installation

The remote control requires two AAA batteries (not included). Follow these steps to install them:

1. Locate the battery compartment cover on the back of the remote control.

2. Slide the cover downwards or press the latch to open it.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Replace the battery compartment cover by sliding it back into place until it clicks securely.

Note: Always replace both batteries at the same time with new ones. Do not mix old and new batteries, or different types of batteries.
