# VIVOHOME 18 Qt Aluminum Deep Fryer Pan and Basket Instruction Manual

Model: VH1592

## 1. INTRODUCTION

This manual provides essential information for the safe and efficient operation of your VIVOHOME 18 Qt Aluminum Deep Fryer Pan and Basket. Please read all instructions carefully before use and retain this manual for future reference.

## 2. SAFETY INFORMATION

- **Never heat the pot when empty.** Ensure there is water or oil in the pot before placing it over a burner to prevent damage.
- This product is designed for use on **gas or outdoor propane burners only**. It is not compatible with electric stoves.
- Use heat-resistant gloves when handling hot components.
- Keep children and pets away from the cooking area.
- Ensure the fryer is placed on a stable, level, non-combustible surface.
- Do not overfill the pot with oil or water. Maintain a safe fill level to prevent spills and overflows.
- Always monitor the oil temperature using a thermometer to prevent overheating and potential fire hazards.

## 3. PRODUCT COMPONENTS

The VIVOHOME 18 Qt Aluminum Deep Fryer Pan and Basket includes the following components:

- 18-Quart Aluminum Fry Pan
- Detachable Frying Basket with Heat-Resistant Handle
- Thermometer (Temperature range: 100°F to 750°F)

## 4. SETUP

---

The VIVOHOME 18 Qt Aluminum Deep Fryer Pan and Basket requires minimal assembly. The frying basket handle needs to be attached.

1. Unpack all components and ensure all parts are present.
2. Attach the heat-resistant handle to the frying basket using the provided M5 bolts, flat washers, and tooth washers. Tighten securely with an adjustable wrench and screwdriver (not included).
3. Place the frying basket inside the aluminum fry pan.
4. Attach the thermometer to the side of the frying basket or pot, ensuring the probe is submerged in the oil/water without touching the bottom.

Video 1: Product Overview. This video demonstrates the assembly of the frying basket handle and the placement of the thermometer, showcasing the product's components and initial setup.

## 5. OPERATION

---

This versatile fryer can be used for deep frying, boiling, and steaming. Always ensure proper ventilation when operating.

### 5.1 Deep Frying

1. Place the aluminum fry pan on a stable gas or propane burner.
2. Fill the pan with cooking oil, ensuring the oil level is sufficient to submerge the food but does not exceed the maximum fill line or 3 inches from the top of the pot.
3. Insert the thermometer and heat the oil to the desired temperature.
4. Carefully place food into the frying basket. Do not overload the basket.
5. Slowly lower the basket into the hot oil.
6. Fry until food is cooked to your preference.
7. Carefully lift the basket, allowing excess oil to drain back into the pot.
8. Remove food from the basket and place on a paper towel-lined plate.

### 5.2 Boiling and Steaming

The pot can also be used for boiling or steaming by removing the frying basket and filling the pot with water. The basket can be used as a steamer insert if desired.

Figure 2: Versatile Use. This image illustrates the fryer's adaptability for both outdoor frying (left, with French fries) and indoor boiling (right, with corn on the cob), highlighting its multi-purpose design.

Video 2: Fire Riot 18QT Fryer Pot in Use. This video demonstrates the 18 Qt fryer pot being used on an outdoor burner stand for deep frying and boiling, showing the process of lowering and lifting the basket with food.

## 6. MAINTENANCE AND CLEANING

---

Proper care ensures the longevity of your fryer.

- **Hand Wash Only:** The fryer pan and basket are not dishwasher safe. Hand wash with warm, soapy water.
- **Drying:** Thoroughly dry all components after washing to prevent water spots and maintain the aluminum finish.
- **Storage:** Store in a dry place when not in use.

## 7. SPECIFICATIONS

---

Feature	Detail
Brand	VIVOHOME
Model Name	Fry Basket (VH1592)
Material	Aluminum
Capacity	18 Quarts
Color	Silver
Product Dimensions	19.69 x 13.39 x 4.69 inches
Item Weight	3.1 Pounds
Compatible Devices	Gas, Outdoor Propane Burners
Product Care Instructions	Hand Wash Only
Is Dishwasher Safe	No
Is Oven Safe	No
Special Feature	Heavy Duty, Lightweight
