Belffin 9-Seater Modular Sectional Sofa

Belffin Modular Sectional Sofa with Storage Ottoman (9-Seater, Black)

Model: 9-Seater Modular Sectional Sofa

PRODUCT OVERVIEW

This manual provides instructions for the Belffin Modular Sectional Sofa, a versatile and comfortable seating solution designed for modern living spaces. It features a flexible design, comfortable velvet fabric, and integrated storage.

Flexible Modular Design

The sofa features a modular and free combination concept, allowing users to easily rearrange sections to create various layouts. This adaptability suits different spatial needs and aesthetic preferences, from L-shaped to U-shaped configurations.

Flexible Combination

Image showing four different possible configurations of the modular sectional sofa, demonstrating its flexible design.

Stylish and Elegant Design

The sectional sofa combines modern and classic aesthetics with simple lines and atmospheric color combinations. Each detail is designed to enhance interior decoration.

Comfortable Velvet Fabric

The sofa is upholstered in soft, luxurious velvet fabric, offering comfort, durability, and easy cleaning. This material is suitable for households with pets due to its resistance to scratches and daily wear.

LARGE STORAGE

Storage Space: 26.8" X 19.6" X 5.5"

Image of a person relaxing comfortably on the velvet sectional sofa, highlighting the soft texture of the fabric.

Space Saving Features

Designed for comfort and practicality, the sofa offers spacious seating depth. Built-in storage space within the sectional couch allows for convenient storage of daily necessities like remote controls, magazines, and pet toys, helping to keep your living area organized.

STABLE ARMREST

ASSEMBLY INSTRUCTIONS

The Belffin Modular Sectional Sofa is designed for easy assembly with no tools required. The sofa arrives in multiple separate boxes, which may be delivered at different times.

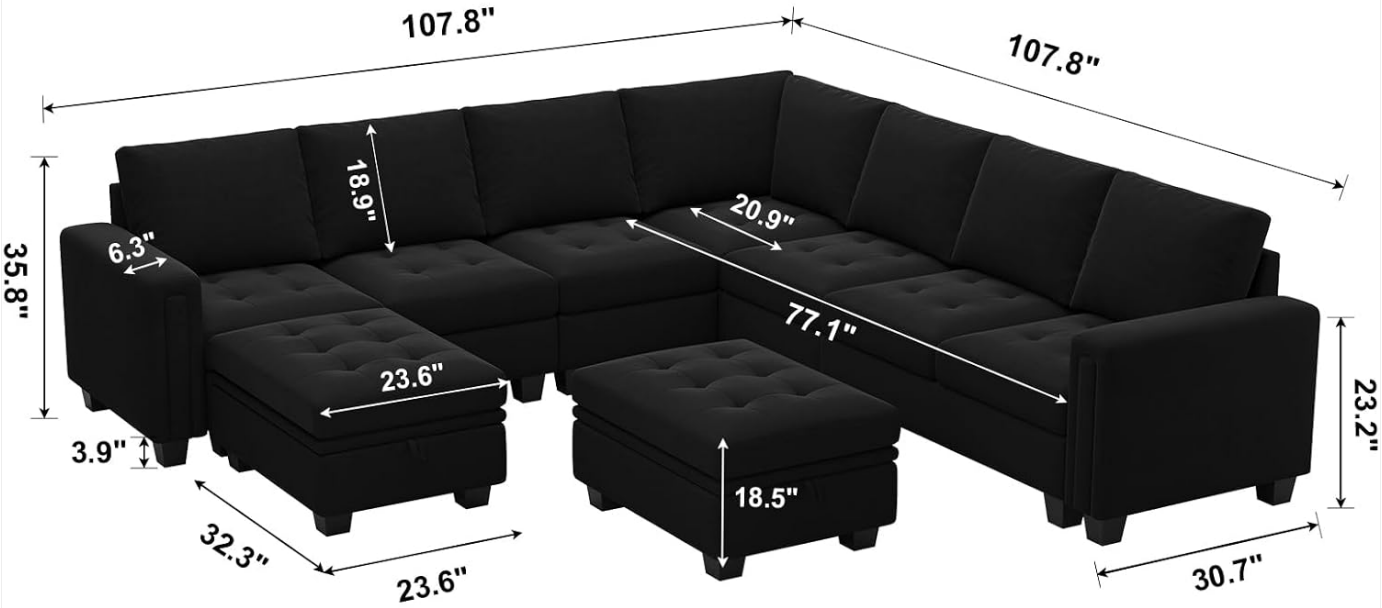

Package Contents

The modular sofa comes with 6 separate boxes. Refer to the packaging labels for specific module identification.

Dimensions

Sofa

L107.8" x W107.8" x H35.8"

Package

You will receive 8 separate boxes

Diagram illustrating the contents of the 6 separate boxes, including armrest modules, long seater modules, single seater modules, corner seater modules, and ottomans.

Step-by-Step Assembly

1. Unpack all components from the boxes. Ensure all parts listed in the package contents are present.
2. Connect the individual sofa modules using the integrated metal brackets. Align the brackets on adjacent modules and push them together until they securely interlock.
3. Place the back cushions and seat cushions onto their respective modules.
4. Position the storage ottoman as desired. The ottoman can be moved freely to suit your layout.

USAGE AND CONFIGURATION

Modular Arrangement

The modular design allows for flexible rearrangement of the sofa sections. You can create various configurations such as U-shaped, L-shaped, or separate seating units to adapt to your living space and preferences.

Storage Ottoman Functionality

The ottoman features a lift-top design, providing convenient hidden storage. Lift the top cushion to access the internal compartment for storing blankets, magazines, or other items.

CARE AND MAINTENANCE

Fabric Care

The velvet upholstery is durable and easy to clean. For minor spills, gently blot with a clean, dry cloth. For more stubborn stains, use a mild fabric cleaner specifically designed for velvet, following the product instructions.

Removable Covers

The sofa features removable cushion covers for easier cleaning. Unzip and remove the covers as needed. Follow the care instructions on the fabric label for washing.

Image showing two individuals removing the black velvet cushion covers from the sofa, highlighting the removable cover feature for easy cleaning.

General Care

Regularly vacuum the sofa using a soft brush attachment to remove dust and debris. Avoid direct sunlight exposure to prevent fading.

TROUBLESHOOTING GUIDE

Cushions Not Fully Inflated

If cushions appear flat or not fully inflated upon arrival, allow several days for them to expand to their full shape. Gently fluff and reshape them periodically.

Modules Not Connecting Securely

Ensure the metal brackets on adjacent modules are correctly aligned. Apply firm, even pressure to push the modules together until the brackets interlock. If difficulty persists, check for any obstructions.

Damaged Parts

If any parts are damaged upon delivery, contact customer support immediately for assistance and replacement parts.
