Logitech G 910-007328

Logitech G PRO X Superlight 2 DEX Wireless Gaming Mouse User Manual

Model: 910-007328 | Brand: Logitech G

INTRODUCTION

The Logitech G PRO X Superlight 2 DEX Wireless Gaming Mouse is engineered for peak performance and comfort, designed for right-handed users. It features advanced LIGHTSPEED wireless technology, the HERO 2 sensor for pixel-perfect precision, and a lightweight design for extended gaming sessions. This manual provides essential information for setting up, operating, and maintaining your new gaming mouse.

WHAT'S IN THE BOX

- PRO X SUPERLIGHT 2 DEX Wireless Gaming Mouse
- LIGHTSPEED wireless receiver
- USB A to C Charging/data cable
- Receiver extension adapter
- POWERPLAY aperture door with PTFE foot
- Optional grip tape
- Cleaning cloth
- User documentation

SETUP GUIDE

Follow these steps to set up your Logitech G PRO X Superlight 2 DEX Wireless Gaming Mouse:

1. **Unboxing:** Carefully remove all components from the packaging.
2. **Connect Receiver:** Insert the LIGHTSPEED wireless receiver into an available USB-A port on your PC or Mac. For optimal signal strength, use the receiver extension adapter to position the receiver closer to your mouse.
3. **Power On:** Locate the power switch on the underside of the mouse and slide it to the ON position. The mouse should automatically connect to the receiver.
4. **Install G HUB Software:** For advanced features, customization, and firmware updates, download and install the Logitech G HUB software from the official Logitech G website. This software allows you to program buttons, adjust DPI settings, and manage battery life.

5. **Initial Charge:** Although the mouse comes with some charge, it is recommended to fully charge it before first use. Connect the USB-A to USB-C charging/data cable to the front of the mouse and to a USB power source.

OPERATING YOUR MOUSE

The Logitech G PRO X Superlight 2 DEX is designed for intuitive and high-performance use.

Key Features and Functions:

- **Asymmetrical Design:** Sculpted for right-hand comfort, the asymmetrical design and programmable side thumb buttons enhance dexterity and precision for various playing styles.
 - **HERO 2 Sensor:** Experience pixel-perfect precision with the advanced HERO 2 sensor, offering sub-micron tracking at up to 44,000 DPI and up to 888 IPS/88G acceleration.
 - **LIGHTSPEED Wireless:** Enjoy low-latency, tournament-grade performance with up to 8 kHz polling rate, ensuring responsive and reliable input.
 - **LIGHTFORCE Switch Technology:** Delivers crisp, instantaneous clicks for pro-level performance.
 - **Programmable Buttons:** Utilize the 5 programmable buttons for custom commands and macros via Logitech G HUB software.
 - **Battery Life:** The mouse offers up to 95 hours of battery life on a single charge, allowing for extended gaming sessions.
 - **Charging:** Recharge quickly using the included USB-A to USB-C cable. The mouse is also compatible with POWERPLAY wireless charging systems for continuous play.
 - **PTFE Mouse Feet:** Zero-additive PTFE feet provide a smooth glide and seamless connection to your game.

PRO DESIGN

Figure 7: PRO Design. This diagram labels key components of the mouse, including LIGHTFORCE switches, scroll wheel, programmable side buttons, LIGHTSPEED wireless, HERO 2 sensor, and receiver storage.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your mouse.

- **Cleaning:** Use the provided cleaning cloth or a soft, lint-free cloth to wipe down the mouse regularly. For the PTFE feet, ensure they are free of dust and debris for a smooth glide. Avoid harsh chemicals or abrasive materials.
- **Software Updates:** Periodically check for firmware and software updates via the Logitech G HUB application. Updates can improve performance, add new features, and fix bugs.
- **Battery Care:** While the mouse has excellent battery life, avoid completely draining the battery frequently. Recharge when the battery indicator light signals low power.

TROUBLESHOOTING

If you encounter issues with your Logitech G PRO X Superlight 2 DEX, try the following solutions:

- **No Connection/Lag:**
 - Ensure the wireless receiver is securely plugged into a USB port.
 - Move the receiver closer to the mouse, ideally using the extension adapter.
 - Check for potential wireless interference from other devices (e.g., Wi-Fi routers, other wireless peripherals).
 - Verify the mouse is powered on and has sufficient battery charge.
- **Tracking Issues:**
 - Clean the mouse sensor and the surface you are using the mouse on.
 - Ensure the mouse feet are clean and undamaged.
 - Adjust DPI settings in Logitech G HUB to a suitable level.
- **Buttons Not Responding:**
 - Check button assignments in Logitech G HUB.
 - Ensure the mouse firmware is up to date.
- **Battery Not Charging:**
 - Try a different USB-C cable or USB port.
 - Ensure the cable is fully inserted into the mouse's USB-C port.

For more detailed troubleshooting or advanced support, please refer to the Logitech G HUB software or the official Logitech G support website.
