

YAUWOH YXM01WH01-YWS

YAUWOH 2-Door Metal Storage Cabinet User Manual

Model: YXM01WH01-YWS | Brand: YAUWOH

1. INTRODUCTION

Thank you for choosing the YAUWOH 2-Door Metal Storage Cabinet. This tall, slim pantry organizer is designed to provide versatile storage solutions for various spaces in your home. Constructed from durable metal with a powder-coated finish, it offers adjustable shelving and a space-saving design. This manual provides essential information for safe assembly, operation, and maintenance of your new cabinet.

2. SAFETY INFORMATION

- **Anti-Tipping Hardware:** This cabinet includes anti-tipping anchor hardware. It is crucial to install this hardware to prevent accidents, especially in homes with children or pets.
- **Weight Capacity:** Each adjustable shelf is designed to hold up to 60 pounds. Do not exceed this weight limit to avoid damage to the cabinet or potential injury.
- **Proper Installation:** Ensure all components are securely fastened during assembly. Refer to the assembly instructions carefully.
- **Placement:** Place the cabinet on a flat, stable surface. Avoid placing it in areas with excessive moisture or direct heat sources.

3. PACKAGE CONTENTS

Before beginning assembly, please ensure all parts are present and undamaged. The package should include:

- Metal panels (sides, top, bottom, back, shelves)
- 2 Doors
- 3 Adjustable Shelves
- Installation Kit (screws, shelf pins, magnetic door catches)
- Screwdriver
- Gloves
- Anti-tipping anchor hardware

4. SETUP AND ASSEMBLY

Assembly is straightforward and typically takes about 30 minutes. A screwdriver and gloves are included to assist with the process. For a visual guide, please refer to the official installation video below.

Video: Official YAUWOH Installation Guide for the Metal Storage Cabinet. This video demonstrates the step-by-step assembly process, including connecting panels, installing shelves, and attaching doors.

General Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Base:** Connect the bottom panel to the side panels using the provided screws.
3. **Attach Back Panel:** Secure the back panel to the assembled base and side panels.
4. **Install Middle Shelf:** Place the fixed middle shelf.
5. **Install Top Section:** Attach the top section of the cabinet, ensuring all connections are secure.
6. **Insert Adjustable Shelves:** Use the shelf pins to place the adjustable shelves at your desired heights.
7. **Attach Doors:** Mount the doors to the cabinet. The doors can be set up to open to the left or right, depending on your preference and space requirements.
8. **Install Handles:** Attach the gold metal handles to the doors.
9. **Secure Anti-Tipping Hardware:** Fasten the anti-tipping hardware to the top of the cabinet and to a wall stud for maximum stability.

5. FEATURES

- **Durable Metal Construction:** Made from premium steel with a powder-coated finish, ensuring durability, rust resistance, and easy cleaning.
- **Adjustable Shelves:** Features 3 adjustable shelves, allowing you to customize the storage space to fit items of various heights. Each shelf supports up to 60 lbs.
- **Versatile Design:** Offers two setup options for the doors (left or right opening) to accommodate different room layouts and preferences.
- **Space-Saving Profile:** With dimensions of 11.81"D x 15.75"W x 66.93"H, its slim design is ideal for small spaces, apartments, RVs, bathrooms, and kitchens.
- **Integrated Cable Management:** Includes a pre-drilled hole in the open countertop area for convenient cable routing, perfect for small appliances like microwaves or coffee makers.
- **Magnetic Doors:** Equipped with magnetic catches to ensure doors close smoothly and securely.

Image: Detailed diagram illustrating the dimensions (11.81"D x 15.75"W x 66.93"H) and shelf weight capacity (120 LBS per shelf, note: product description states 60 lbs per shelf) of the YAUWOH 2-Door Metal Storage Cabinet.

2 Setup options | Choose the one that suits your space

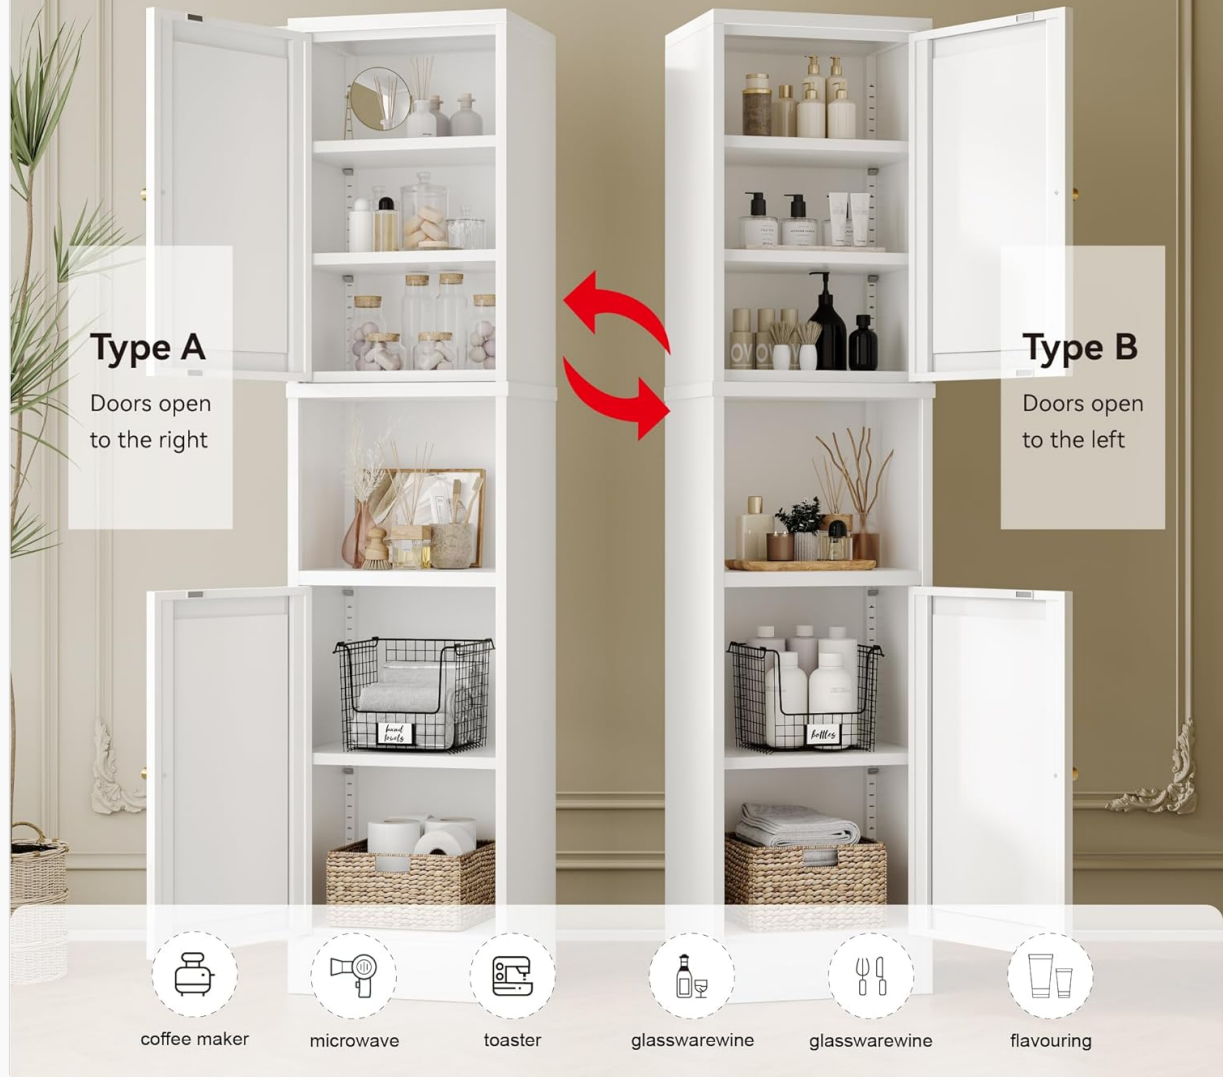

Image: This image demonstrates the two available door setup options (Type A: doors open right, Type B: doors open left), highlighting the cabinet's adaptability to different room configurations.

6. OPERATING INSTRUCTIONS

Adjusting Shelves:

The cabinet features multiple slots along the inner side panels, allowing for flexible shelf placement. To adjust a shelf:

1. Empty the shelf of all contents.
2. Remove the shelf pins from their current slots.
3. Reinsert the shelf pins into the desired slots at the new height. Ensure all four pins are securely in place and level.
4. Carefully place the shelf onto the pins.

Door Operation:

The doors are equipped with magnetic catches for smooth and secure closing. Simply push the door gently until the magnet engages to keep it shut.

7. MAINTENANCE

Maintaining your YAUWOH Metal Storage Cabinet is simple due to its powder-coated finish.

- **Cleaning:** Wipe the surface clean with a damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Promptly wipe up any spills to prevent potential staining or corrosion, although the waterproof design offers good protection.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

8. TROUBLESHOOTING

- **Wobbly Cabinet:** Ensure the cabinet is placed on a level surface. Check that all assembly screws are tightened. If installed, verify the anti-tipping hardware is securely fastened to the wall.
- **Doors Not Closing Properly:** Check if the cabinet is level. Ensure the magnetic catches are properly aligned and free of obstructions. Verify door hinges are correctly installed and tightened.
- **Shelf Sagging:** Ensure the weight on the shelf does not exceed the 60 lbs capacity. Redistribute items if necessary. Verify shelf pins are fully inserted into the support slots.
- **Difficulty Assembling:** Review the installation video and step-by-step instructions. Ensure you are using the correct hardware for each step. If issues persist, contact customer support.

9. SPECIFICATIONS
