## WHAT'S IN THE BOX

Upon unboxing your Thomson Streaming Stick 4K 145G, please verify that all components are present:

- Thomson Streaming Stick 4K 145G

- Remote Control
- Power adapter
- USB Cable (for power)
- HDMI Extender (optional, may be included)
- Quick Start Guide

## SETUP GUIDE

---

Follow these steps to set up your Thomson Streaming Stick 4K 145G:

1. **Connect the Streaming Stick:** Plug the Thomson Streaming Stick 4K 145G directly into an available HDMI port on your television. If space is limited, use an HDMI extender if provided.

2. **Connect Power:** Connect the provided USB cable to the power input port on the streaming stick and then connect the other end to the power adapter. Plug the power adapter into a wall outlet.
3. **Power On TV and Select Input:** Turn on your television and select the HDMI input to which the streaming stick is connected.
4. **Initial Setup:** The device will boot up and guide you through the initial setup process on your TV screen. This typically includes:
  - Language selection.
  - Connecting to your Wi-Fi network.
  - Signing in with your Google account (required for Google TV features and app downloads).
  - Accepting terms and conditions.
5. **Remote Control Pairing:** The remote control should automatically pair with the device. If not, follow the on-screen instructions or press and hold the Home and Back buttons simultaneously on the remote until pairing is complete.

## OPERATING INSTRUCTIONS

---

Once set up, you can begin using your Thomson Streaming Stick 4K 145G to access various streaming services and content.

## Remote Control Functions

Familiarize yourself with the remote control buttons:

- **Power Button:** Turns the device on or off (standby).
- **Google Assistant Button:** Activates voice commands for search and control.
- **Navigation Pad (Circle):** Use up, down, left, right to navigate menus.
- **OK/Select Button:** Confirms selections.
- **Back Button:** Returns to the previous screen.
- **Home Button:** Returns to the Google TV home screen.
- **Volume Buttons (+/-):** Adjusts TV volume.
- **Mute Button:** Mutes TV volume.
- **App Shortcut Buttons:** Dedicated buttons for Netflix, Disney+, YouTube, and Prime Video for quick access.

## Navigating Google TV

The Google TV interface organizes content from your streaming services into a single, personalized experience.

- **Home Screen:** Displays recommended content, installed apps, and your watchlist.
- **Apps:** Access all your installed applications. You can download more from the Google Play Store.
- **Library:** Find your purchased movies and TV shows from Google Play.
- **Search:** Use the search icon or Google Assistant button to find content by title, genre, or actor.

To stream content, simply select an app or a recommended title from the home screen. Ensure you have an active subscription for paid services.

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your streaming stick.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the device and remote control. Do not use liquid cleaners or aerosols.
- **Ventilation:** Ensure the streaming stick is placed in a well-ventilated area and not covered, as proper airflow prevents overheating.

- **Software Updates:** The device will automatically check for and install software updates. Ensure it remains connected to the internet for these updates.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place away from direct sunlight.

## TROUBLESHOOTING

If you encounter issues with your Thomson Streaming Stick 4K 145G, refer to the following common problems and solutions:

| Problem                             | Possible Cause                                                                  | Solution                                                                                                                          |
|-------------------------------------|---------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| No power/Device not turning on      | Power adapter not connected, faulty outlet, or damaged cable.                   | Ensure power adapter is securely plugged into the device and a working wall outlet. Try a different outlet.                       |
| No signal on TV                     | Incorrect HDMI input selected, loose HDMI connection, or device not powered on. | Verify the TV is on the correct HDMI input. Re-seat the HDMI cable. Ensure the streaming stick has power.                         |
| Remote control not responding       | Batteries low/dead, remote not paired, or obstruction.                          | Replace batteries. Re-pair the remote by holding Home and Back buttons. Ensure no obstructions between remote and device.         |
| Buffering or poor streaming quality | Weak Wi-Fi signal, internet speed issues, or network congestion.                | Move the device closer to the Wi-Fi router. Restart your router. Check your internet speed. Reduce other network activity.        |
| Apps crashing or freezing           | Outdated app, insufficient memory, or software glitch.                          | Restart the device. Check for app updates in the Google Play Store. Clear app cache (Settings > Apps > [App Name] > Clear cache). |

If the issue persists after trying these solutions, you may need to perform a factory reset (Settings > System > About > Factory reset). Note that a factory reset will erase all data and settings on the device.
