TYCOLE T1080A

TYCOLE Technic Sports Car Building Block Set with Display Case - Model T1080A Instruction Manual

Model: T1080A | Brand: TYCOLE

Introduction

This manual provides detailed instructions for assembling and understanding the features of your TYCOLE Technic Sports Car Building Block Set, Model T1080A. This set allows for the construction of a realistic sports car model, complete with a transparent display case. It is designed to offer an engaging building experience and results in a collectible model suitable for display.

Safety Information

Warning: Not suitable for children under 3 years due to small parts which may present a choking hazard.
Always ensure all building blocks are kept out of reach of very young children. Adult supervision is recommended during assembly for younger users.

Package Contents

Your TYCOLE Technic Sports Car Building Block Set includes:

- Over 320 building block pieces for the sports car model.
- One transparent, stackable display case.
- Color-printed instruction manual.
- Pieces are organized in step-by-step numbered packages.

Setup and Assembly

Follow these steps to assemble your TYCOLE Technic Sports Car model:

1. **Unpack Components:** Carefully open the packaging and lay out all numbered bags of building blocks. Ensure you have the instruction manual readily available.
2. **Follow Instructions:** Refer to the color-printed instruction manual. The pieces are organized into step-by-step packages to simplify the assembly process. Build the model according to the sequence provided in the manual.

3. **Connect Pieces Securely:** All parts are made from high-quality ABS raw materials. Ensure each block is firmly connected to the next to maintain the structural integrity of the model.
4. **Assemble Display Case:** Once the car model is complete, assemble the transparent display case. The base of the display case is designed to securely hold the finished model.
5. **Placement:** Place the assembled sports car model inside the display case. The display case is stackable, allowing for organized display with other TYCOLE models.

Operating and Features

Your TYCOLE Technic Sports Car model incorporates several realistic and interactive features:

- **Openable Car Cover:** The car's cover can be opened, revealing interior details.
- **Rotatable Tires:** The wheels are designed to rotate, allowing for dynamic display or gentle play.
- **Adjustable Rearview Mirrors:** The rearview mirrors can be adjusted to different positions.
- **Detailed Interior:** The model features a detailed interior, including a steering wheel.
- **Aerodynamic Design:** The overall design reflects a realistic sports car aesthetic with slender headlights and a prominent spoiler.

Maintenance

To ensure the longevity and appearance of your TYCOLE Technic Sports Car model and display case, follow these maintenance guidelines:

- **Cleaning the Model:** Use a soft, dry cloth or a small brush to gently remove dust from the building blocks. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic.
- **Cleaning the Display Case:** The transparent display case can be wiped clean with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for plastics. Ensure the case is completely dry before placing the model back inside.
- **Storage:** Store the model and display case in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic components.
- **Handling:** Handle the assembled model with care to prevent accidental disassembly of smaller parts.

Troubleshooting

If you encounter any issues during the assembly or use of your TYCOLE Technic Sports Car Building Block Set, please refer to the following common solutions:

- **Missing Parts:** If you find any missing parts during assembly, please contact TYCOLE customer service directly. Refer to the "Warranty and Support" section for contact information.
- **Difficulty Connecting Pieces:** Ensure that the pieces are correctly oriented and aligned before attempting to connect them. Apply gentle, even pressure. Avoid forcing pieces together, as this can cause damage.
- **Model Instability:** Double-check all connections to ensure they are secure. Refer back to the instruction manual to verify that all steps have been followed correctly.
- **Instructions Unclear:** While the manual is color-printed and step-by-step, some complex steps might require careful review. Try re-examining the image for that step from different angles.

Specifications

Feature	Detail
Product Dimensions	6.98 x 3.19 x 1.89 inches
Item Weight	6.4 ounces
Model Number	T1080A
