2. Safety Information

- Always assemble the desk on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of 220 pounds (100 kg) for the desktop.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Avoid placing hot items directly on the desk surface without protection.
- Ensure electrical connections for the LED lights are properly secured and away from liquids.

3. Package Contents

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Gaming Desk Components (MDF board sections, steel frame parts)

- LED Light Strip with Remote Control
- Monitor Stand

5.3. Headphone Hook

A dedicated hook is provided for convenient storage of your headphones, keeping them within reach and off the desktop surface.

5.4. Storage Shelves

The L-shaped desk includes 2-tier storage shelves, ideal for placing a computer case, books, or other gaming and office essentials, helping to keep your workspace organized.

6. Maintenance

To ensure the longevity and appearance of your HOMIDEC gaming desk, follow these maintenance guidelines:

- **Cleaning:** The desk surface features a carbon fiber texture, which is scratch-resistant and waterproof. Wipe clean with a damp cloth and mild detergent. Avoid abrasive cleaners.
- **Spills:** Promptly wipe up any spills to prevent water damage, especially around electrical components.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **LED Lights:** Ensure the LED light strip and its connections are free from dust and moisture.

7. Troubleshooting

If you encounter any issues with your desk, refer to the following common troubleshooting tips:

- **Desk is Wobbly:** Ensure all assembly screws are tightened. Adjust the footpads on the bottom of the legs to level the desk on uneven floors.
- **LED Lights Not Working:** Check if the power adapter is securely plugged into both the light strip and a working power outlet. Ensure the remote control has working batteries and is pointed directly at the receiver.
- **Missing Parts:** Review the package contents list. If parts are missing, contact HOMIDEC customer support with your purchase details.
